

We the People of the United States, in order to form a more perfect Union, establish domestic Tranquillity, provide for the common Defence, promote the general Welfare, and secure the Blessings of Liberty to ourselves and our Posterity, do ordain and establish this Constitution for the United States of America.

Article I

Section 1. All legislative Powers herein granted shall be vested in a Congress of the United States, which shall consist of a Senate and House of Representatives.

Section 2. The House of Representatives shall be composed of Members chosen every second Year by the People of the several States, and the Electors in each State shall have the Qualifications requisite for Electors of the most numerous Branch of the State Legislature.

No Person shall be a Representative who shall not have attained to the Age of twenty five Years, and seven Years a Citizen of the United States, and when elected, shall be, when he is elected, an Inhabitant of that State in which he shall be chosen.

Representatives and electors shall be apportioned among the several States which may be included within the Union, according to the respective Numbers, which shall be determined by adding to the whole Number of free Persons, including those bound to Service for a Term of Years, and including Indians not taxed, three fifths of all other Persons. The actual Enumeration shall be made within three Years after the first Meeting of the Congress of the United States, and within every subsequent Term of ten Years, and the Number shall be increased or decreased by the said Congress. The House of Representatives shall be composed of the People of the several States, and the Electors in each State shall have the Qualifications requisite for Electors of the most numerous Branch of the State Legislature. No Person shall be a Representative who shall not have attained to the Age of twenty five Years, and seven Years a Citizen of the United States, and when elected, shall be, when he is elected, an Inhabitant of that State in which he shall be chosen.

When vacancies happen in the Representation from any State, the Executive Authority thereof shall issue writs of Election to fill such Vacancies.

The House of Representatives shall choose their Speaker and other Officers, and shall have the sole Power of Impeachment.

Section 3. The Senate of the United States shall be composed of two Senators from each State, chosen by the Legislature thereof for six Years, and each Senator shall have one Vote.

Immediately after they shall be assembled in Congress of the first Meeting, they shall be divided as equally as may be into three Classes. The Seats of the Senators of the first Class shall be vacated at the Expiration of the second Year of the second Congress, the Seats of the Senators of the second Class at the Expiration of the fourth Year, and the Seats of the Senators of the third Class at the Expiration of the sixth Year, so that one third may be chosen every second Year; and if Vacancies happen by Resignation or otherwise, during the Term of the Congress of any Class, the Executive Authority thereof may fill such Vacancies until the next Meeting of the Legislature, which shall then fill such Vacancies.

The Washington State Constitution And The Constitution Of The United States

Robert French Utter, Hugh D. Spitzer

The Washington State Constitution And The Constitution Of The United States:

The Washington State Constitution Robert F. Utter, Hugh D. Spitzer, 2013-04-11 The Washington State Constitution provides an outstanding constitutional and historical account of the state's governing charter. In addition to an overview of Washington's constitutional history that focuses on the document's 19th century populist roots, it provides an in-depth section by section analysis of the entire constitution detailing the many significant changes made since its initial drafting. This treatment, along with a table of cases, index, and bibliography, provides an unsurpassed reference guide for lawyers, judges, scholars, and members of the general public. The second edition of *The Washington State Constitution* has been significantly expanded to detail the impact of the late nineteenth century Populist movement on both the structure and content of Washington's 1889 constitution. The book includes current and important developments in the theory of state constitutional interpretation. In Washington State, it describes the significant expansion over the past decade in the Washington Supreme Court's independent reliance on the state's constitution rather than the federal constitution in many constitutional doctrines, particularly those related to individual rights. The title also includes up-to-date analysis of significant developments in a number of areas including the rights of criminal defendants, personal freedoms of speech, religion, and privacy, powers and constraints on the state legislature and the governor, the initiative, referendum, and recall, and the application of Washington's unique public education clause. *The Oxford Commentaries on the State Constitutions of the United States* is an important series that reflects a renewed international interest in constitutional history and provides expert insight into each of the 50 state constitutions. Each volume in this innovative series contains a historical overview of the state's constitutional development, a section-by-section analysis of its current constitution, and a comprehensive guide to further research. Under the expert editorship of Professor G. Alan Tarr, Director of the Center on State Constitutional Studies at Rutgers University, this series provides essential reference tools for understanding state constitutional law. Books in the series can be purchased individually or as part of a complete set, giving readers unmatched access to these important political documents. *The Washington State Constitution and the Constitution of the United States* Freedom Foundation, 2011-11 This edition of the Constitution begins with a foreword written by Chief Justice Barbara Madsen of the Washington State Supreme Court. Chief Justice Madsen explains the importance of the state constitution and why its protections of individual rights and liberty are more important today than ever before. Also included is an introduction and history of the document and the delegates who authored it, as well as a copy of the United States Constitution. This copy of the Washington State Constitution is an excellent way to educate the people of their constitutional rights and teach them how to protect and maintain their individual liberty.

The Washington State Constitution Robert French Utter, Hugh D. Spitzer, 2002 Providing a useful starting point for practitioners and others interested in working with Washington's basic legal document, this original reference work describes each article and each section of the State Constitution in turn, outlining the historical background of the section, its

predecessors or relatives in the U S or other state constitutions and key interpretive cases The Introduction written by retired State Supreme Court Justice Robert F Utter describes the increasing interest in state constitutions during the past quarter century and outlines how federal courts have come to rely on Washington State s constitution as an independent source of rights protections The article of the Constitution described at greatest length is Article I the declaration of Rights It contains 35 sections covering religious freedom protection of speech and privacy the right to bear arms rights of the accused a prohibition of a standing army and many other provisions Of the remaining 31 articles many have their origins in other state constitutions particularly those of western states while a few sections are unique in their language The paramount duty clause of the education article is an example of language that originated first in Washington although it has cousins in other state constitutions that entrench the concept of common schools that spread throughout the nation after 1830

State Constitutions of the United States Robert Maddex,2005-09-23 Newly updated and reflecting the diversity of state policies and the issues that are important to them State Constitutions of the United States collects explains and offers comparison of each of the fifty state constitutions Its in depth explorations and easy to follow structure reveal individual state priorities the significance of state constitutions and their impact on issues that affect the day to day lives of citizens This major revision incorporates specific details and describes trends and patterns in state constitutions drawing on over 380 amendments passed since the first edition of this resource was published in 1998 These amendments address at the state level important issues that are also being debated on the national level such as freedom of religion Alabama tobacco Arizona death penalty Florida and same sex marriage in a number of states The new edition addresses all of these issues and more in well organized state by state chapters including a new chapter on Washington DC Beyond the extensive state by state coverage this resource provides further insights through supplemental materials including an overview of state constitutions comparative tables new rights such as privacy and victim s rights special provisions such as the environment and home rule and much more This is the only one volume resource on state constitutions designed to inform non specialists including students non constitutional scholars and interested citizens about the variety influence and continual revision and innovation that define state constitutions in the U S A wide range of libraries including those that serve college students AP high school students and the general public will want to update their collections with this unique and essential reference work

The Washington State Constitution Robert F. Utter,Hugh D. Spitzer,2013-03-15 The Washington State Constitution provides an outstanding constitutional and historical account of the state s governing charter In addition to an overview of Washington s constitutional history that focuses on the document s 19th century populist roots it provides an in depth section by section analysis of the entire constitution detailing the many significant changes made since its initial drafting This treatment along with a table of cases index and bibliography provides an unsurpassed reference guide for lawyers judges scholars and members of the general public The second edition of The Washington State Constitution has been significantly expanded to

detail the impact of the late nineteenth century Populist movement on both the structure and content of Washington's 1889 constitution. The book includes current and important developments in the theory of state constitutional interpretation. In Washington State describes the significant expansion over the past decade in the Washington Supreme Court's independent reliance on the state's constitution rather than the federal constitution in many constitutional doctrines particularly those related to individual rights. The Washington State Constitution was cited in the following notable cases: *League of Educ Voters v State* __ Wn 2d __ 295 P 3d 743 758 59 2013 both majority and dissent; *In re Bond Issuance of Greater Wenatchee Regional Events Center Public Facilities* 175 Wash 2d 788 813 816 287 P 3d 567 580 2012 dissent; *Bellevue School Dist v E S* 171 Wash 2d 695 717 257 P 3d 570 581 2011. The Oxford Commentaries on the State Constitutions of the United States is an important series that reflects a renewed international interest in constitutional history and provides expert insight into each of the 50 state constitutions. Each volume in this innovative series contains a historical overview of the state's constitutional development a section by section analysis of its current constitution and a comprehensive guide to further research. Under the expert editorship of Professor G Alan Tarr Director of the Center on State Constitutional Studies at Rutgers University this series provides essential reference tools for understanding state constitutional law. Books in the series can be purchased individually or as part of a complete set giving readers unmatched access to these important political documents.

The Law of American State Constitutions Robert F. Williams, Lawrence Friedman, 2023. The second edition of *The Law of American State Constitutions* provides complete coverage of the legal doctrines surrounding applying to and arising from American state constitutions and their judicial interpretation. Drawing on examples from specific states Professors Williams and Friedman analyze the nature and function of state constitutions in contrast to the federal Constitution including rights separation of powers issues of interpretation and the processes for amendment and revision. In this edition Williams and Friedman focus on recent developments including the state constitutional dimensions of same sex marriage and the reaction of state courts to U S Supreme Court decision making. This edition of *The Law of American State Constitutions* remains an important analytical tool that explains the unique character and the range of interpretive approaches to these constitutions. It covers the structure of state governments under state constitutions as well as the distribution of powers among the legislative executive and judicial branches. Like the first edition this edition presents a complete picture of state constitutional law and the attributes and features that make this body of law so distinctive.

The Washington State Constitution And The Constitution Of The United States Introduction

In the digital age, access to information has become easier than ever before. The ability to download The Washington State Constitution And The Constitution Of The United States has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The Washington State Constitution And The Constitution Of The United States has opened up a world of possibilities. Downloading The Washington State Constitution And The Constitution Of The United States provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The Washington State Constitution And The Constitution Of The United States has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The Washington State Constitution And The Constitution Of The United States. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The

Washington State Constitution And The Constitution Of The United States. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading The Washington State Constitution And The Constitution Of The United States, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download The Washington State Constitution And The Constitution Of The United States has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About The Washington State Constitution And The Constitution Of The United States Books

1. Where can I buy The Washington State Constitution And The Constitution Of The United States books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores.
