Thinking In Pictures The Making Of The Movie Matewan:

Thinking In Pictures John Sayles, 2003-07-03 What choices creative practical and technical make a movie what it is Here a gifted writer and filmmaker takes us behind the camera and provides a full description of the movie making process When John Sayles turned from writing fiction to making movies he did so with little help from Hollywood Return of the Secaucus Seven Sayles s first movie as director and writer was produced with 60 000 of his own money Many films later he still works outside the studio system and guides every phase of his productions Now Sayles has written an illuminating book about the complex choices that lie at the heart of every movie Using the making of his film Matewan as an example he offers chapters on screenwriting directing editing sound and more Photographs sketches and the complete shooting script illustrate this engaging account of how Sayles s curiosity about a coal miners strike in the town of Matewan West Virginia became a screenplay and then a movie

John Sayles, Filmmaker Jack Ryan, 2014-01-10 In 1980 art house audience word of mouth about an unusual new movie Return of the Secaucus Seven launched the career of director John Sayles and with him the era of the independent filmmaker Sayles has remained a maverick writing directing editing and even acting in his own films This fully updated revision of the author s 1998 first edition chronicles Sayles entire career including the story of his inauspicious beginning as a second string actor and his work in fiction theatre music videos and television A chapter is devoted to each of Sayles feature films offering background material on production funding a plot sketch an analysis of important characters and a look at the language setting and politics Each chapter also traces Sayles technical development his camera work editing musical arrangement and mise en scene The book includes a complete filmography and a bibliography

Contemporary American Independent Film Chris Holmlund, Justin Wyatt, 2005 From Easy Rider to The Blair Witch Project this book is a comprehensive examination of the independent film scene Exploring the uneasy relationship between independent films and the major studios the contributors trace the changing ideas and definitions of independent cinema and the diversity of independent film practices They consider the ways in which indie films are marketed and distributed and how new technologies such as video cable and the internet offered new opportunities for filmmakers to produce and market independent films Turning to the work of key auteurs such as John Sayles and Haile Gerima contributors ask whether independent filmmakers can also be stars and consider how indie features like Boys Don t Cry and Shopping for Fangs address issues of gender sexuality and ethnicity normally avoided by Hollywood For all students of film studies and American studies this cultural journey through independent film history will be an absolute must read

Cutting Rhythms Karen Pearlman, 2012-08-21 How does a film editor make decisions about where and when to cut in order to make a film feel right Generally speaking the answer is it s intuitive which is accurate but leaves one wanting to know more Cutting Rhythms breaks down the definition of intuition to find that even if rhythmic thinking is intuitive thinking we can still say more than we just know This book offers possibilities rather than prescriptions It presents questions an editor or filmmaker can ask

themselves about their work and a clear and useful vocabulary for working with those questions Cutting Rhythms makes ideas about rhythm in film editing clear and accessible so that you can do more than just imitate editing you've seen on TV With this book you'll develop your own sense of rhythm refine our rhythmic shaping skills and increase your creativity and in so doing become a better filmmaker

Reel History Robert Brent Toplin, 2002 The author makes an argument for clemency in judging Hollywood's interpretations of history and thoroughly investigates its serious limitations and opportunities to construe history

Springsteen as Soundtrack Caroline Madden, 2020-02-12 A catalog nearly fifty years in the making Bruce Springsteen's music remains popular and a frequent subject of study yet little critical attention has been given to its inclusion in film and television This book examines a selection of films and TV shows from the 1980s to the present including Mask High Fidelity The Sopranos and The Wrestler that feature Springsteen's music on the soundtrack Relating his thematic preoccupations with religion the Vietnam War the promise of the open road economic disparity and blue collar malaise his songs color narrative and articulate the inner lives of characters This book explores the many on screen contexts of Springsteen's work from Greetings from Asbury Park N J to Springsteen on Broadway

Rebels and Renegades Neil A. Hamilton, 2002-10-11 Rebels and Renegades examines 350 years of history through the eyes of the uncompromising Presented in nine clearly written chronological chapters this comprehensive reference covers the major events and personalities in the history of extremism in the U S Besides chronicling the event itself entries ranging from 500 to 1000 words include background information and historic effects In addition to the chronology sidebars highlight historical biographical cultural and ethical aspects of the story tying the past to the present Topics include the influence of radical idea on the mainstream the role of violence in radicalism and the evolving relationship between radicals and the media An extensive appendix of excerpts transcripts and full source documents round out the work To see the Introduction a list of detailed contents a generous selection of sample pages and more visit the Rebels and Renegades website

[More Than a Method](#) Cynthia Baron, Diane Carson, Frank P. Tomasulo, 2004 Insightful focused case studies of screen performance from diverse directors with a range of contemporary styles and approaches

Screening the Past Tony Barta, 1998-08-20 Film and television have been accepted as having a pervasive influence on how people understand the world An important aspect of this is the relationship of history and film The different views of the past created by film television and video are only now attracting closer attention from historians cultural critics and filmmakers This volume seeks to advance the critical exploration scholars have recently begun Barta begins by addressing the various ways the past is screened for our understanding and relates the art of film to other media The essays that follow deal primarily with the changing perspectives of political and social developments and changing concepts of ideology gender or culture in films and television programs made for historically shaped reasons Chapters by filmmakers explore issues of context and intent in their own projects Scholars and general readers interested in film and cultural studies will find this an important volume

Inspired by True

Events Robert J.
