The West In The World:

The West in the World Dennis Sherman, 2000-09 The West in the World Fifth Edition prompts students to take an active analytical approach to understanding history and historical change Readers will come to appreciate that history does not happen in isolation but rather is the consequence of a complex set of intersecting events forces and human actions among which there are cause and effect links that extend into the present day As it compellingly tells the story of Western civilization The West in the World encourages a critical examination and analysis of major events and themes The fifth edition retains the medium length of previous editions long enough to present a comprehensive rich narrative but concise enough to give instructors the flexibility to supplement reading with other sources and books The fifth edition of The West in the World includes the exciting addition of LearnSmart and SmartBook McGraw Hill's online adaptive learning and reading systems LearnSmart and SmartBook are the only adaptive learning programs proven to improve performance LearnSmart and SmartBook help students study more efficiently and retain more knowledge allowing instructors to focus valuable class time on higher level concepts

The West in the World Dennis Sherman, Joyce E. Salisbury, 2000-08 A social history within a political and cultural framework The West in the World looks at the development of western civilization within the context of the rest of the world Rather than treating the evolution of western civilization as an isolated event Sherman and Salisbury examine how the west evolved in time with and often as a response to the events that shaped civilizations around the globe In addition to setting the history of western civilization in context this groundbreaking new text distinguishes itself from standard survey texts by being the first to fully integrate visual history with traditional narrative style Readers glimpse the true craft of the historian through integrated discussions of the visual program in the book throughout the text the authors address how the paintings sculpture and other art of the times serve as primary sources in informing the reader about that period in history In addition to drawing the art program into the text The West in the World includes visual learning tools such as Thinking about Geography maps with guiding questions and timelines at the beginning and end of each chapter The West in the World also offers complete coverage of western civilization in a midsize book this unique length provides more detailed and comprehensive coverage than brief books but is not as exhaustive and unmanageable as larger survey texts

The West in the World Dennis Sherman, Joyce E. Salisbury, 2000-08 A social history within a political and cultural framework The West in the World looks at the development of western civilization within the context of the rest of the world Rather than treating the evolution of western civilization as an isolated event Sherman and Salisbury examine how the west evolved in time with and often as a response to the events that shaped civilizations around the globe In addition to setting the history of western civilization in context this groundbreaking new text distinguishes itself from standard survey texts by being the first to fully integrate visual history with traditional narrative style Readers glimpse the true craft of the historian through integrated discussions of the visual program in the book throughout the text the authors address how the paintings

sculpture and other art of the times serve as primary sources in informing the reader about that period in history In addition to drawing the art program into the text The West in the World includes visual learning tools such as Thinking about Geography maps with guiding questions and timelines at the beginning and end of each chapter The West in the World also offers complete coverage of western civilization in a midsize book this unique length provides more detailed and comprehensive coverage than brief books but is not as exhaustive and unmanageable as larger survey texts
