Auto/biography in Canada Julie Rak,2005-05-27 Auto biography in Canada Critical Directions widens the field of auto biography studies with its sophisticated multidisciplinary perspectives on the theory criticism and practice of self community and representation Rather than considering autobiography and biography as discrete genres with definable properties and

rather than focusing on critical approaches the essays explore auto biography as a discourse about identity and representation in the context of numerous disciplinary shifts Auto biography in Canada looks at how life narratives are made in Canada Originating from literary studies history and social work the essays in this collection cover topics that range from queer Canadian autobiography autobiography and autism and newspaper death notices as biography to Canadian autobiography and the Holocaust Grey Owl and authenticity France Thoret and autofiction and a new reading of *Stolen Life* the collaborative text by Yvonne Johnson and Rudy Wiebe Julie Rak's useful big picture introduction traces the history of auto biography studies in Canada While the contributors chart disciplinary shifts taking place in auto biography studies their essays are also part of the ongoing scholarship that is remaking ways to understand Canada

Earth, Water, Fire & Air
Cait Johnson, 2012-04-27 Discover the elemental approach to spirituality keys to self healing and re connection to the earth When we explore and savor and interact with these elements we are both remembering a primal connection and forging it anew Welcome then to this travel guide for a journey with a particular purpose connecting with the elements that are so basic and universal to all of us We will look at the many ways that different faiths have danced with earth water fire and air throughout history coming to a deeper appreciation of each way's uniqueness and a greater respect for one another's paths at the same time remembering the commonality of our human beginnings from the Preface The root of human spirituality is grounded in four elements earth water fire and air They are common to all people and almost every spiritual path they are the keys to our understanding of Spirit and they can help you achieve personal fulfillment and re connection with others This inspiring guidebook explains the role of the elements in different faith traditions and how they've been incorporated into religious practices and ceremonies You will be encouraged to explore your own spiritual connection to the elements through engaging activities enlightening meditations and evocative poems and prayers Earth Water Fire and Air is a celebration of how all people are connected by the elements You will come away with a deeper relationship to others your own spirit and this sacred planet You can't help but be drawn into the elemental approach to spirituality detailed in these pages Identifying the four basic elements as humanity's first ways of knowing Spirit and reminding us of their value for spiritual nourishment Earth Water Fire and Air reveals our human interconnectedness and offers a fascinating look at element based symbols traditions and ceremonies Explore the spiritual traditions that have incorporated the elements into their practices including Buddhism Christianity Earth honoring paths Hinduism Islam Judaism Creative activity suggestions serve to enrich our spiritual relationship with each element both individually and in community with others and to help us discover how deeply nourishing it can be to live in an elemental way

Religion and Spirituality for Diverse Women Thema
Bryant-Davis, Asuncion Miteria Austria, Debra M. Kawahara, Diane J. Willis Ph.D., 2014-09-30 This collection of essays considers the role of spirituality and religion in the lives of American women from various ethnic backgrounds showing how faith empowers those in populations often marginalized in the United States Religion and spirituality are sources of strength

and resilience for many women particularly ethnically diverse women This thought provoking text examines this psychological trend exploring the specific ways in which women from diverse backgrounds have benefited from their faith traditions the various spiritual pathways they have chosen and the impact of those choices on their lives Essays in this informative compilation show how women from African American Latina American Indian Asian American and Caucasian backgrounds recover from difficulties and traumas with the help of their faith Contributors consider why women are more likely to endorse religious engagement than men why ethnically marginalized women tap into spirituality for comfort more than any other population and why many believers embrace religion as a coping mechanism throughout their lives from adolescence to older adulthood The work suggests ways for counselors leaders and religious figures to utilize this knowledge to bolster the well being of those they serve
