Treblinka Survivor The Life And Death Of Hershl Sperling:

Treblinka Survivor Mark S Smith, 2010-12-26 More than 800 000 people entered Treblinka and fewer than seventy came out Hershl Sperling was one of them He escaped Why then fifty years later did he jump to his death from a bridge in Scotland The answer lies in a long forgotten published account of the Treblinka death camp written by Hershl Sperling himself in the months after liberation and discovered in his briefcase after his suicide It is reproduced here for the first time In *Treblinka Survivor* Mark S Smith traces the life of a man who survived five concentration camps and what he had to do to achieve this Hershl s story which takes the reader through his childhood in a small Polish town to the bridge in faraway Scotland is testament to the lasting torment of those very few who survived the Nazis most efficient and gruesome death factory The author personally follows in his subject s footsteps from Klobuck to Treblinka to Glasgow *Irena's Children* Tilar J. Mazzeo, 2016-09-27 From the New York Times bestselling author of *The Widow Clicquot* comes an extraordinary and gripping account of Irena Sendler the female Oskar Schindler who took staggering risks to save 2 500 children from death and deportation in Nazi occupied Poland during World War II In 1942 one young social worker Irena Sendler was granted access to the Warsaw ghetto as a public health specialist While she was there she began to understand the fate that awaited the Jewish families who were unable to leave Soon she reached out to the trapped families going from door to door and asking them to trust her with their young children Driven to extreme measures and with the help of a network of local tradesmen ghetto residents and her star crossed lover in the Jewish resistance Irena ultimately smuggled thousands of children past the Nazis She made dangerous trips through the city s sewers hid children in coffins snuck them under overcoats at checkpoints and slipped them through secret passages in abandoned buildings But Irena did something even more astonishing at immense personal risk she kept a secret list buried in bottles under an old apple tree in a friend s back garden On it were the names and true identities of these Jewish children recorded so their families could find them after the war She could not know that more than ninety percent of their families would perish *Irena s Children* a fascinating narrative of the extraordinary moral and physical courage of those who chose to fight inhumanity with compassion Chaya Deitch author of *Here and There Leaving Hasidism Keeping My Family* is a truly heroic tale of survival resilience and redemption **New**

Microhistorical Approaches to an Integrated History of the Holocaust Frédéric Bonnesoeur, Hannah Wilson, Christin Zühlke, 2023-11-06 In 1997 Saul Friedländer emphasized the need for an integrated history of the Holocaust His suggestion to connect the policies of the perpetrators the attitudes of surrounding society and the world of the victims provides the inspiration for this volume Following in these footsteps this innovative study approaches Holocaust history through a combination of macro analysis with micro studies Featuring a range of contemporary research from emerging scholars in the field this peer reviewed volume provides detailed engagement with a variety of historical sources such as documents artifacts photos or text passages The contributors investigate particular aspects of sound materiality space and social perceptions to
