T.P.'s Weekly Thomas Power O'Connor, Holbrook Jackson, 1905 *The English Catalogue of Books ...: 1801-1836. Ed. and comp. by R.A. Peddie and Q. Waddington. 1914 ,1910* **The English Catalogue of Books [annual].** ,1910 Vols 1898 include a directory of publishers The Desperate Remedy/The Conscience of the King Martin Stephen, 2009-09-10 For hundreds of years historians have argued not only the truth of the Gunpowder Plot but whether an obscure resident of Stratford upon Avon could have written the plays accredited to William Shakespeare In these two highly acclaimed historical crime thrillers Martin Stephen combines a top academic's grasp of history with a storyteller's ability to create huge suspense all this set against a vividly realised background of an England poised between the medieval and modern age Stephen's books are not just top class crime adventures but provide an enthralling vision of history Nominated for a Golden Dagger award this is thriller writing at its best **The English Catalogue of Books [annual].** Sampson Low, 1910 Vols 1898 include a directory of publishers *The Water Babies* Charles Kingsley, 1994 The adventures of Tom a sooty little chimney sweep with a great longing to be clean who is stolen by fairies and turned into a water baby **J. Gresham Machen** Ned B. Stonehouse, Machen's place within the history of our times and especially of the twenties and thirties has been so conspicuous that his life will continue to be of interest so long as men reflect upon the religious and ecclesiastical developments of the first half of the twentieth century Even writers whose viewpoints were antithetical to his own including the caustic sceptic H L Mencken the idealistic but agnostic Pearl Buck and the penetrating Unitarian Albert C Dieffenbach acknowledged that he towered above his contemporaries in strength of character and fidelity to principle There were also those who could mark the deeper channel of his life such as Caspar Wistar Hodge his colleague and friend at Princeton who characterized him at the time of his death as the greatest theologian in the English speaking world and the greatest leader of the whole cause of evangelical Christianity Machen will continue to attract attention however not only because of his place in the history of recent decades For by his deeds and words he set in motion spiritual forces which have not spent their strength And if as one observer who is to speak forth in these pages said he was a saint of God who loves truth seeks truth finds truth and upholds truth against all adversaries however mighty his witness cannot perish As a testimony to the truth it may still serve to arouse the consciences of men of this day and may break forth with fresh intensity and power in the future
