Three Approaches To Biblical Metaphor Three Approaches To Biblical Metaphor:

Three Approaches to Biblical Metaphor Mordechai Z. Cohen, 2021-10-01 This volume explores how the poetic technique of biblical metaphor was analyzed within the Jewish exegetical tradition that developed in Muslim Spain during the Golden Age of Hebrew poetry and was then transplanted to a Christian milieu Abraham Ibn Ezra and Maimonides applied concepts from Arabic poetics hermeneutics and logic to define metaphor and interpret it within their philological literary readings of Scripture David Kimhi integrated their methodologies with the midrashic creativity and sensitivity to nuance typical of his native Provence to create a new literary interpretive system that highlights the expressiveness of metaphor This study is important for readers interested in metaphor the Bible as literature the history of biblical interpretation and the inter relation between Arabic and Hebrew learning **Three Approaches to Biblical Metaphor** Mordechai Z.

Jindo, 2018-07-17 How do we understand the characteristically extensive presence of imagery in biblical prophecy Poetic metaphor in prophetic writings has commonly been understood solely as an artistic flourish intended to create certain rhetorical effects It thus appears expendable and unrelated to the core content of the composition however engaging it may be aesthetically or otherwise Job Jindo invites us to reconsider this convention Applying recent studies in cognitive science he explores how we can view metaphor as the very essence of poetic prophecy namely metaphor as an indispensable mode to communicate prophetic insight Through a cognitive reading of Jeremiah 1 24 Jindo amply demonstrates the advantage and heuristic ramifications of this approach in biblical studies *Biblical Approaches to Pastoral Counseling* Donald

Capps, 2003-01-17 What role should the Bible play in pastoral counseling Donald Capps here explores the use of the Bible in counseling and shows how the methods and objectives of counseling can be defined and shaped by three biblical forms psalms proverbs and parables Applying these forms Capps demonstrates how the Bible can influence the three major types of pastoral counseling grief premarital and marriage He examines the capacity of these forms to comfort to instruct and to diagnose problems He explains how through psalms feelings can be vented through proverbs moral learning can take place and through parables new understandings of experience can occur With actual case study examples and practical suggestions this refreshingly perceptive book offers positive steps for furthering dialogue between biblical scholarship and pastoral counseling *Knowledge of God and the Development of Early Kabbalah* Jonathan Dauber, 2012-08-01 In

Knowledge of God and the Development of Early Kabbalah Jonathan Dauber offers a fresh consideration of the emergence and early development of Kabbalah against the backdrop of a re evaluation of the relationship between early Kabbalistic and philosophic discourse He argues that the first Kabbalists adopted a philosophic ethos that was foreign to traditional Rabbinic

Judaism but had taken root in Languedoc and Catalonia under the influence of newly available philosophical materials In this ethos the act of investigating God was accorded great religious significance and it was its adoption by the first Kabbalists that helped spur them to engage in their investigations of God and in so doing develop Kabbalah *Interpreting Scriptures in Judaism, Christianity and Islam* Mordechai Z.
