What Does the Bible Really Teach about Homosexuality? Kevin DeYoung, 2015-04-16 In just a few short years massive shifts in public opinion have radically reshaped society's views on homosexuality. Feeling the pressure to forsake long held beliefs about sex and marriage, some argue that Christians have historically misunderstood the Bible's teaching on this issue. But does this approach do justice to what the Bible really teaches about homosexuality? In this timely book, award-winning author Kevin DeYoung challenges each of us—the skeptic, the seeker, the certain, and the confused—to take a humble look at God's Word. Examining key biblical passages in both the Old and New Testaments and the Bible's overarching teaching regarding sexuality, DeYoung responds to popular objections raised by Christians and non-Christians alike, offering readers an indispensable resource for thinking through one of the most pressing issues of our day.
