The White Bird John Berger:

The White Bird John Berger, 1985 *John Berger* Iona Heath, 2024-07-13 Iona Heath relates the importance that John Berger's work and friendship had on her working life as a GP. It includes extracts from letters that span 20 years of her correspondence with John Berger. In this book Iona Heath writes about reading John Berger's writing over more than 50 years and her friendship and correspondence with him over the best part of 20 years. Dr Heath found that both of these interacted profoundly with her work as a general practitioner in a deprived urban area in London. For Iona Heath, general practice is a quite extraordinary undertaking every working day sitting with a succession of unique individuals each worried about some aspect of their health or life circumstances many burdened by unspoken fears and each seeking some form of answer. Starting with *A Fortunate Man* when she was an ignorant but hopeful undergraduate medical student she found reading John Berger on any subject had something new to tell her about the aspirations and detail of her work clues about how to look and how to listen and much else. Later when they started to correspond Iona Heath found herself in the privileged position of being able to check her understanding directly with the writer and on each occasion found deeper levels of awareness and insight. She is convinced that reading John Berger made her a better doctor.

Selected Essays of John Berger John Berger, 2008-12-10 The writing career of Booker Prize winner John Berger poet storyteller playwright and essayist has yielded some of the most original and compelling examinations of art and life of the past half century. In this essential volume Geoff Dyer has brought together a rich selection of many of Berger's seminal essays. Berger's insights make it impossible to look at a painting watch a film or even visit a zoo in quite the same way again. The vast range of subjects he addresses the lean beauty of his prose and the keenness of his anger against injustice move us to view the world with a new lens of awareness. Whether he is discussing the singleminded intensity of Picasso's *Guernica* the parallel violence and alienation in the art of Francis Bacon and Walt Disney or the enigmatic silence of his own mother what binds these pieces throughout is the depth and fury of Berger's passion challenging us to participate to protest and above all to see.

The Ethnographer's Eye Anna Grimshaw, 2001-04-30 Grimshaw's exploration of the role of vision within modern anthropology engages with current debates about ocularcentism investigating the relationship between vision and knowledge in ethnographic enquiry. Using John Berger's notion of ways of seeing the author argues that vision operates differently as a technique and theory of knowledge within the discipline. In the first part of the book she examines contrasting visions at work in the so called classical British school reassessing the legacy of Rivers Malinowski and Radcliffe Brown through the lens of early modern art and cinema. In the second part of the book the changing relationship between vision and knowledge is explored through the anthropology of Jean Rouch David and Judith MacDougall and Melissa Llewelyn Davies. Vision is foregrounded in the work of these contemporary ethnographers focusing more general questions about technique and epistemology whether image based media are used or not in ethnographic enquiry.

A Writer of Our Time Joshua Sperling, 2018-11-20 This engaging intellectual biography traces Berger's creative evolution analyzes highlights from his vast output and situates them within his empathetic Marxism The New Yorker The first intellectual biography of the life and work of John Berger John Berger was one of the most influential thinkers and writers of postwar Europe As a novelist he won the Booker prize in 1972 donating half his prize money to the Black Panthers As a TV presenter he changed the way we looked at art with Ways of Seeing As a storyteller and political activist he defended the rights and dignity of workers migrants and the oppressed around the world Far from dragging politics into art he wrote in 1953 art has dragged me into politics He remained a revolutionary up to his death in January 2017 Built around a series of watersheds at once personal and historical A Writer of Our Time traces Berger's development from his roots as a postwar art student and polemicist in the Cold War battles of 1950s London through the heady days of the 1960s when the revolutions were not only political but sexual and artistic to Berger's reinvention as a rural storyteller and the long hangover that followed the rise and fall of the New Left Drawing on first hand unpublished interviews and archival sources only recently made available Joshua Sperling digs beneath the moments of controversy to reveal a figure of remarkable complexity and resilience The portrait that emerges is of a cultural innovator as celebrated as he was often misunderstood and a writer increasingly driven as much by what he loved as by what he opposed A Writer of Our Time brings the many faces of John Berger together repatriating one of our great minds to the intellectual dramas of his and our

time **Whistling in the Dark** Richard Mabey, 2025-05-20 A timeless exploration of the nightingale blending cultural history science and the mysterious beauty of birdsong This newly revised edition includes first hand accounts of nightingale performances insights into their declining population and reveals untold stories like the human mimic behind a famous 1924 BBC broadcast

The Sense of Sight John Berger, 2011-07-13 With this provocative and infinitely moving collection of essays a preeminent critic of our time responds to the profound questions posed by the visual world For when John Berger writes about Cubism he writes not only of Braque L ger Picasso and Gris but of that incredible moment early in this century when the world converged around a marvelous sense of promise When he looks at the Modigliani he sees a man s infinite love revealed in the elongated lines of the painted figure Ranging from the Renaissance to the conflagration of Hiroshima from the Bosphorus to Manhattan from the woodcarvers of a French village to Goya D rer and Van Gogh and from private experiences of love and of loss to the major political upheavals of our time **The Sense of Sight** encourages us to see with the same breadth courage and moral engagement that its author does

9.5 Theses on Art and Class Ben Davis, 2013 In 9 5 Theses on Art and Class Ben Davis takes on a broad array of contemporary art s most persistent debates How does creative labor fit into the economy Is art merging with fashion and entertainment What can we expect from political art Davis argues that returning class to the center of discussion can play a vital role in tackling the challenges that visual art faces today including the biggest challenge of all how to maintain faith in art itself in a dysfunctional world

Transformative Objects and the Aesthetics of Play Lynn M.
