Rewriting the Victorians Andrea Kirchknopf, 2013-05-28 The 19th century has become especially relevant for the present as one can see from for example large scale adaptations of written works as well as the explosion of commodities and even interactive theme parks This book is an introduction to the novelistic refashionings that have come after the Victorian age with a special focus on revisions of Charlotte Bronte's *Jane Eyre* and Charles Dickens's *Great Expectations* As post Victorian research is still in the making the first part is devoted to clarifying terminology and interpretive contexts Two major frameworks for reading post Victorian fiction are developed the literary scene authors readers critics and the national identity political and social aspects Among the works examined are Caryl Phillips's *Cambridge* Matthew Kneale's *English Passengers* Peter Carey's *Oscar and Lucinda* and Jack Maggs Lloyd Jones's *Mister Pip* Jean Rhys's *Wide Sargasso Sea* D M Thomas's *Charlotte and Jasper Fforde's The Eyre Affair*

Deviance in Neo-Victorian Culture Saverio Tomaiuolo, 2018-10-03 This book argues that deviance represents a central issue in neo Victorian culture and that the very concept of neo Victorianism is based upon the idea of diverging from accepted notions regarding the nineteenth century frame of mind However the study of the ways in which the Victorian age has been revised by contemporary authors does not only entail analogies with the present but proves by introducing what is perhaps a more pertinent description of the nineteenth century that it was much more deviant than it is usually depicted and perceived Deviance in Neo Victorian Culture Canon Transgression Innovation explores a wide variety of textual forms from novels to TV series from movies and graphic novels to visual art The scholarly and educational purpose of this study is to

stimulate readers to approach neo Victorianism as a complex cultural phenomenon *Neo-Victorian Cannibalism* Tammy Lai-Ming Ho, 2019-02-04 This Pivot examines a body of contemporary neo Victorian novels whose uneasy relationship with the past can be theorised in terms of aggressive eating including cannibalism Not only is the imagery of eating repeatedly used by critics to comprehend neo Victorian literature the theme of cannibalism itself also appears overtly or implicitly in a number of the novels and their Victorian prototypes thereby mirroring the cannibalistic relationship between the contemporary and the Victorian Tammy Lai Ming Ho argues that aggressive eating or cannibalism can be seen as a pathological and defining characteristic of neo Victorian fiction demonstrating how cannibalism provides a framework for understanding the genre's origin its conflicted ambivalent and violent relationship with its Victorian predecessors and the grotesque and gothic effects that it generates in its fiction **Functions of Victorian Culture at the Present Time**

Christine L. Krueger, 2002 Annotation The echoes of Victorian literature and culture impact contemporary practices and values according to Krueger English Marquette U She presents 11 essays that address such issues as the problematics of temporality in the historiography of Victorian times the reproduction of Victorian material culture for contemporary consumers the use of Victorian cultural identities in fashioning today's identities and the persistence of Victorian methods of legal and social discipline Annotation c 2003 Book News Inc Portland OR booknews.com **Neo-Victorian Families**

Christian Gutleben, 2011 Tracing representations of re imagined Victorian families in literature film and television and social discourse this collection the second volume in Rodopi's Neo Victorian Series analyses the historical trajectory of persistent but increasingly contested cultural myths that coalesce around the heterosexual couple and nuclear family as the supposed normative foundation of communities and nations past and present It sheds new light on the significance of families as a source of fluctuating cultural capital deployed in diverse arenas from political debates social policy and identity politics to equal rights activism and analyses how residual as well as emergent ideologies of family are mediated and critiqued by contemporary arts and popular culture This volume will be of interest to researchers and students of neo Victorian studies as well as scholars in contemporary literature and film studies cultural studies and the history of the family Situating the nineteenth century family both as a site of debilitating trauma and the means of ethical resistance against multivalent forms of oppression neo Victorian texts display a fascinating proliferation of alternative family models albeit overshadowed by the apparent recalcitrance of familial ideologies to the same historical changes neo Victorianism reflects and seeks to promote within the cultural imaginary **Dark Victorians** Vanessa D. Dickerson, 2010-10-01 Dark Victorians illuminates the cross

cultural influences between white Britons and black Americans during the Victorian age In carefully analyzing literature and travel narratives by Ida B Wells Harriet Martineau Charles Dickens Frederick Douglass Thomas Carlyle W E B Du Bois and others Vanessa D Dickerson reveals the profound political racial and rhetorical exchanges between the groups From the nineteenth century black nationalist David Walker who urged emigrating African Americans to turn to England to the

twentieth century writer Maya Angelou who recalls how those she knew in her childhood aspired to Victorian ideas of conduct black Americans have consistently embraced Victorian England At a time when scholars of black studies are exploring the relations between diasporic blacks and postcolonialists are taking imperialism to task Dickerson considers how Britons negotiated their support of African Americans with the controlling policies they used to govern a growing empire of often dark skinned peoples and how philanthropic and abolitionist Victorian discourses influenced black identity prejudice and racism in America

Neo-Victorian Cities, 2015-02-04 This volume explores the complex aesthetic cultural and memory politics of urban representation and reconfiguration in neo Victorian discourse and practice Through adaptations of traditional city tropes such as the palimpsest the labyrinth the femininised enigma and the marketplace of desire writers filmmakers and city planners resurrect preserve and rework nineteenth century metropolises and their material traces while simultaneously Gothicising and fabricating past urban realities to serve present day wants so as to maximise cities potential to generate consumption and profits Within the cultural imaginary of the metropolis this volume contends the nineteenth century provides a prominent focalising lens that mediates our apperception of and engagement with postmodern cityscapes From the site of capitalist romance and traumatic lieux de m moire to theatre of postcolonial resistance and Gothic sensationalism the neo Victorian city proves a veritable Proteus evoking myriad creative responses but also crystallising persistent ethical dilemmas surrounding alienation precarity Othering and social exclusion

Literature and the Politics of Post-Victorian Decadence Kristin Mahoney, 2015-06-09 In Literature and the Politics of Post Victorian Decadence Kristin Mahoney argues that the early twentieth century was a period in which the specters of the fin de si cle exercised a remarkable draw on the modern cultural imagination and troubled emergent avant gardistes These authors and artists refused to assimilate to the aesthetic and political ethos of the era representing themselves instead as time travellers from the previous century for whom twentieth century modernity was both baffling and disappointing However they did not turn entirely from the modern moment but rather relied on decadent strategies to participate in conversations concerning the most highly vexed issues of the period including war the rise of the Labour Party the question of women s sexual freedom and changing conceptions of sexual and gender identities

Women's Literary Portraits in the Victorian and Neo-Victorian Novel Aleksandra Tryniecka, 2023-01-10 Women s Literary Portraits in the Victorian and Neo Victorian Novel

is a dialogical and intertextual journey through the pages of nineteenth century novels and their modern revisionary counterparts. It is the book not only dedicated to the readers associated with academia but also to all literature enthusiasts, students of literature and those readers who are fascinated by the Victorian novel as well as by its current neo Victorian revival. The focus of this work revolves around the literary portrayals of Victorian and neo Victorian women who, as the authoress believes, are located in the centre of socio cultural and historical narratives shaping both the past and the present. Nineteenth century narratives concerning women's placement and status in the Victorian social landscape are currently revived on the pages of neo Victorian novels, thus attesting to the unceasing interest in the bygone. While neo Victorian revisionary fiction endows nineteenth century women with a redemptive potential, it also exposes modern paradoxes and ambiguities connected with universal expectations towards women, what further approximates our contemporaneity to the Victorian past. While examining these socio cultural ambivalences, the authoress celebrates Victorian and neo Victorian women characters in their attempts to thrive as individuals. Consequently, the book studies Victorian and neo Victorian women characters in relation to their identities, unique voices and textual garments.

Neo-Victorian Madness Sarah E. Maier, Brenda Ayres, 2020-06-01. Neo Victorian Madness: Rediagnosing Nineteenth Century Mental Illness in Literature and Other Media investigates contemporary fiction, cinema and television shows set in the Victorian period that depict mad murderers, lunatic doctors, social dis-ease and madhouses as if many Victorians were mad. Such portraits demand a rediagnosing of mental illness that was often reduced to only female hysteria or a general malaise in nineteenth century renditions. This collection of essays explores questions of neo Victorian representations of moral insanity, mental illness, disturbed psyches or non normative imaginings, as well as considers the important issues of legal righteousness, social responsibility or methods of restraint and corrupt incarcerations. The chapters investigate the self-conscious revisions, legacies and lessons of nineteenth century discourses of madness and of those persons presumed mad, rediagnosed by present day neo Victorian representations informed by post nineteenth century psychological insights.

History and Cultural Memory in Neo-Victorian Fiction Kate Mitchell, 2010-07-16. A PDF version of this book is available for free in open access via the OAPEN Library platform www.oapen.org. Arguing that neo Victorian fiction enacts and celebrates cultural memory, this book uses memory discourse to position these novels as dynamic participants in the contemporary historical imaginary.

Victorian Vogue Dianne F. Sadoff, 2010. Ranging from cinematic images of Jane Austen's estates to Oscar Wilde's drawing rooms, Dianne F. Sadoff looks at popular heritage films often featuring Hollywood stars that have been adapted from nineteenth century novels. Victorian Vogue argues that heritage films perform different cultural functions at key historical moments in the twentieth century. According to Sadoff, they are characterized by a double historical consciousness: one that is as attentive to the concerns of the time of production as to those of the Victorian period. If James Whale's *Frankenstein* and Tod Browning's *Dracula* exploited post-Depression fear in the 1930s, the horror films of the 1950s

used the genre to explore homosexual panic 1970s movies elaborated the sexuality only hinted at in the thirties and films of the 1990s indulged the pleasures of consumption Taking a broad view of the relationships among film literature and current events Sadoff contrasts films not merely with their nineteenth century source novels but with crucial historical moments in the twentieth century showing their cultural use in interpreting the present not just the past *Haunting and Spectrality in Neo-Victorian Fiction* R. Arias,P. Pulham,2009-11-27 Exploring the pervasive presence of the Victorian past in contemporary culture these essays use the trope of haunting and spectrality as a critical tool with which to consider neo Victorian works as well as our ongoing fascination with the Victorians combining original readings of well known novels with engaging analyses of lesser known works *Neo-Victorianism* Ann Heilmann,Mark Llewellyn,2010-07-28 This field defining book offers an interpretation of the recent figurations of neo Victorianism published over the last ten years Using a range of critical and cultural viewpoints it highlights the problematic nature of this new genre and its relationship to re interpretative critical perspectives on the nineteenth century
