Weve Already Been There On Feminism And Its Opponents:

We've Already Been There Gizi Rapaport, 2017-09-13 What can and should a woman be This is the essential philosophical question at the heart of this book Feminist literature dealing with women in modern society focuses for the most part on that which disturbs and rankles it discusses the trees without relating to the forest This book attempts to fill that gap it cuts through to the first principles laying conceptual foundations for the demand to eliminate the traditional division of roles between the sexes freeing women from the onus of absolute altruistic morality which may result in emptiness boredom frustration and even emotional collapse However this book is directed at a male audience no less than at females raising questions which necessitate male consideration as well as a willingness to change fundamental perceptions Men may also profit from the past experiences of women the fate of women throughout history has lessons for men as well hence the title of this book with its implicit admonition We ve Already Been There Dr Gizi Rapaport taught philosophy of the social sciences and political philosophy at Tel Aviv University Her Hebrew publications include *Freedom or Equality* 1992 published in English in 2012 *On Feminism and its Opponents* 1993 *Beyond Limits Women vs Women* 1999 *For a Particular Secular Option From Monotheism to Rationality* 2005 and *The Best of All Possible Worlds Confronting the Challenges of Relativism* 2011 *Feminism and Social Change* Heidi Gottfried, 1996 Fresh original and brings together in one place a set of authors who are very important to the field Mary Margaret Fonow coeditor of *Beyond Methodology Feminist Scholarship as Lived Research* Finally a collection dedicated to demonstrating precisely what it means to do feminist research Madonna Harrington Meyer University of Illinois at Urbana Champaign How likely is feminist research to promote change in society Are some research methods more successful at bringing about change than others Contributors to this volume discuss principles of feminist inquiry providing examples from their own experience and evaluating research practices for their potential to promote social change The twelve chapters cover methodologies including ethnographic study in depth interviewing naming and going public Also explored are consultative relationships between academic researchers and activist organizations participatory and advocacy research processes and coalition building [Feminism and the Periodical Press, 1900-1918](#) Lucy Delap, Maria DiCenzo, Leila Ryan, 2006 The Edwardian period experienced a particularly vibrant periodical culture with phenomenal growth in the numbers of titles published that were either aimed specifically at women or else saw women as a key section of their readership or contributor group It was an era of political ferment in which a number of progressive traditions were formulated shaped or abandoned including socialism feminism modernism empire politics trade unionism and welfarism Organized around some of the central themes of political thought and utopian thinking this impressive collection gathers together classic articles from key periodicals The set presents a comprehensive sourcebook of readings on Edwardian Progressive era feminist thought exploring the intervention of the radical public intellectuals working in these traditions in North America and the UK from 1900 1918 [Feminism](#) Correa Moylan Walsh, 1917 [Woman's](#)
