The Voyage Of The Sun God:

The Sungod's Journey through the Netherworld Andreas Schweizer, 2011-02-23 The ancient Egyptian sources come alive speaking to us without seeming alien to our modern ways of thinking Andreas Schweizer invites us to join the nocturnal voyage of the solar barque and to immerse ourselves with the Great Soul of the sun into the darkness surrounding us Here in the illustrations and texts of the Amduat threats hidden in the depths of our soul become visible as concrete images an analysis of which remains ever worthwhile even in the guise of the evil ominous or dark side of godhead with which Schweizer concerns himself The netherworld into which we descend underlies our own world Creative energies of dreadful intensity are active there and only death to which all must surrender makes us truly alive by offering us regeneration from the depths Erik Hornung from the Foreword The Amduat literally that which is in the netherworld tells the story of the nocturnal journey of Re the Egyptian Sungod through the netherworld from the time when the sun dies after setting in the west to its rebirth at sunrise in the east In the middle of the night in the profoundest depths of the netherworld this resurrection is made possible by a mystical union of the sun with the mummified body of Osiris god of the dead This great mystery of the union between the freely moving soul of the Sungod longing for the bright and boundless sky with Osiris s corpse which is irrevocably bound to the subterranean realm of the dead evokes the renewal of all life and the restoration of totality In the Egyptian belief system the pharaohs and in later times all blessed dead embarked on this same night sea journey after death ultimately becoming one with Re and living forever The vision of the afterlife elaborated in the Amduat dating from around 1500 B C E has been influential for millennia providing the model for an entire genre of Egyptian literature the Books of the Afterlife which in turn endured into the Greco Roman era Its themes and images persisted into gnostic and alchemical texts and made their way into early Christian portrayals of the beyond In The Sungod s Journey through the Netherworld Andreas Schweizer guides the reader through the Amduat offering a psychological interpretation of its principal textual and iconographic elements He is concerned with themes that run deep and wide in human experience drawing on Jungian archetypes to find similar expression in many cultures worldwide sleep as death resurrection as reawakening or rebirth and salvation or redemption whether from original sin as for Christians or from the total annihilation of death as for the ancient Egyptians *Ra: The Illuminated Path of the Sun God* ChatStick Team, 2023-11-13 Journey into the heart of ancient Egypt with Ra The Illuminated Path of the Sun God Brought to you by the ChatStick Team this enlightening exploration takes you on a voyage through time shedding light on the life of Ra the mighty Sun God From his cosmic birth to his celestial journey and enduring battles with Apep the chaos serpent delve deep into the realm of Egyptian mythology You ll uncover intricate stories interpret symbolic meanings and explore the rich visual depictions that surround Ra Explore the divine relationships the timeless importance and the enduring legacy that Ra holds in the modern world Enlighten your knowledge and understanding of one of the world s oldest civilizations Download your copy today
