The Vietnam War Day By Day:

The Vietnam War ,1989 **The Vietnam War Day by Day** Leo Daugherty,2011-08-01 The hardcover reference titles in the Day by Day series examine the evolution of conflicts and wars in a chronological timeline from the first skirmish to the last battle and everything in between These books are a historical companion to each major war in the nineteenth and twentieth century The fate of soldiers battalions armies can change in the blink of an eye with this comprehensive book readers can follow the conflicting sides in their strategy weaponry and policies This chronological approach to the conflict allows the reader to see at a glance the key operations on land at sea and in the air The individual stories of events during the war appear as separate articles written as lively newspaper accounts using the terminology and phrases used in the war such as Charlie search and destroy and body counts In this way the reader is able to relive the ebb and flow of the war while the contemporary images complement the entries and bring this unique conflict to life In addition the full color maps allow the reader to follow the course of the campaigns and battles with ease This book also contains boxes on specific aspects of the war such as strategy and tactics decisive weapons and regional politics The authoritative text is complemented by over 400 photographs that illuminate one of the most long running and tragic conflicts of the twentieth century *"There It Is": Narratives of the Vietnam War* Tom Burns,2021-09-06 This book provides a critical survey of the literature on the Vietnam War and is intended both for academic and general readers Earlier works of this kind constantly recycled criticism of a half dozen of the same works In this study the aim was to discuss a much greater number of works including a few that have never been discussed To appeal to non academic readers Lit Crit jargon was kept to a minimum and parallels with earlier works of war literature especially those of the two world wars were established *Vietnam War Almanac* James H. Willbanks,2013-09-03 With more than 58 000 casualties and 300 000 wounded at a cost of more than 130 billion the Vietnam War became one of the most divisive conflicts in American history The scars left by the war can still be felt today making it crucial that we have the facts about this watershed event Vietnam War Almanac contains a chronological history of the war in Vietnam with day by day listings of the war on the ground in the air and at sea international and U S events and a biographical dictionary of major military and civilian figures It may be impossible to fully understand such a complicated and horrible struggle but for the families of veterans and for historians the thorough presentation here along with its extensive bibliography and index is an excellent place to start Coverage here includes The Tet Offensive Walter L Cronkite The Battle of Dien Bien Phu Vo Nguyen Giap Ngo Dinh Diem The Battle of Ia Drang Valley Robert S McNamara The Battle of Hamburger Hill Abbie Hoffman The Battle of An Loc And much more President Nixon claimed that the war was misreported then and it is misremembered now This almanac will ensure that it is remembered correctly **The Vietnam War in Newsprint-1968** ,2018-03-22 The Vietnam War as reported in Stars and Stripes newspaper and All Hands magazine This is a work in progress Check back for updates and continued progress *Dirty Little Secrets of the Vietnam War* James F.
