

Advance Praise for

THRILLVILLE USA

"Koekkoek treats the reader to moving, sometimes painful tales of calamity and waywardness in perfectly tuned, gaspingly funny prose that is itself a joy and consolation. *Thrillville* is a wondrous debut."

—*Wells Tower*, author of
Everything Ravaged, Everything Burned

"Desperate situations, mordant humor, and a wonderfully skewed stance introduce characters who are blessedly without self-pity. A distinctive new voice that avoids the predictable, and takes a reader somewhere so much better."

—*Amy Hempel*

"This is maybe forbidden in blurb-speak but let me address the question on your mind: yes, absolutely, Taylor Koekkoek's stories are fun to read. Pure fun. Also, beautiful. Are they also Western, teased by that old dream and its torments? And is this our new Oregon Trail, winding up in *Thrillville, USA*? That, I can't say. While the lives of Taylor K's characters may be scrappy and improvised, the stories they inhabit are absolutely worked until the art is done saying all that it sees. This isn't a world that holds still for quiet epiphanies, but the strange and brilliant images we encounter along the way remain in the mind's eye for days, burning as miracles burn, not for heat but illumination."

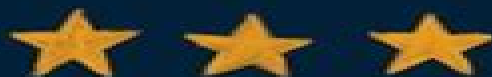

—*Charles D'Ambrosio*,
author of *The Dead Fish Museum* and *Loitering*
