Richards,2013-10-08 A comprehensive guide to modern cartridge reloading Cartridge Reloading in the Twenty First Century provides detailed information about getting started in reloading selecting the basic tools needed and choosing your components as well as step by step instructions for reloading rifle and handgun cartridges and how to test your loads at the range The text is supplemented by more than one hundred detailed photographs that illustrate the various types of reloading equipment available and provide guidance in performing the actions that result in a handloaded cartridge Cartridge Reloading in the Twenty First Century covers many common problems the handloader may experience provides unique information about reloading the 50 caliber BMG and highlights the changes between reloading in the twenty first century and reloading in the mid twentieth century Not only for beginners Cartridge Reloading in the Twenty First Century offers advanced reloading information that describes special reloading tools as well as techniques for improving the accuracy of your handloads The content of Cartridge Reloading in the Twenty First Century will appeal to both someone considering reloading rifle or handgun cartridges as well as a person who already has acquired some experience in cartridge reloading **Gun digest** Ken Warner,1975 **A Field Guide to Ghost Guns** Robert E. Walker,2021-12-16 While it has always been legal for a citizen in the United States to manufacture their own firearm the sale and distribution of such items is illegal under current U S law The primary impediment to individuals making their own weapons has been access to the tooling and machinery required to convert raw materials into finished parts for assembly However in the last fifteen years this paradigm has changed drastically Home builders and companies have emerged to support individuals who choose to produce their own firearm Kits with receivers and gun components are available for hobbyists as are 3 D printable gun designs downloadable from the Internet in some cases This phenomenon has led to the term ghost guns firearms whose existence is not reported to any third party and therefore whose existence is unknown and largely untraceable A Field Guide to Ghost Guns For Police and Forensic Investigators provides a useful brief for field investigators on the technical aspects of the self made firearm so called ghost guns The first book to focus on the emergent issue of ghost guns coverage addresses the history of firearms making and manufacture in the U S including regulated and nonregulated manufacturing details firearm components and accessories how to assemble a Firearm an overview of common Types of ghost guns and investigative considerations Though there have been increased calls to regulate guns in the wake of numerous mass shootings the proliferation of ghost guns and their increasing use in crimes would likely require additional laws and regulatory measures Since there are few knowledgeable firearm practitioners in the field who can render qualified opinions on the subject author Robb Walker has taken a practical pragmatic approach to the topic The book defines terminology provides photographs and explains the concepts surrounding homemade firearm in clear easy to

understand terms Key Features Addresses the technology and technical aspects in creating assembling and or modifying homemade firearms both printable and assembled from pre fabricated components Discusses the rationale and motivations behind making one s own firearm Outlines what is currently legal and illegal under U S law providing indicators for investigators for illegally configured firearms A Field Guide to Ghost Guns addresses the pressing need for a practical reference on the topic The book provides police investigators and forensic ballistics experts a useful aid to understand legal aspects and to identify ghost guns and the paraphernalia tooling and machinery and otherwise indicative of gun making in a non formal factory setting *Gun Digest* Arms & Armour Press,1980 **The Thompson/Center Contender Pistol** Charles Stephens,1996-07-01 The Contender fills a specific need in the firearms industry it is inexpensive simple versatile and very accurate This easy to follow guide contains precise instructions for tuning timing loading and shooting as well as ordering information for parts and accessories *Field & Stream* ,1980-11 FIELD STREAM America s largest outdoor sports magazine celebrates the outdoor experience with great stories compelling photography and sound advice while honoring the traditions hunters and fishermen have passed down for generations *Gun Digest*, 1984 Books Inc Dbi,1983-07 **Guns and Shooting, 1986** Jim Carmichel,1986
