Woman In The Making Pantis Memoir:

Woman in the Making Rory O'Neill, 2014-10-16 Today as I walked through Dublin city centre I saw gay couples casually holding hands as they strolled and kissing each other goodbye at bus stops in the late spring sunshine and it seemed to me that all was changed changed utterly From the Prologue written three days after Ireland became the first country in the world to embrace marriage equality through popular vote *Woman in the Making* is the unforgettable story of how a little boy from a small Irish village in the west grew up to become Panti Bliss Queen of Ireland and voice of a brave new nation embracing equality all the colours of the rainbow and most of all a glamorous attitude [Being Gay in Ireland](#) Gerard Rodgers, 2018-06-20 In *Being Gay in Ireland Resisting Stigma in the Evolving Present* Gerard Rodgers argues that existing theory and research on the lives of gay men often exhibits a social weightlessness such that self beliefs are frequently decoupled from an analysis of society History and conventions inform and shape gay men s self beliefs yet psychology as a discipline rarely dialogues with historical or political scholarship Rodgers corrects this oversight with a critical analysis of the decades of socio political struggle in Ireland and elsewhere Rodgers captures the lives of gay men who are situated in varied contexts and who all despite their different situations possess self beliefs that are shaped by wider historical traditions and evolving social change Rodgers argues that the nuances and particulars of self beliefs are significantly affected by wider historical traditions and evolving social and political changes Through his reconstruction Rodgers provides practitioners of applied psychological and therapeutic disciplines with an in depth picture of how historical context and social justice successes have interacted with gay men s self beliefs with a particular focus on how prosocial resistances against prejudice have incrementally eroded historical standards of gay stigma [Queer Performance and Contemporary Ireland](#) Fintan Walsh, 2016-04-29 This book examines the surge of queer performance produced across Ireland since the first stirrings of the Celtic Tiger in the mid 1990s up to the passing of the Marriage Equality referendum in the Republic in 2015 [A History of Irish Autobiography](#) Liam Harte, 2018-03-01 *A History of Irish Autobiography* is the first ever critical survey of autobiographical self representation in Ireland from its recoverable beginnings to the twenty first century The book draws on a wealth of original scholarship by leading experts to provide an authoritative examination of autobiographical writing in the English and Irish languages Beginning with a comprehensive overview of autobiography theory and criticism in Ireland the History guides the reader through seventeen centuries of Irish achievement in autobiography a category that incorporates diverse literary forms from religious tracts and travelogues to letters diaries and online journals This ambitious book is rich in insight Chapters are structured around key subgenres themes texts and practitioners each featuring a guide to recommended further reading The volume s extensive coverage is complemented by a detailed chronology of Irish autobiography from the fifth century to the contemporary era the first of its kind to be published [If These Wigs Could Talk & Haunted](#) Tara Flynn, Panti Bliss, 2022-11-25 THISISPOPBABY The Abbey Theatre present *If These Wigs Could Talk* by

Panti Bliss If These Wigs Could Talk meets Panti a drag queen at fifty three after a lifetime of showbiz shenanigans and making a show of herself taking this moment to question what her purpose and place in the world is now Via salacious stories impassioned polemics some seriously funny soul searching and a few unvarnished truths Panti takes us from rural Mayo to London s glittering West End to the Ambassador s residence in Vienna where along the way the answer to the question presents itself when she least expects it Panti warmly invites you to learn from her mistakes laugh at her failures and revel in her triumphs Haunted by Tara Flynn What happens when you hit the floor and lose all of your marbles Ask Tara Flynn a fame adjacent actor turned advocate for the campaign to Repeal Ireland s Eighth Amendment The country voted Yes and the whirlwind of publicity and abuse came to an end and crashing to the floor is where Tara found herself Down there she realised the whirlwind had conveniently kept her from dealing with the death of her dad This is one woman s journey back from the floor A funny moving tale of grief campaigning for civil rights the offline impact of online abuse crashing to the ground and fighting to tell your own story

The New Irish Studies Paige Reynolds, 2020-09-24 The New Irish Studies demonstrates how diverse critical approaches enable a richer understanding of contemporary Irish writing and culture The early decades of the twenty first century in Ireland and Northern Ireland have seen an astonishing rate of change one that reflects the common understanding of the contemporary as a moment of acceleration and flux This collection tracks how Irish writers have represented the peace and reconciliation process in Northern Ireland the consequences of the Celtic Tiger economic boom in the Republic the waning influence of Catholicism the increased authority of diverse voices and an altered relationship with Europe The essays acknowledge the distinctiveness of contemporary Irish literature reflecting a sense that the local can shed light on the global even as they reach beyond the limited tropes that have long identified Irish literature The collection suggests routes forward for Irish Studies and unsettles presumptions about what constitutes an Irish classic
