Sloan, 2011-08-03 This book surveys Latin American and Caribbean women's contributions throughout history from conquest through the 20th century From the colonial period to the present day women across the Caribbean and Latin America were an intrinsic part of the advancement of society and helped determine the course of history Women's Roles in Latin America and the Caribbean highlights their varied and important roles over five centuries of time providing geographical breadth and ethnic diversity to the Women's Roles through History series Women's roles are the focus of all six chapters covering themes that include religion family law politics culture and labor Each section provides specific examples of real life women throughout history providing readers with an overview of Latin American women's history that pays special attention to continuity across regions and variances over time and geography

Electrifying Mexico Diana Montaña, 2021-08-24 2022 Alfred B Thomas Book Award Southeastern Council of Latin American Studies SECOLAS 2022 Bolton Johnson Prize Conference on Latin American History CLAH 2022 Best Book in Non North American Urban History Urban History Association Co winner 2023 Honorable Mention Best Book in the Humanities Latin American Studies Association Mexico Section 2023 Turriano Book Prize International Committee for the History of Technology Many visitors to Mexico City's 1886 Electricity Exposition were

amazed by their experience of the event which included magnetic devices electronic printers and a banquet of light It was both technological spectacle and political messaging for speeches at the event lauded President Porfirio Díaz and bound such progress to his vision of a modern order Diana J Montaño explores the role of electricity in Mexico's economic and political evolution as the coal deficient country pioneered large scale hydroelectricity and sought to face the world as a scientifically enlightened empire of peace She is especially concerned with electrification at the social level Ordinary electricity users were also agents and sites of change Montaño documents inventions and adaptations that served local needs while fostering new ideas of time and space body and self the national and the foreign Electricity also colored issues of gender race and class in ways specific to Mexico Complicating historical discourses in which Latin Americans merely use technologies developed elsewhere Electrifying Mexico emphasizes a particular national culture of scientific progress and its contributions to a uniquely Mexican modernist political subjectivity

The End of Catholic Mexico David Gilbert,2024-04-25 In *The End of Catholic Mexico* historian David Gilbert provides a new interpretation of one of the defining events of Mexican history the Reforma During this period Mexico was transformed from a Catholic confessional state into a modern secular nation sparking a three year civil war in the process While past accounts have portrayed the Reforma as a political contest ending with a liberal triumph over conservative elites Gilbert argues that it was a much broader culture war centered on religion This dynamic he contends explains why the resulting conflict was more violent and the outcome more extreme than other similar contests during the nineteenth century Gilbert's fresh account of this pivotal moment in Mexican history will be of interest to scholars of postindependence Mexico Latin American religious history nineteenth century church history and US historians of the antebellum republic

Independent Mexico Will Fowler,2016-01-01 In mid nineteenth century Mexico garrisons town councils state legislatures and an array of political actors groups and communities began aggressively petitioning the government at both local and national levels to address their grievances Often viewed as a revolt or a coup d'état these pronunciamientos were actually a complex form of insurrectionary action that relied first on the proclamation and circulation of a plan that listed the petitioners demands and then on endorsement by copycat pronunciamientos that forced the authorities be they national or regional to the negotiating table In *Independent Mexico* Will Fowler provides a comprehensive overview of the pronunciamiento practice following the Plan of Iguala This fourth and final installment in and culmination of a larger exploration of the pronunciamiento highlights the extent to which this model of political contestation evolved The result of more than three decades of pronunciamiento politics was the bloody Civil War of the Reforma 1858-60 and the ensuing French Intervention 1862-67 Given the frequency and importance of the pronunciamiento this book is also a concise political history of independent Mexico

City of Suspects Pablo Piccato,2001-09-26 An analysis of the complex moral interpretations crime was given by Mexico's urban poor and of the evolving institutional responses to crime and punishment in modern Mexico

Taxing Blackness Norah L. A. Gharala,2019-02-19 A definitive analysis of the most successful tribute

system in the Americas as applied to Afromexicans During the eighteenth century hundreds of thousands of free descendants of Africans in Mexico faced a highly specific obligation to the Spanish crown a tax based on their genealogy and status This royal tribute symbolized imperial loyalties and social hierarchies As the number of free people of color soared this tax became a reliable source of revenue for the crown as well as a signal that colonial officials and ordinary people referenced to define and debate the nature of blackness Taxing Blackness Free Afromexican Tribute in Bourbon New Spain examines the experiences of Afromexicans and this tribute to explore the meanings of race political loyalty and legal privileges within the Spanish colonial regime Norah L A Gharala focuses on both the mechanisms officials used to define the status of free people of African descent and the responses of free Afromexicans to these categories and strategies This study spans the eighteenth century and focuses on a single institution to offer readers a closer look at the place of Afromexican individuals in Bourbon New Spain which was the most profitable and populous colony of the Spanish Atlantic As taxable subjects many Afromexicans were deeply connected to the colonial regime and ongoing debates about how taxpayers should be defined whether in terms of reputation or physical appearance Gharala shows the profound ambivalence and often hostility that free people of African descent faced as they navigated a regime that simultaneously labeled them sources of tax revenue and dangerous vagabonds Some free Afromexicans paid tribute to affirm their belonging and community ties Others contested what they saw as a shameful imposition that could harm their families for generations The microhistory includes numerous anecdotes from specific cases and people bringing their history alive resulting in a wealth of rural and urban gender and family insight

Forging Mexico, 1821-1835 Timothy E. Anna, 2001-09-01 No struggle has been more contentious or of longer duration in Mexican national history than that between a centripetal power in the capital and the centrifugal federalism of the Mexican states Much as they do in the United States such tensions still endure in Mexico despite the centralising effect of the Mexican Revolution of 1910 20 Timothy E Anna turns his attention upon the crucial postindependence period of 1821 35 to understand both the theoretical and the practical causes of the development of this polarity He attempts to determine how much influence can be ascribed to such causes as the model of the United States the effect of European thinkers and the shifting self interest of various leaders and groups in Mexican society The result is a nuanced and thoughtful analysis of the development of one of the defining characteristics of the Mexican nation regional power and sovereignty of the state Forging Mexico 1821 1835 is a study both of the political history of the first republic and of the struggle to forge nationhood Timothy E Anna is Distinguished Professor of History at the University of Manitoba His books include The Fall of the Royal Government in Mexico City and The Mexican Empire of Iturbide

The Top Books of the Year The Women Of Mexico City 1790 1857 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the engaging narratives that have charmed audiences this year. The Women Of Mexico City 1790 1857 : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. The Women Of Mexico City 1790 1857 : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and gripping novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
