Walking with Sausage Dogs Matt Whyman, 2012-07-05 Keeping pets is a lovely idea When building a family they complement the kids But what happens when things get out of hand For writer and house husband Matt Whyman it s a case of catastrophe management in coping with four children and all the ill advised animals amassed by his career wife Emma Just as Matt gets to grips with managing her two maxed out minipigs she falls for a miniature Dachshund the kind of dog he wouldn t be seen dead with Hercules isn t big or clever but Emma is determined She ll do everything she promises From the author of *Pig in the Middle* Be More Sausage: Lifelong lessons from a small but mighty dog Matt Whyman, 2020-08-20 A

love letter to the small but mighty dachshund or as it s more affectionally known the Sausage Dog *Walking Wisdom* Gotham Chopra, Deepak Chopra, 2010-10-05 If it wasn t for dogs some people would never go for a walk anonymous Gotham Chopra considers himself a pretty average guy He devours pizza lives and dies by his hometown teams and watches Kung Fu Panda with his son daily But his childhood wasn t quite so average Growing up Gotham was exposed to the deepest reservoirs of knowledge that his famous father Deepak could find his childhood was part spiritual part scientific and totally unique Now a newly minted father himself he s contemplating the influences he wants to draw on for his own son The first was no surprise his father The second was unexpected his dogs From Nicholas the blaze of energy and anarchy who turned the family upside down to Cleo a rescue mutt with food issues the Chopra dogs taught the family about curiosity and wisdom open mindedness and passion not to mention loyalty and pig s ears But what else Gotham wondered And how did these lessons compare to the ones that Deepak himself imparted Gotham would soon find out When his mother took an unexpected trip to India and leaves instructions to look after Papa father and son have an opportunity for male bonding on a big scale That this bonding takes place on their daily walks seems almost natural After all Gotham also had in his care a nervous dog and an exuberant toddler both with an insatiable need for exercise and exploration So Gotham and Deepak walk and talk discussing the laughs and licks that come with having a dog along with the contradictions complexities and consequences of having children They soon realize the qualities they observe and admire most in their pets are values we humans would do well to nurture within ourselves They discover that our best friends have a lot to teach us Gotham and Deepak s message may seem simple but therein lies its brilliance Heartfelt endearing and above all down to earth *Walking Wisdom* offers readers both enlightenment and comfort with a little bit of mayhem thrown in for good measure **The Booby Trap and Other**

Whyman,2022-04-14 We re not at parkrun any more I mutter to myself quietly longing for the presence of nice marshals in high visibility vests Failure is an Option is the story of an average runner who sets out to discover just how far he can go With the support and misgivings of his family and aware that his quickest years are behind him Matt Whyman leaves the Saturday morning 5K to push towards 100 mile ultramarathons and beyond By slowing things down to run a very long way he joins a growing number of men and women from all walks of life striving to do something extraordinary A newcomer to a world that can often seem off limits Matt finds his feet as an ultrarunner by learning the hard way He battles monster hallucinations on endurance races spanning day and night loses himself on tantalising trails across landscapes far from home and forges bonds with fellow competitors in which small kind gestures mean more than any medal Determined to touch the boundaries of his running world before it starts to shrink ultimately Matt sets his sights on a six day mountain ultra that even hardened veterans consider to be the most formidable on earth the Dragon s Back Race Brimming with good humour honesty and joy Failure is an Option pits ambition against ability to uncover human truths that resonate with us all A mid pack competitor who could win prizes for enthusiasm if nothing else Matt takes us on a journey far beyond his comfort zone and with no guaranteed outcome of success The results are entertaining from start to finish often very funny and at times deeply moving
