The White Stone Vincent Ferrer Blehl,1993 An exploration of the roots of Cardinal Newman s spiritual theology in his own life and reading Vincent Blehl the Postulator of Newman s Cause for Canonization presents a comprehensive synthesis of Newman s spirituality including the nature of holiness conversion sin the worm as enemy and sacrament followed by a presentation of Newman s christology The fullest treatment to date of Newman s theology of prayer **John Henry Newman** Peter C. Wilcox,2013-08-16 John Henry Newman 1801 1890 was a man who sought to integrate life and holiness He believed that the spiritual life needed to be lived in an active and dynamic way touching a person s fundamental attitudes and actions Although Newman rejected the title of spiritual director as such it is obvious from his correspondence that directing others through various facets of the Christian life was one of his dominant concerns Surprisingly comparatively little has been written about Newman s idea of spiritual direction This book investigates Newman s understanding of spiritual direction during his life as a Roman Catholic 1845 1890 It examines the major areas in which Newman gave spiritual direction through an analysis of the correspondence from his Catholic years It also explicates those principles of Newman s own spiritual life that found expression in his direction of others Newman had a mammoth apostolate of correspondence His Letters and Diaries have been edited and published in a series of thirty two volumes embracing more than twenty thousand letters The first ten volumes deal with Newman s Anglican period the remaining twenty two volumes cover his Catholic period and are the primary source for this book These volumes have been studied chronologically in order to determine and extract the major areas in which Newman gave spiritual direction to others and to investigate the stages of development in his spiritual advice *John Henry Newman* John Henry Newman,2012 Through his writings the spiritual journey of one the most beloved and influential Catholic voices of the modern era Book jacket **Apologia pro vita sua** John Henry Newman,2001 **John Henry Newman, Heart Speaks to Heart** John Henry Newman,2004 Geared to the reflective devotional reader the short selections are derived from Newman the priest preacher and spiritual writer **Newman and Life in the Spirit** John R. Connolly,Brian W. here with the aid of materials not hitherto fully exploited verses sermons prayers and letters both by and to Newman The detailed treatment of Newman s inner life as revealed in his private journals not intended for publication shows the continuity and change involved in his growth in holiness in their proper perspective and how his early rigorous self examination meditation and assiduous study of the whole of the Scriptures produced the flowering of realizations of the Christian mysteries full of psychological insights and abounding in quotations from Scripture of the Parochial and Plain Sermons
