The Vision Of Matthew Christ Church And Morality In The First Gospel:

The Vision of Matthew John P. Meier, 2004-09-30 In this volume Father Meier explores how Matthew remodeled the form the Christological message and the moral demand of the gospel Part I shows Matthew's church in crisis It was experiencing a shift in its Christian existence from a narrow Jewish Christian past to a universal Gentile future To preserve yet reinterpret the particularistic traditions of that Jewish Christian past Matthew drew up a model of salvation history and then reshaped the gospel message to fit it Part II offers a mini commentary on the whole gospel to illustrate this reshaping of the message Pericope by pericope Matthew presents Jesus as Son of God and Son of Man and therefore as the definitive teacher of his Church Indeed the nexus between Christ and his Church emerges as the outstanding characteristic of Matthew's gospel Part III studies Matthew's construction of a unified moral vision on the basis of this connection between Christ and Church The basic stance of Jesus and his disciples towards the Mosaic Law is one of fulfillment a prophetic fulfillment which involves at times a deepening of at times the abrogation of the letter of the Law The Bible in History David W.

Kling, 2004-08-12 No one can doubt that the Bible has exerted a tremendous influence on Western civilization since the dawn of Christianity But few of us have considered the precise nature of that influence in particular historical contexts In this book David Kling traces the fascinating story of how specific biblical texts have at different times emerged to be the inspiration of movements that have changed the course of history By examining eight such pivotal texts Kling elucidates the ways in which sacred texts continue to shape our lives as well as our history Among the passages he discusses are Upon this rock I will build my church Matthew 16:18 which inspired the formation of the papacy and has served as its foundation for centuries The righteous will live by faith Romans 1:17 which caught the imagination of Martin Luther and sparked the Protestant Reformation Go to Pharaoh and say to him Thus says the Lord Let my people go so that they may worship me Exodus 8:1 which has played an important and diverse role in African American history from early slave spirituals through the modern civil rights movement and beyond There is no longer Jew or Greek there is no longer slave or free there is no longer male and female for all of you are one in Christ Jesus Galatians 3:28 which has been adopted by feminists as a rallying cry in the battle for women's ordination Each of the historical episodes he explores from the beginning of Christian monasticism to the emergence of Pentecostalism is evidence of the dynamic interplay between Scripture and the social and cultural context in which it is interpreted Kling's innovative study of this process shows how sacred texts can give life to social movements and how powerful social forces can give new meaning to Scripture The Concept of Disciple in Matthew's Gospel, as Reflected in the Use of the Term "Mathetes" Michael J. Wilkins, 2014-04-03 *An Introduction to the New Testament* D. A.

Carson, Douglas J. Moo, 2009-05-26 Grasp the message of the New Testament by focusing on the essentials An Introduction to the New Testament focuses on historical questions dealing with authorship date sources purpose destination and so forth ensuring that the New Testament books will be accurately understood within historical settings For each New Testament

document the authors also provide a substantial summary of the book's content, discuss the book's theological contribution to the overall canon and give an account of current studies on the book including recent literary and social science approaches to interpretation. This second edition reflects significant revision and expansion from the original, making this highly acclaimed text even more valuable. A new chapter provides a historical survey examining Bible study method through the ages. The chapter on Paul has been expanded to include an analysis of debates on the new perspective. The discussion of New Testament epistles has been expanded to form a new chapter. This new edition is an ideal textbook for seminary students and will help a new generation better grasp the message of the New Testament. **From Synagogue to Ecclesia** Charles E. Carlston, Craig A. Evans, 2014-09-11

Charles E. Carlston and Craig A. Evans show how the Evangelist took over a variety of traditions from Judaism and early Christianity and worked them into a theological portrait that would be accessible to both Jews and Gentiles as they became followers of Jesus. Back cover Four Portraits, One Jesus, 2nd Edition Mark L.

Strauss, 2020-03-24 A thorough introduction to the four biblical Gospels and their subject: the life and person of Jesus. Like different artists who render the same subject using unique styles and points of view, the Gospels paint four distinctive portraits of the same Jesus of Nazareth. To Christians worldwide, he is the centerpiece of history, the object of faith, hope, and worship. Even those who do not follow him admit the vast influence of his life. With clarity and insight, biblical scholar Mark Strauss illuminates these four books, addressing the following important areas: The nature, origin, methods for study, and historical, religious, and cultural backgrounds of each of the Gospels; A closer study of the narratives and themes found in Matthew, Mark, Luke, and John and their contribution to our understanding of Jesus; A detailed examination of what the Gospels teach about Jesus' ministry, message, death, and resurrection, with excursions into the quest for the historical Jesus and the historical reliability of the Gospels. For anyone interested in knowing more about Jesus, study of the four biblical Gospels is essential. This fully updated textbook, together with its workbook, video lectures, and laminated sheet, gives students everything they need for a thorough and enriching study of Jesus and the Gospels. Loader, 2022-02-16 This volume brings together essays on John and Hebrews by William R. G. Loader. Beside his monographs on John and Hebrews are numerous contributions to journals, conference volumes, and Festschriften of which a representative

selection is gathered here into a single volume They discuss how these writings portray Jesus and his significance and deal with continuity and discontinuity with Israel s tradition as well as address the ethical issues which these texts raise and also evoke *What Does the Scripture Say?' Studies in the Function of Scripture in Early Judaism and Christianity* Craig A. Evans,H. Daniel Zacharias,2012-03-08 These essays explore new methods and overlooked traditions that appear to shed light on how the founders of the Christian movement understood the older sacred tradition and sought new and creative ways to let it speak to their own times Gurtner discusses the Matthean version of the temptation narrative Chandler investigates the exhortation to love your neighbour as yourself from Lev 19 18b Talbot re examines Jesus offer of rest in Mt 11 28 30 Myers explores the ways Matthew s appeal to Isa 42 1 4 in Mt 12 17 21 affects the characterization of Jesus in his Gospel Hamilton explores 1 Enoch 6 11 as a retelling of Genesis 3 6 Herzer seeks to explain various aspects of Mt 27 51b 53 McWhirter explores the citation of Exod 23 20 Mal 3 1 and Isa 40 3 in Mk 1 2 3 Hopkins investigates the manner in which Jesus engages questions and persons regarding purity and impurity Miller notes that victory songs are a generally acknowledged category of Hebrew poetry Gregerman argues that studies of early Christian proselytism to Gentiles are largely focussed on missionary methods of converts *The Politics of Race and Ethnicity in Matthew's Passion Narrative* Wongi Park,2019-01-21 In Matthew s passion narrative the ethnoracial identity of Jesus comes into sharp focus The repetition of the title King of the Judeans foregrounds the politics of race and ethnicity Despite the explicit use of terminology previous scholarship has understood the title curiously in non ethnoracial ways This book takes the peculiar omission in the history of interpretation as its point of departure It provides an expanded ethnoracial reading of the text and poses a fundamental ideological question that interrogates the pattern in the larger context of modern biblical scholarship Wongi Park issues a critique of the dominant narrative and presents an alternative reading of Matthew s passion narrative He identifies a critical vocabulary and framework of analysis to decode the politics of race and ethnicity implicit in the history of interpretation Ultimately the book lends itself to a broader research agenda the destabilization of the dominant narrative of early Christianity s non ethnoracial origins
