The Vampires Prisoner:

The Vampire's Prisoner Zara Novak, 2018-08-06 Kat had always believed in vampires and one night her search for truth brought her to a dark and mysterious bar on the edge of town. She soon realizes she's made a grave mistake and runs for her life only to fall into the arms of a dark and mysterious stranger. Kat is bewitched by the man's strange beauty and mysterious ways but what she doesn't realize is that he's an outlaw vampire on the run, being hunted by a dark and powerful force. Ansel Draco is a vampire out for revenge. Hunted and kept as a prisoner by his own makers, Ansel managed to defy death at the last minute and break free. Now he's out and running for his life, waiting for the perfect moment to get back at the dark society ruling the world of vampires. That's when he runs into Kat and everything in his life is turned upside down. Ansel quickly realizes that there is something different about Kat and then she's swept into his outlaw world, forced into running for her life right alongside him. Kat has a precious gift and he'll protect it with his life if he has to. Now he has her in his arms; he's not letting go. Fate works in mysterious ways, but their story is just part of something even bigger. *The Vampire's Prisoner* is Book 2 in the *Tales of Vampires* series and is the first book featuring Ansel and Kat. The series can be read in any order. Coming Soon.

The Stone Warriors: Nicodemus D. B. Reynolds, 2021-05-31 It was a time when gods walked the earth when armies fought not for bits of land but for the very existence of humanity On such a battlefield five formidable warriors stood against an evil greater than any the earth had ever seen But evil is not an honorable foe Betrayed by someone they trusted the warriors were cursed one by one tossed into the maelstrom of time imprisoned in stone their freedom resting on nearly impossible conditions Alone of the five their leader the sorcerer Nicodemus was left free His curse To know that his fellow warriors remained trapped forever out of his reach condemned to an eternity of searching for their stone prisons and the keys to their freedom Nicodemus stood on the battlefield magic a storm of power surrounding him his army on the cusp of victory against his lifelong enemy the sorcerer Sotiris whose death would finally bring peace to their world until everything changed The four warriors who'd stood by him through endless wars were struck down by a curse gone in an instant and spun into the sands of time And Antonia the woman he loved so fiercely was bespelled into an unknown world captured by the sorcerer she'd betrayed Following Sotiris's vanishing trail Nicodemus searches through worlds and centuries until finally in a universe a thousand years from where he was born his freed warriors seek him out and stand with him once more But what of Antonia what of her fate at the sorcerer's whim And if she still lives how will he find her With his warriors help Nicodemus untangles the twisted reality Sotiris has contrived to hide his beloved Together at last Nico and Antonia will rediscover the love and trust they once held for each other wanting only to share the life they've been denied for so long But Sotiris is still a threat one that must be eliminated if there is to be peace With Antonia and his warriors by his side as well as an unexpected but deadly ally Nicodemus prepares for the final battle And this time only one sorcerer will walk away Author Bio D B Reynolds is the RT and EPIC Award Winning author of the Vampires in America series of paranormal romance and an Emmy nominated television sound editor She lives in a flammable canyon near Los Angeles and when she's not writing her own books she can usually be found reading someone else's Visit her blog at www.dbreynolds.com for details on all of her books for free stories and more Varney the Vampire Thomas Preskett Prest, 2016-08-12 The unprecedented success of the romance of Varney the Vampyre leaves the Author but little to say further than that he accepts that success and its results as gratefully as it is

possible for any one to do popular favours A belief in the existence of Vampyres first took its rise in Norway and Sweden from whence it rapidly spread to more southern regions taking a firm hold of the imaginations of the more credulous portion of mankind The following romance is collected from seemingly the most authentic sources and the Author must leave the question of credibility entirely to his readers not even thinking that he is peculiarly called upon to express his own opinion upon the subject Nothing has been omitted in the life of the unhappy Varney which could tend to throw a light upon his most extraordinary career and the fact of his death just as it is here related made a great noise at the time through Europe and is to be found in the public prints for the year 1713 With these few observations the Author and Publisher are well content to leave the work in the hands of a public which has stamped it with an approbation far exceeding their most sanguine expectations and which is calculated to act as the strongest possible incentive to the production of other works which in a like or perchance a still further degree may be deserving of public patronage and support To the whole of the Metropolitan Press for their laudatory notices the Author is peculiarly obliged
