FitzGerald, 1981 *Carlyle's Essay on Burns* Thomas Carlyle, 1912 **The Poetical Works of Robert Burns** Robert Burns, 1864 *Nobody Calls Just to Say Hello* Philip J. Rock, Ed Wojcicki, 2012 A loyal partisan and highly principled public official whose career overlapped with those of many legends of Illinois politics including Mayor Richard J Daley Governor James Thompson and Illinois House Speaker Michael Madigan Democrat Philip J Rock served twenty two years in the Illinois Senate Fourteen of those years were spent as senate president the longest tenure anyone has served in that position This nuanced political biography which draws on dozens of interviews conducted by Ed Wojcicki to present the longtime senate

president's story in his own words is also a rare insider's perspective on Illinois politics in the last three decades of the twentieth century. A native of Chicago's West Side, Rock became one of the most influential politicians in Illinois during the 1970s and 1980s. As a senator in the 1970s and senate president from 1979 to 1993, he sponsored historic legislation to assist abused and neglected children and victims of domestic violence, ushered the state through difficult income tax increases, and economic development decisions. He shepherded an unruly and fragmented Democratic senate caucus and always was fair to his Republican counterparts. Covering in great detail a critical period in Illinois political history for the first time, Rock explains how making life better for others drove his decisions in office while also espousing the seven principles he advocates for effective leadership and providing context for how he applied those principles to the legislative battles of the era. Unlike many Illinois politicians, Rock, a former seminarian, was known for having a greater interest in issues than in partisan politics. Considered a true statesman, he also was known as a skilled orator who could silence a busy floor of legislators with his commentary on important issues and as a devoted public servant who handled tens of thousands of bills and sponsored nearly five hundred of them himself. *Nobody Calls Just to Say Hello*, which takes its title from the volume of calls and visits to elected officials from constituents in need of help, perfectly captures Rock's profound reverence for the institutions of government, his respect for other government offices, and his reputation as a problem solver who, despite his ardent Democratic beliefs, disavowed political self-preservation to cross party lines and make government work for the people. Taking readers through his legislative successes, bipartisan efforts, and political defeats, including a heartbreaking loss in the U.S. Senate primary to Paul Simon in 1984, Rock passionately articulates his belief that government's primary role is to help people, offering an antidote to the current political climate with the simple legislative advice: Just try to be fair, give everyone a chance, and everything else comes after that.

Daley: A Retrospective Chicago Tribune Staff, 2012-12-18 From the second half of the twentieth century through today no family has defined Chicago in the public's eye more than the Daleys Between Richard J Daley and his son Richard M Daley a member of this prominent Bridgeport family served as the city's mayor for 43 out of a total 57 years from 1955-2011 When Richard M Daley also known as Richie made a surprise announcement in 2011 that he would not seek re-election he had surpassed his father's record tenure of 21 years in office Daley A Retrospective explores the fascinating storied career of Richard M Daley the longest serving and arguably most important mayor in the city's own long storied history From Richie's childhood in his father's shadow to his infamous teenaged run-in with the law this book begins with the earliest years in the life of Richard J Daley's eldest son It follows the rise of Daley's political career as a state senator and as the state's attorney through his 1989 election as mayor The bulk of Daley A Retrospective focuses on

Daley's lengthy imperial reign over Chicago politics in which he developed his own unique and powerful personality. Transitioning from a perceived simulacrum of his father into one of the most dominant idiosyncratic and quotable individuals in American politics, Daley made his name by making bold moves, waging hard-fought battles, and forging commanding, if not celebrated, consensus between the multitudes of citywide officials and organizations. Comprised of 60 years of Chicago Tribune reporting, this story is unique to Chicago and told by none better than the reporters, editors, and notable commentators who covered Daley's entire career. Touching on race relations, education, gang violence, crime, environmentalism, gay marriage, local sports, and the murky world of Chicago politics, *Daley: A Retrospective* is a captivating read. It is the most up-to-date and comprehensive exploration of Mayor Richard M. Daley's legacy, and it will serve as a significant resource as Daley continues to be reexamined and reevaluated for years to come.
