What Is The Book Of Enoch:

The Book of Enoch Enoch,2022-10-23 The Book of Enoch is an ancient religious text traditionally ascribed to the Judeo-Christian prophet Enoch the ancestor of the biblical figure Noah Some scholars estimate that some parts of the book vary widely in age from several hundred years before Christ to the last parts in the century before the birth of Jesus This text is widely considered non canonical although it is accepted that it is a genuine attempt to record information as best the authors were able in the pre Christian era In the text Enoch is a figure who receives direct personal revelation from God He sees the magnificence of God and begins to preach to those around him against sin He warns that the sinners will be winnowed and that God himself will appear on Mount Sinai to judge the humans as well as the fallen angels on Earth Among the more controversial material within this text is the detailed account it gives of fallen angels on earth and their cursed offspring the Nephilim Azazel features heavily as the instigator of metal weapon production the use of cosmetics and advocate of widespread promiscuity and fornication In this book the figure of Enoch is charged with the knowledge of God s chosen and brutal punishment for the Nephilim their human mothers and their Angel fathers August Dillman s translation from the Ethiopian is part of his extensive work translating biblical era manuscripts and this particular version is augmented with his observations Latin excerpts and a stunning foreword by R H Charles One of the most important apocryphic works of the Second Temple Period is Enoch According to the biblical narrative Genesis 5 21 24 Enoch lived only 365 years far less than the other patriarchs in the period before the Flood Enoch walked with God then he was no more for God took him The original language of most of this work was in all likelihood Aramaic an early Semitic language Although the original version was lost in antiquity portions of a Greek translation were discovered in Egypt and quotations were known from the Church Fathers The discovery of the texts from Qumran Cave 4 has finally provided parts of the Aramaic original In the fragment exhibited here humankind is called on to observe how unchanging nature follows God s will The Book of Enoch is a pseudoepigraphal work a work that claims to be by a biblical character The Book of Enoch was not included in either the Hebrew or most Christian biblical canons but could have been considered a sacred text by the sectarians The original Aramaic version was lost until the Dead Sea fragments were discovered **The Book of Enoch Or I Enoch** Matthew Black,James C. VanderKam,1985 **The Book of Enoch** Enoch,2015-04-30 Genesis 5 24 And Enoch walked with God and he was not for God took him Hebrews 11 5 By faith Enoch was translated that he should not see death and was not found because God had translated him For before his translation he had this testimony that he pleased God Jude 1 14 And Enoch also the seventh from Adam prophesied of these saying Behold the Lord commeth with ten thousands of his Saints Jude 1 15 To execute judgement vpon all and to convince all that are vngodly among them of all their vngodly deeds which they haue vngodly committed and of all their heard speeches which vngodly sinners haue spoken against him The quote which Enoch makes in Jude 14 is found within the early portions of The Book of Enoch Therefore we may conclude that the disciples of

Jesus The Christ studied The Book of Enoch This is the most common explanation to how they were able to quote Enoch

The [Aethiopic] book of Enoch the prophet, tr. from the Germ. of A. G. Hoffmann and corrected by J. Baty
Enoch (the patriarch), 1839 The Illustrated Secrets of Enoch Enoch, 2014-12-27 One might ask why there is so much interest in this obscure little apocryphal book written under the assumed name Enoch If we look at the book of Luke where Jesus is describing for His disciples the time of His return in Luke 17:26 Just as it was in the days of Noah so will it be in the days of the Son of Man They were eating and drinking and marrying and being given in marriage until the day when Noah entered the ark and the flood came and destroyed them all We may want to know in greater detail just exactly what it was like during the time of Noah Reading the first chapter of the Book of Enoch we find Enoch a righteous man whose eyes were opened by God saw the vision of the Holy One in the heavens which the angels showed me and from them I heard everything and from them I understood as I saw but not for this generation but for a remote one which is for to come Concerning the elect I said and took up my parable concerning them The Holy Great One will come forth from His dwelling and the eternal God will tread upon the earth even on Mount Sinai and appear from His camp and appear in the strength of His might from the heaven of heavens So not only does Luke and Mathew for that matter tell us that Jesus return will come at time like the time of Noah and the flood but the Book of Enoch begins by telling us it is written not for those of Enoch's generation but for a generation in the distant future when the Holy Great One will tread upon the earth and He will appear in the strength of His might from the Heaven of Heavens From The reference in the Letter of Jude 1:15 quoting Enoch regarding the return of Jesus to the passages in Mathew and Luke regarding the time of Christ's return to be like the time of Noah and considering Enoch's claim to be written for the elect of the generation alive during the time of the Holy Great One's coming to Earth I believe the Book of Enoch deserves a serious read *The Book of the Secrets of Enoch* Robert Henry Charles, 1896

Commentary on the Book of Enoch John D. Ladd, 2008-06 Fifty years after James Bruce brought a copy of the Book of Enoch found in Ethiopia to England Richard Laurence made a first modern translation Later R H Charles made another translation using some Greek excerpts and more Ethiopian texts Then recently Michael A Knibb using many texts and partial texts put together an adequate translation Yet all of these translations are rough obscure and confusing to Christians of today The Dead Sea Scrolls contained many copies and partial copies of the Book of Enoch In the Dead Sea scrolls there were found 17 copies Comparitively there were 30 copies of Psalms 25 copies of Deuteronomy 19 of Isaiah 15 of Genesis and Exodus 14 Of Jubilees Jude validated The Book Of Enoch with his quote from it Using all of the sources now available along with an in depth study of book I have prepared this paraphrase translation Along with such I have included an commentary to help in its comparison with the Bible John D Ladd was raised the son of an Assemblies of God pastor He attended Northeast Bible College in Pennsylvania and later Malone College in Canton Ohio He pastored for many years was ordained in the Assemblies of God but later left to pastor independent churches Preferring teaching to preaching he has spent many years

studying reading books from the early church period and translating paraphrasing them for ease of use by Christians of today This book of Enoch s has been translated paraphrased and now is being given commentary to compare it with the Bible s message to test it by the Word of God How does it compare Is it in agreement with the message and prophetic teachings of the Bible

The Book of Enoch the Prophet Enoch,2015-09-11 The book of Enoch is one of the strangest of the books left out of the Biblical canon Filled with goetic angels and demons and visions of inconceivable lands beyond the sky The Book of Enoch the Prophet Translated by the late Richard Laurence Modern research sees in the Epistle of Jude a work of the second century but as orthodox theologians accept its contents as the inspired utterance of an Apostle let us diligently search the Hebrew Scriptures for this important forecast of the second Advent of the Messiah In vain we turn over the pages of the sacred Canon not even in the Apocrypha can we trace one line from the pen of the marvellous being to whom uninterrupted immortality is assigned by apostolic 1 interpretation of Genesis v 24 Were the prophecies of Enoch therefore accepted as a Divine revelation on that momentous day when Jesus explained the Scriptures after his resurrection to Jude and his apostolic brethren and have we moderns betrayed our trust by excluding an inspired record from the Bible Reverting to the second century of Christianity we find Iren us and Clement of Alexandria citing the Book of Enoch without questioning its sacred character Thus Iren us assigning to the Book of Enoch an authenticity analogous to that of Mosaic literature affirms that Enoch although a man filled the office of God s messenger to the angels Tertullian who flourished at the close of the first and at the beginning of the second century whilst admitting that the Scripture of Enoch is not received by some because it is not included in the Hebrew Canon speaks of the author as the most ancient prophet Enoch and of the book as the divinely inspired autograph of that immortal patriarch preserved by Noah in the ark or miraculously reproduced by him through the inspiration of the Holy Spirit Tertullian adds But as Enoch has spoken in the same scripture of the Lord and every scripture suitable for edification is divinely inspired let us reject nothing which belongs to us It may now seem to have been disavowed by the Jews like all other scripture which speaks of Christ a fact which should cause us no surprise as they were not to receive him even when personally addressed by himself These views Tertullian confirms by appealing to the testimony of the Apostle Jude The Book of Enoch was therefore as sacred as the Psalms or Isaiah in the eyes of the famous theologian on whom modern orthodoxy relies as the chief canonist of New Testament scripture Origen A D 254 in quoting Hebrew literature assigns to the Book of Enoch the same authority as to the Psalms In polemical discussion with Celsus he affirms that the work of the antediluvian patriarch was not accepted in the Churches as Divine and modern theologians have accordingly assumed that he rejected its inspiration but the extent to which he adopts its language and ideas discloses personal conviction that Enoch was one of the greatest of the prophets Thus in his treatise on the angels we read We are not to suppose that a special office has been assigned by mere accident to a particular angel as to Raphael the work of curing and healing to Gabriel the direction of wars to Michael the duty of hearing the prayers and supplications of men 2 From what source but assumed revelation could Origen obtain and publish these circumstantial details of ministerial administration in
