Questions Jesus Asked Magrey deVega, 2023-04-04 What does Jesus want to know about us? Jesus was fond of asking questions, many of which cut right to the heart of what it means to be human. Why are you terrified? What do you live for? Who do you say that I am? In *Questions Jesus Asked*, author Magrey deVega explores six of the most provocative questions Jesus posed to others and guides us in answering them for ourselves. Asking these questions takes courage. Not only do they reveal what Jesus really cares about; they open a window into our hearts. We all have questions for God, but growth happens when we turn things around and ask what Jesus wants to know about us. When we dare to raise them, these questions bring us a fuller appreciation for the wisdom, power, and presence of God in our lives. Are you willing to step out in faith? Are you ready to answer the questions Jesus asked? The book can be read alone or used by small groups and can be used anytime throughout the year.

Additional components include video teaching sessions featuring Magrey deVega and a comprehensive leader guide making this perfect as a six week group study done throughout the year Things Fall Apart Chinua Achebe,199? What Is Wrong With Our Schools? The ideology impoverishing education in America and how we can do better for our students Daniel Buck,2022-12-09 What is wrong with our schools is the question everyone seems to be asking or more like screaming nowadays Standard answers point to everything from school funding to unions to bureaucracies and more In this book Daniel Buck provides a different answer flawed ideas ideas about instruction curriculum even human nature itself are the root cause of American schooling s dysfunction Touching on philosophy contemporary educational studies cognitive science and his own experience in the classroom Buck argues that so long as we build our system on incorrect first principles all other reforms are for naught In place of the progressive education that pervades our schools Buck argues for a traditionalist approach classic literature direct instruction sequenced curricula clear rules and consequences as the education we need for the future
