

2010 TRIBECA Owner's Manual

Foreword

Congratulations on choosing a SUBARU vehicle. This Owner's Manual has all the information necessary to keep your SUBARU in excellent condition and to properly maintain the emission control system for minimizing emission pollutants. We urge you to read this manual carefully so that you may understand your vehicle and its operation. For information not found in this Owner's Manual, such as details concerning repairs or adjustments, please contact the SUBARU dealer from whom you purchased your SUBARU or the nearest SUBARU dealer.

The information, specifications and illustrations found in this manual are those in effect at the time of printing. FUJI HEAVY INDUSTRIES LTD. reserves the right to change specifications and designs at any time without prior notice and without incurring any obligation to make the same or similar changes on vehicles previously sold. This Owner's Manual applies to all models and covers all equipment, including factory installed options. Some explanations, therefore may be for equipment not installed in your vehicle.

Please leave this manual in the vehicle at the time of resale. The next owner will need the information found herein.

The Routledge International Handbook of Ethnographic Film and Video Phillip Vannini,2025-12-29 The Routledge International Handbook of Ethnographic Film and Video is a state of the art book that encompasses the breadth and depth of the field of ethnographic film and video based research With more and more researchers turning to film and video as key elements of their projects and as research video production becomes more practical due to technological advances as well as the growing acceptance of video in everyday life this critical book supports a broad and growing audience Readers looking to develop the skills necessary to produce meaningful ethnographic films and videos will find this book to be a comprehensive resource that will help them better understand and appreciate the unique ways in which film and video can serve as ways of knowing and as tools of knowledge mobilization The second edition introduces 18 new chapters continuing the book s overall

mission of collecting original writings by the world's leading experts in their respective fields and subfields while approximately half of the first edition chapters have been fully updated with coverage of newer references and more contemporary examples and issues. The contributors synthesize existing literature, introduce the historical and conceptual dimensions of the field, illustrate innovative methodologies and techniques, survey traditional and new technologies, reflect on ethics and moral imperatives, outline ways to work with people, objects, and tools, and shape the future agenda of the field. The Handbook provides both a comprehensive introduction and up-to-date survey of the field for a vast variety of audiovisual researchers such as scholars and students in sociology, anthropology, geography, communication, and media studies, education, cultural studies, film studies, visual arts, and related social science and humanities. It will appeal to a multidisciplinary and international audience and features a dynamic forward thinking, innovative and contemporary focus oriented toward the very latest developments in the field as well as future possibilities.

2015 Passenger Car and 2014 Concept Car Yearbook
Automotive Engineering International, 2014-11-21

Every year, global automakers introduce new or significantly re-engineered passenger vehicles with increasingly advanced technology intended to exceed consumer expectations and satisfy increasingly stringent government regulations. Some of these technologies are firsts of their kind and start trends that other automakers soon follow with the innovations becoming adopted across the board. The supply community is also increasingly playing a more significant role in helping the original equipment manufacturers research, develop, and introduce the latest engineering innovations that help bring competitive advantage for their automaker partners. Each year, the editors of SAE's Automotive Engineering magazine publish many articles focused on the technology and engineering innovations of new passenger and concept vehicles, and these articles have been collected into this volume. This 2015 Passenger Car and 2014 Concept Car Yearbook is the fourth in an ongoing series of books that provide yearly snapshots of the latest and greatest technologies introduced by the automotive industry. In this book, we explore from an OEM and supplier perspective the newest and most technically interesting production vehicles released for the 2015 model year. In addition, we also have included a technology-focused recap of the concept cars revealed during 2014. Readers will have in one publication a complete overview of the key advances that took place over the course of the year from around the world. Each new model is profiled in its own chapter with one or more articles by the award-winning editors and contributors of Automotive Engineering in this exclusive compilation of print and online content. The novel engineering aspects of each new vehicle are explored with exclusive interviews of key engineers and product developers, providing insights you can only get from you can only get from Automotive Engineering. This book is published for the most technically minded enthusiasts who are interested in new car technologies as well as practicing automotive engineers who are interested in new engineering trends. Engineering trends explored focus on what engineers are doing to meet the sometimes conflicting consumer and governmental demands for improved vehicle fuel efficiency, performance, safety, and comfort. In short, this book provides a single source for information

on the key engineering trends of the year from both automaker and supplier perspectives Allows the reader to skip to chapters that cover specific car models that interest them or read about all models from beginning to end Makes for dynamic book reading with its large number of big full color images and easy reading magazine format *Newsweek* ,2007
