Things To Come A Study In Biblical Eschatology:

Things to Come J. Dwight Pentecost, 2010-05-11 A comprehensive and accessible study of eschatology for anyone interested in the important subject of biblical prophecy The Bible and its revelation about Jesus Christ's return is the one source of hope and confidence for the future in these dark days Approximately one fourth of the Bible was prophetic at the time it was written meaning that a greater body of Scripture is devoted to the unfolding of God's plan than any other one subject God the architect of the ages has seen fit to take us into His confidence concerning His great design But until Things To Come was published the treatment of biblical prophecy had been mainly either apologetic or expository with prophetic themes being developed individually apart from their relation to the whole revealed prophetic program This methodology produces fragmentary and unrelated knowledge of the subject In this monumental classic Dr Dwight Pentecost has synthesized the whole field of prophecy into a unified biblical doctrine a systematic and complete biblical eschatology He deftly handles many controversial topics including a detailed presentation of premillennial eschatology With nearly a quarter of a million copies sold Things to Come has earned its place in the library of the pastor the scholar and the seminarian or Bible institute student **Things to Come**, 2019 *Things to Come* J. Dwight Pentecost, 1973 **A Testimony of Jesus Christ - Volume 1** Anthony Charles Garland, 2007 A Commentary on the Book of Revelation Volume 2 The author presents a detailed study of the Book of Revelation emphasizing prophetic themes from the rest of the Bible which find their fulfillment in Revelation To understand this controversial book the author explores the many connections between the visions seen by the Apostle John and previous prophetic revelation given to Old Testament prophets such as Daniel Ezekiel and others It is the author's conviction that an understanding of related passages elsewhere in the Bible is the most important key to unlocking the bewildering variety of interpretations which often accompany the study of the last book of the Bible The commentary is linked to a free companion internet course providing an additional 70 hours of audio instruction linked to almost 1 000 slides **The Day of the Lord, the Key to Understanding End-Time Prophecy** Allen M. Barber, 2011-07 Have modern Christians been enlightened or misled Left behind has been a catch phrase in American church culture for more than a decade but pretribulation beliefs were virtually unheard of before the eighteenth century Many modern day believers await the return of the Lord to rapture the Church before a turbulent tribulation period expecting unbelievers to be left behind to suffer the horrors of this seven year period This popular belief is promoted from many evangelical pulpits and popularized by books and movies but does it really line up with the Bible Dr Barber provides a careful examination of Scripture and a critical analysis of the biblical commentaries that form the basis of the pretribulation rapture belief Once a pretribulationist himself he found that his in depth study of the Bible quickly revealed the errors of this position With spiritual biblical and intellectual insight The Day of the Lord The Key to Understanding End Time Prophecy challenges the very foundation of pretribulation theology Dr Barber stresses the importance of sola scriptura as he guides readers through

his compelling and convincing argument for a clearer understanding of end times prophecy *The Last Days of Dispensationalism* Alistair W. Donaldson, 2010-10-28 This volume deals with the varied forms of shame reflected in biblical theological psychological and anthropological sources Although traditional theology and church practice concentrate on providing forgiveness for shameful behavior recent scholarship has discovered the crucial relevance of social shame evoked by mental status adversity slavery abuse illness grief and defeat Anthropologists sociologists and psychologists have discovered that unresolved social shame is related to racial and social prejudice to bullying crime genocide narcissism post traumatic stress and other forms of toxic behavior Eleven leaders in this research participated in a conference on The Shame Factor sponsored by St Mark s United Methodist Church in Lincoln NE in October 2010 Their essays explore the impact and the transformation of shame in a variety of arenas comprising in this volume a unique and innovative resource for contemporary religion therapy ethics and social analysis Systematic Theology, Volume 2, Second Edition James Leo Garrett, 2014-09-14 Rivals the major systematic theologies of this century Baptist History and Heritage Journal July 1996 One of the characteristics of Garrett s system that needs especially to be noted is its balanced judicious and nearly invariably objective presentation of materials While holding true to the teachings of his own Baptist faith Garrett so carefully and judiciously presents alternatives that teachers and students from other confessional and denominational positions will find his work instructive Consensus 1997 If one is searching for an extensive exposition of the biblical foundations and historical developments of the various loci of systematic theology there is no more complete presentation in a relatively short work than this Pastors will especially find this feature to be a real help in teaching theology It is an indispensable contribution to the task of systematic theology Journal of the Evangelical Theological Society September 1999 Many students and pastors will find all they need here and will in addition be helped to relate their knowledge to recent developments in the theological world The Churchman A Journal of Anglican Theology 1991 A gold mine of helpful material The Christian Century May 29 June 5 1991 No book that I know is more loaded with biblical and theological facts than this one The prodigious research that must have gone into the preparation of this volume is truly mind boggling Faith and Mission Fall 1991 Garrett has provided a massive and scholarly systematic theology from a thoroughly conservative and comprehensive viewpoint The work is well documented in both biblical and historical scholarship and will prove to be a classic William Hendrickson Southern Baptist Theological Seminary One of the most comprehensive concise books of its type available it should receive wide use in the classroom and in the study Robert H Culpepper Southern Baptist Theological Seminary *A Testimony of Jesus Christ - Volume 2* Anthony Charles Garland, 2007 A Commentary on the Book of Revelation Volume 2 The author presents a detailed study of the Book of Revelation emphasizing prophetic themes from the rest of the Bible which find their fulfillment in Revelation To understand this controversial book the author explores the many connections between the visions seen by the Apostle John and previous prophetic revelation given to Old Testament prophets such as Daniel Ezekiel and others It is the

author's conviction that an understanding of related passages elsewhere in the Bible is the most important key to unlocking the bewildering variety of interpretations which often accompany the study of the last book of the Bible. The commentary can be used in conjunction with a free companion internet course providing an additional 70 hours of audio instruction linked to almost 1 000 slides. *What Happens Next* Max Lucado, 2024-08-13 Be Prepared Not Scared Are we living in the end times? If so, what does that mean for you? In contrast to the confusion and anxiety that often comes with this topic, Max Lucado believes God wants us to be prepared, not scared, informed, not intimidated. He writes, "The future is not frightening if you know the future. And you can know the future when you know who holds it." *What Happens Next* is an optimistic, accessible, and nonsensational guide to what the Bible says about heaven's time line that will empower you to face the future with faith. Max takes you on a well-researched overview of what God's Word says, exploring the following four big ideas that provide a solid foundation for understanding God's eternal plan: We were made to reign with Christ; God has made and will keep his promises; Heaven has a time line: A golden era, the millennium awaits God's children. Plus, Max takes you on a journey of the time line of history, examining essential milestones such as the rapture, the seven years of tribulation, and the glory of heaven. Whether you find yourself in the "I can't wait," "I'm almost ready," or "I'm not sure about all of this" camp, you will be encouraged to ponder God's promises for the future. In Max's signature encouraging style, he reminds us, "It's all about hope. It's all about him."

Daddy's Girls Sue Edwards, This eight-week daily study of the Scriptures looks at the nature of a woman's relationship with God and His role as her perfect Father. Includes a leader's guide in the back.
