Without Apology Stanley Hauerwas, 2013-08 Sermons from one of the country's best known theologians 17 sermons from Saints and Letting Go to Recognizing Jesus Seeing Salvation and Clothe Your Ministers in Righteousness Two bonus presentations on Leadership and An Open Letter to Christians Beginning College in the appendix **Minding the Web** Stanley Hauerwas, 2018-11-06 For over forty years Stanley Hauerwas has been writing theology that matters In this new collection of essays lectures and sermons Hauerwas continues his life's work of exploring the theological web discovering and recovering the connections necessary for the church to bear faithful witness to Christ in our complex and changing times Hauerwas enters into conversation with a diverse array of interlocutors as he brings new insights to bear on matters theological delves into university matters demonstrates how lives matter and continues in his passionate commitment to the matter of preaching Essays by Robert Dean illumine the connections that have made Hauerwas's theological web slinging so significant and demonstrate why Hauerwas's sermons have a crucial role to play in the recovery of a gospel shaped homiletical imagination *Plain Truth for Plain People* Brad Estep, 2019-03-22 Having studied preaching at a doctoral level and practiced the craft for more than thirty years Brad Estep offers fifty biblically grounded theologically informed and congregationally contextualized sermons centered around the different seasons of the Christian year In addition to the sermon itself Estep provides additional analysis that revolves around the homiletical structure reasons for effectiveness and usage of illustrative material This work is designed for preachers who are interested and committed to the craft of preaching Intended for reflective practitioners Plain Truth for Plain People helps to reveal how and why sermons are crafted in the way that they are Because of that this book is also of interest to parishioners in the pews At the top of the list of desirable skills in a pastor is preaching This work helps provide examples of what that looks like or more accurately what that sounds like

Preaching Gospel Charles L. Campbell, Clayton J. Schmit, Mary Hinkle Shore, Jennifer E. Copeland, 2016-08-30 Teaching preaching like preaching itself is a noble endeavor After nearly four decades of teaching Richard Lischer has sent legions of preachers across the world to preach gospel This volume pays tribute to his faith filled life of preaching and teaching The contributors some of whom were taught by Lischer have received many laurels themselves so readers will find in these pages wisdom for preaching from many quarters Some authors include sermons with helpful commentary about the preaching exercise some offer essays to illuminate the task of sermon writing all acknowledge the influence of Richard Lischer on their preaching and teaching endeavors **The Sermon without End** Ronald J. Allen, Prof O. Wesley Allen JR., 2015-10-20 A New Model for Post Apologetic Preaching in a Pluralistic World The relationship between preaching and the public sphere has long been debated Three different theological approaches tend to dominate the discussion In different ways these approaches take into account the movement from the modern mindset of the mid to late 20th century to the emerging postmodern worldview In The Sermon without End authors Allen Allen thoughtfully offer a fourth option one that in their

view has not received much attention but which offers a distinct and especially helpful perspective It is a new and dynamic conversational model reaching beyond the earlier work of Tillich and Tracy In this homiletical framework conversation takes place in multiple directions between the text or tradition and the world today It is preaching in conversation not just toward but with voices from the public sphere The book provides a solid foundation for understanding this post apologetic approach but it importantly goes on to offer practical real pulpit guidance for implementation in a preaching ministry It is a book for both scholars and practicing preachers who wish to reach people in meaningful and significant ways and in ways that make sense for today This book deserves to be widely applauded It provides a post apologetic lens to illuminate the history of various modern homiletical discourses even as it envisions a postmodern one I strongly recommend this book for homileticians preachers and lay people alike Duse Lee Boston University School of Theology Reviewed in Homiletic

Reformed Sacramentality Graham Hughes,2017 In *Reformed Sacramentality* the late Graham Hughes discusses the role of physicality in worship He contends that to counter the Reformed tradition s vulnerability to a cultural colonization by secular modernity Reformed theology needs to amplify its appreciation for God s omnipresence in creation with a re appropriation of the condensed symbols of faith Hughes s argument builds on a historical analysis of the Reformed tradition s rejection of material sacramentality and its ecclesial and cultural consequences From a late modern vantage point Hughes advocates for a rediscovery of material sacramentality both as a lever against modern solipsism and as an iconic reminder of God s radical otherness

Ordained Ministry in Free Church Perspective Jan Martijn Abrahamse,2020-10-12 In *Ordained Ministry in Free Church Perspective* Jan Martijn Abrahamse presents a constructive theology of ordained ministry by returning to the life and thought of the English Separatist Robert Browne c 1550 1633 This study makes a substantial contribution not only by solving one of the most thorny problems in congregational ecclesiology but also by recovering the legacy of this ecclesial pioneer Through an in depth analysis of Browne s literature the author provides a covenantal theology of ordained ministry in conversation with present day authors Stanley Hauerwas and Kevin Vanhoozer Inspired by the emerging trend of theology of retrieval Abrahamse offers a methodologically innovative way of doing systematic theology in a manner in which voices from the past can be made fruitful for today

Sermons Preached in Christ Church, Brighton

How Odd of God William H. Willimon,2015-10-09 Election is a strange word when used in theology It brings to mind old debates about what God might or might not have done before the foundation of the world But viewed apart from that historical baggage the word election is about a central gospel idea that in Jesus not only does God choose to be God for us but chooses us to be for God The calling of the disciples in the gospels is a story of election of how God chooses to transform the world by choosing us to be messengers and agents of that transformation So it is says William Willimon that election becomes not just the content of

our preaching but the means as well God chooses preachers How unlikely how odd is it that God should entrust the proclamation of the gospel to well us This unpredictable electing God reaches out to save the world and then leaves it in the hands of preachers to get the word out Through us through our stammering tongues and faltering hearts the preached word becomes the Word of God If you wonder why you drag yourself into the pulpit every Sunday if you worry that your sermons aren't reaching past the front pew then read this book and be encouraged God chooses God chooses preachers God chooses you
