The Very Thought Of You:

The Very Thought of You Angela Weaver, 2007-07-01 Department of Justice operative Miranda Tyler has her hands full. The maternally challenged beauty has been drafted to hide the daughter of a witness in a high profile murder case. The assignment means returning to her Georgia hometown and seeking help from the high school heartthrob who betrayed her years before. Tall, dark, and sexy Caleb Blackfox had always had his way with women. That was until Miranda walked in on him playing doctor with the homecoming queen and dumped him. Now ten years later, Miranda walks back into his life and asks for his help. This time determined to win back the girl who got away, Caleb is willing to do whatever it takes to make her stay.

The Very Thought of You Rosie Alison, 2011-07-05 One of those books you're likely to remember all your life. Alexandra Shulman, *Vogue* UK. For readers of *The Orphan Train* and *The Guernsey Literary and Potato Peel Pie Society*, comes not just a story of love but a story of loss, one whose voice will touch even the coldest of hearts. BookPage, England, 31st August 1939. The world is on the brink of war. As Hitler prepares to invade Poland, thousands of children are evacuated from London to escape the impending Blitz. Torn from her mother, eight-year-old Anna Sands is relocated with other children to a large Yorkshire estate which has been opened up to evacuees by Thomas and Elizabeth Ashton, an enigmatic childless couple. Soon Anna gets drawn into their unraveling relationship, seeing things that are not meant for her eyes and finding herself part witness and part accomplice to a love affair with unforeseen consequences. A story of longing, loss, and complicated loyalties, combining a sweeping narrative with subtle psychological observation, *The Very Thought of You* is not just a love story but a story about love.

The Very Thought of You Lynn Kurland, 2001-06-01 From Lynn Kurland, the New York Times bestselling author of the *Nine Kingdom* series, Alexander Smith had found success in the world of corporate takeovers but not happiness. That had always escaped him along with true love. Then at the MacLeod Keep in Scotland, he found a pirate map that miraculously answered his yearnings with a journey to another time. And when he was captured in Medieval England by Margaret of Falconberg, a fierce beauty hidden in knight's armor, he rediscovered his own chivalrous and passionate heart.

The Very Thought of You Carolann Camillo, 2012-11-19 Sometimes it just doesn't pay to offer an honest opinion. So when Molly Hewitt does, she lands in all kinds of trouble with up-and-coming San Francisco builder Nick Mancini. He's offered the tenants in his small, newly acquired apartment house the one sitting smack in the middle of his latest condo project, twenty-five grand to vacate the premises. But thanks to Molly, who runs a not-for-profit medical clinic down the street, they're holding out for a hundred. When Nick discovers Molly is behind the inflated figure, he sets out to do whatever it takes to charm her onto his team. Either he convinces her that his tenants need to downsize their demand, or his next project will be digging himself out of bankruptcy. Since she has the face of an angel and a bod most men only dream about, as campaigns go, this one shouldn't be too painful. Molly, no pushover, is up for the challenge. Or is she? A session with Ouija confirms she's not immune to Nick's charms. Not only is he single and available, he has enough sex appeal to melt titanium. Add that to a kiss

that puts more than an extra z in sizzle and Molly starts thinking about the L word But unless he ups his buyout offer to his tenants and keeps his wrecking ball away from her end of the street where rumor has him next aiming it he s strictly catch and release Sensuality Level Sensual The Very Thought of You Claire Marti,2019-10-30 A perfectionistic equine vet A gorgeous fireman An unrequited high school crush blazes hot twelve years later Reliable Amanda McNeill s world toppled last summer when Hollywood invaded her family s horse breeding ranch Now she s in a massive rut She yearns to be impulsive even wild and a hot fling with Jake Cruz might be the sizzle she needs to jumpstart her life When firefighter Jake Cruz comes face to face with his former crush Amanda her charming blushes and heated glances tell him she notices him this time around While Jake longs to discover if this Amanda matches the girl who starred in his adolescent fantasies his desire to become fire captain and earn his family s pride requires he focus on work not passion Could his dream woman become his real love or will his professional ambitions extinguish their chances Once the smoke clears will Amanda realize Jake isn t a fling but her hero after all One click this unrequited love secret crush opposites attract romance today *The Very Thought of You* Erika Kelly,2019-04-23 Gray Bowie broke the bro code he fell in love with his best friend s girlfriend For years he hid his feelings until one terrible night it all came to a head Since her life blew up in high school Knox Holliday has spent her time honing her skills as a couture wedding dress designer But just weeks before her debut a freak accident wipes out her collection The culprit her ex s former best friend Gray Bowie Gray does everything he can to get her career back on track As they work together they find forgiveness and start to stitch together something that looks a lot like love But at the very moment they realize they have a chance for something real her ex comes back to town bringing opportunities Gray can t provide This time Gray s not going to step aside so he can only hope Knox will hold onto his heart She s his dream but will he be hers Previously published as *The Careless Boyfriend* *The Very Thought of You* Andy Robbins,2010-01-01 Andy Robbins concludes in *Au bout de l anglais* that Art and life are not the same Never He challenges the nature of both with this volume of highly personal sensual searching poetry that treats life as a work in progress with love in all its aspects as its driving force Creating poems as technically skilled as they are emotionally powerful Robbins uses a variety of formal and idiomatic dictions Though the individual works are as unique in subject as in structure the book is unified by a discomfort with emotional and intellectual stagnancy with ancient mythology religious doctrines and popular culture The book radiates the immediate energy of mind in action question and reflection challenging the very thought of writer and reader The Very Thought of You, (El Mismo Pensamiento De Ti) Gary Puchett,2022-09-13 This book is about a separate world within our many worlds of people that love the magic of dancing sharing space on a dance floor with a mature partner or even solo as so many precious Ladies do when their so called men are too busy trying to capture the attention of some younger woman not realizing just how foolish they really look These mature woman are so much more in tune with life and the allure of the magic of a romantic evening given a choice I would personally dance with a more seasoned woman I would want her to take me to
