## **What Did Jesus Ask Christian Leaders Reflect On His Questions Of Faith:**

*What Did Jesus Ask?* Elizabeth Dias, 2015-10-27 In *What Did Jesus Ask* 65 of today's leading spiritual writers, thinkers, and artists offer modern meditations on the questions that Jesus posed in the Bible to teach his followers how to think like a Christian and consider their personal faith. As a teacher, Jesus Christ put many of his lessons in the form of questions. The gospels record more than 300 of them. Some are rhetorical, needing no answer, but most were real questions posed to real people. Many of Jesus' questions are familiar to readers today, yet the context and the potential interpretations of such phrases will offer enlightenment to many. Organized by Biblical verse, these 65 enigmatic questions include: "You of little faith, why did you doubt?" Matthew 14:31; "Do you have eyes but fail to see, and ears but fail to hear?" Mark 8:18. And now *What Did Jesus Ask* poses those questions to many of today's prominent religious figures, scholars, and thought leaders to contemplate and interpret. Contributors include bestselling singer-songwriters Amy Grant and Michael W. Smith, Christian leaders Barbara Taylor and Cardinal Wuerl of Washington, and bestselling authors James Martin and Sarah Young, and many more. Including a foreword by Nancy Gibbs, bestselling author and managing editor of *TIME* magazine, *What Did Jesus Ask* is a thought-provoking volume for both readers interested in religious thought and understanding the teachings of Jesus better.

**Обработка давлением специальных сталей и сплавов** N. L. Kijamkin, 1967 *Talks with the Chaplain* Sandra Reid, 2025-09-16 Whether it's an actual prison or the prison of your own life making you feel hopeless or angry, *Talks with the Chaplain* brings you comfort. Retired corrections chaplain Sandra Reid knows how to reach into the corners of the minds, hearts, and souls of humans experiencing extreme emotions. Direct and personal, her voice exhibits empathy that is both encouraging and inspiring for all readers, both in and out of jail, a place where it seems like anger is the only legitimate emotion. *Talks with the Chaplain* is a year's worth of weekly Christian-themed readings for male inmates or for anyone based on real-life stories and anecdotes from two decades of experience in Saskatchewan's corrections service. Each weekly reading is supplemented by seven daily scriptural passages, one per day, that contemplate the theme of that week. The readings shed new light on biblical passages that may already be familiar by framing them in stories from prison environments where the author spent her career counselling and ministering to men grappling with the worst trauma and grief. By allowing non-incarcerated readers a look at the emotional plight of an inmate, it gives each person a fresh view of scripture. *Talks with the Chaplain* are messages of hope and guidance for those dealing with emotions and experiences common to inmates: shame, remorse, anger, aggression, grief, and despair. The book provides a lifeline to contemplation, reflection, forgiveness, courage, and freedom. *The Art of Asking Better Questions* J.R. Briggs, 2025-10-07 What if the key to a deeper, more meaningful life lies in the questions you ask? In *The Art of Asking Better Questions*, J.R. Briggs offers a thoughtful exploration of how intentional, well-crafted questions can transform relationships, leadership, and spiritual growth. Guided by the wisdom of Jesus as the ultimate question asker, this book introduces four levels of questions designed to address different purposes and provide

practical tools to improve your conversations If you want information Google it But if you want wisdom and connection you need to become a person who asks better questions Briggs argues that the quality of your life is determined by the quality of the questions you ask God yourself and others There s not a single area where improving the quality of your questions won t improve your life and the lives of those around you In this book you ll Explore why questions are so important but why we don t ask them very much Discover how questions affect our faith Study how questions influence our ability to lead Learn simple practical ways to ask better questions With its sharp insights and actionable guidance *The Art of Asking Better Questions* invites you to reflect on how the questions you ask God yourself and others can lead to a fuller more vibrant life of faith and purpose Rediscover the art of inquiry your relationships leadership and faith will never be the same *Tear Down These Walls* John H. Armstrong, 2021-08-01 I am praying not only for these disciples but also for all who will ever believe in me through their message I pray that they will all be one just as you and I are one as you are in me Father and I am in you And may they be in us so that the world will believe you sent me John 17 20 21 NLT For most Christians these words of Jesus seem like an unreachable ideal Or they promise spiritual unity without a visible demonstration between real people Some even read these words with a sense of fear seeing this text used for a compromise agenda How should we understand this prayer offered for all who follow Jesus What if Jesus really intended for the world to believe the gospel on the basis of looking at Christians who live deep unity in a shared relationship with him What if there is way of understanding what Jesus desired so that we can begin anew to tear down the many walls of division that keep the world from seeing God s love in us Is our oneness much bigger and deeper than we could imagine John Armstrong has devoted three decades to the work of Christian unity His story and ministry have encouraged many around the world and now they are reflected in this memoir of a life devoted to unity *Love Matters More* Jared Byas, 2020-09-08 For years Christians have argued debated and fought one another while speaking the truth in love yet we are no closer to the grace filled life Jesus modeled Biblical scholar and popular podcast host of *The Bible for Normal People* Jared Byas casts a new vision for the Christian life that s built not on certainty but on the risk of love A biblically based Christian life is not grounded in having all the answers but in a living relationship This ultimately shifts our focus from collecting the right answers to loving others deeply and authentically With stories and insights drawn from his years as a pastor professor and podcast host Jared Byas calls us back to the heart of the Bible that truth is only true when it s lived out in love In a refreshing voice that s both witty and profoundly revelatory Jared unpacks the concept of truth its meaning and why we so often fight over it He makes a compelling case for how what we believe is less important than how we believe it and that more than anything else telling the truth in love is about following Jesus For anyone who has ever felt forced to choose between truth and love acceptance and rightness this book offers a path forward beyond truth wars and legalistic religion to a love that matters more ***Mother Daughter Speak*** Grace Ji-Sun Kim, Elisabeth Sophia Lee, 2021-06-01 Mother daughter relationships can be wonderful and powerful They can also be
