The Weekenders

Michael W. Hughey

The Weekenders:

The Weekenders Mary Kay Andrews, 2016-05-17 Some people stay all summer long on the idyllic island of Belle Isle North Carolina Others come only for the weekends and the mix between the regulars and the weekenders can sometimes make the sparks fly Riley Griggs has a season of good times with friends and family ahead of her on Belle Isle when things take an unexpected turn While waiting for her husband to arrive on the ferry one Friday afternoon Riley is confronted by a process server who thrusts papers into her hand And her husband is nowhere to be found So she turns to her island friends for help and support but it turns out that each of them has their own secrets and the clock is ticking as the mystery deepens in a murderous way Cocktail parties aside Riley must find a way to investigate the secrets of Belle Island the husband she might not really know and the summer that could change everything Told with Mary Kay Andrews trademark blend of humor and warmth and with characters and a setting that you can't help but fall for the New York Times bestseller The Weekenders is the perfect summer escape

The Weekenders David F. Ross, 2025-02-13 The deaths of a series of young Eastern European women in Glasgow leads to a stately home in the Scottish countryside and back to the Second World War where a group of young soldiers made their own shocking rules Saltire Prize shortlisted author David F Ross returns with an extraordinary dark mystery first in a new series David Ross carved out an enduring place for himself among contemporary Scottish novelists Herald Scotland _____ Glasgow 1966 Stevie Minto Milloy former star footballer turned rookie reporter finds himself trailing the story of a young Eastern European student whose body has been found on remote moorland outside the city How did she get there from her hostel at the Sovereign Grace Mission and why does Stevie find obstacles at every turn Italy 1943 As the Allies fight Mussolini's troops a group of young soldiers are separated from their platoon and Glaswegian Jamesie Campbell his newfound friend Michael McTavish at his side finds himself free to make his own rules Glasgow 1969 Courtroom sketch artist Donald Doodle Malpas is shocked to discover that his new case involves the murder of a teenage Lithuanian girl he knows from the Sovereign Grace Mission Why hasn't the girl's death been reported And why is a young police constable suddenly so keen to join the mission No one seems willing to join the dots between the two cases and how they link to Raskine House the stately home in the Scottish countryside with a dark history and even darker present the venue for the debauched parties held there by the rich and powerful of the city who call themselves The Weekenders Painting a picture of a 1960s Glasgow in the throes of a permissive society pulled apart by religion corruption and a murderous Bible John stalking the streets The Weekenders is a snapshot of an era of turmoil and a terrifying insight into the mind of a ruthless criminal _____

The Weekender Effect Robert William Sandford, 2011-02-01 Provocative passionate and populist RMB Manifestos are short and concise non fiction books of literary critical and cultural studies As cities continue to grow at unprecedented rates more and more people are looking for peaceful weekend retreats in mountain or rural communities More often than not these retreats are found in and around resorts or places of natural beauty As a result what

once were small towns are fast becoming mini cities complete with expensive housing fast food traffic snarls and environmental damage all with little or no thought for the importance of local history local people and local culture The Weekender Effect is a passionate plea for considered development in these bedroom communities and for the necessary preservation of local values cultures and landscapes

The Texas Miracle John Marshall, 2016-07-22 In The Texas Miracle author John Marshall offers a detailed examination of the largest political fraud in Texas since the Sharpstown scandal in the early 1970s An extension of his earlier book Playing Possum he expands on the information surrounding a massive land deal Marshall offers a political look at what took place in Texas In 2006 the Staubach Company advised the Brazos River Authority to begin charging a fair market rate at Possum Kingdom Lake to the people who had built their weekend homes around the shoreline At that time the average lake lot was three quarters of an acre and the average rental rate was 76 per month In 2007 Governor Rick Perry Lt Governor David Dewhurst and a handful of Texas legislators attempted to force the Brazos River Authority to sell the shoreline of Possum Kingdom Lake to the wealthy weekenders at a discount This effort was opposed by Republicans Democrats and bureaucrats alike and it met a humiliating defeat Two years later the weekenders and the politicians enlisted the services of the River Card The Texas Miracle tells that tale

The Dead Enders Erin Saldin, 2018-05-01 Part coming of age story mystery and romance this book has something for everyone Kirkus Reviews starred review Emotionally resonant This thoughtful atmospheric read will linger with readers Publishers Weekly A twisty psychological drama Booklist For fans of One of Us Is Lying this novel set during the summer in the small tourist town of Gold Fork features four teens all sharing one secret from their past and one explosive truth that could change everything In a place like Gold Fork sometimes a secret is the only thing that s really yours Ana Davis Erik and Georgie know that best Bound together by a horrible tragedy from their pasts they forged a friendship that has lasted through high school In a town full of weekenders they all know what it s like to be dead enders fated to stay trapped in a tourist destination for the rest of their lives But with the appearance of long lost family members and an arsonist setting the town ablaze it s time to confront the fact that what brought them together years ago might be what ultimately tears them apart Because someone is keeping one last secret a truth that could change everything

Television Cartoon Shows Hal Erickson, 2016-03-15 This comprehensive reference to TV cartoon shows covers some 75 years In the decade or so since the first edition the industry has grown and expanded to previously unimagined heights thanks in great part to the upsurge of cable TV services catering to animation fans In the ten year period since the first edition nearly 450 new cartoon series premiered in the U S Alphabetically arranged by title the book discusses each cartoon show in detail providing full production credits and offering commentary on such elements as development characters style and the show s significance in the overall scheme of television animation

The Use and Abuse of Social Science Irving Louis Horowitz, 1975-01-01

New Tribalisms Michael W. Hughey, 2016-03-29 The resurgence of racial ethnic and nationalist loyalties in the contemporary world are examined in

this volume Considered collectively the contributors offer both a conceptual understanding of race and ethnicity and an empirical examination of their renewed importance in and implications for contemporary societies With sections on the American experience with ethnoracial pluralism and on ethnonationalist movements in other parts of the world Hughey offers an extensive treatment of the origins expressions and implications of the new tribalisms now confronting the world

Corbett Lake Diaries J. E. Baker, 2009-10-07 J E Bakers Corbett Lake Diaries will transport you on a nostalgic trip through the Golden Age of fly fishing and five star wilderness lodges from the era of Roderick Haig Brown and General Money Along the way youll experience fishing for grayling in the waters that drain into the Arctic Ocean angling for trout in the big lakes of Interior British Columbia and searching for steelhead and salmon in the waters along the Pacific Northwest In Bakers short stories youll be introduced to a host of characters that the author meets through his connection with a very special fishing lodge Corbett Lake These insightful anecdotes approach the world of fishing and nature with reverence and humor Youll long to travel these highways and byways for yourself

New Pioneers Jeffrey Jacob, 2010-11 P ractically everyone I know is nursing fantasies about escaping the life they re trapped in and creating one that makes more sense writes the editor of Utne Reader in a recent issue The people I most admire though are those who actually do it who break free and pursue a higher calling no matter how great the risk New Pioneers is about one such group of people the hundreds of thousands of urban North Americans who over the past three decades have given up their city or suburban homes for a few acres of land in the countryside Jeffrey Jacob s new pioneers are ordinary people who have tried to break away from the mainstream consumer culture and return to small town and rural America He traces the development of the movement and identifies seven different kinds of back to the lander the weekender country romantic purist country entrepreneur pensioner micro farmer and apprentice From over 1 300 survey responses interviews and in depth case studies at both the regional and national levels of representative back to the landers Jacob analyzes their values use of appropriate technology family division of labor on their acreages and predisposition toward environmental activism Jacob finds that back to the landers for the most part are not completely independent of the mainstream economy and consequently their lives do reflect the contradictions between the available conveniences of a high technology culture and the movement s goals of self reliant labor He analyzes their ambivalent attitudes toward technology hoes and shovels versus mini hydroelectric systems wood stoves versus microwave ovens and so on After examining the experiences of the back to the country people who live on the margins of a postindustrial society Jacob creates a clearer appreciation of the preconditions necessary to translate the idea of sustainable living into concrete action on a society wide scale While New Pioneers describes an important social movement it also shows how far a group of highly motivated individuals and families can go by themselves in breaking away from the prevailing consumer culture The dilemmas frustrations adaptations and triumphs of these neo homesteaders offer valuable insights to anyone contemplating a move back to the land
