The Holy Spirit and Public Life Mark J. Cartledge, 2022-04-04 The Holy Spirit and Public Life offers a masterful analysis of the intersections between pneumatology and public theology as well as contemporary Christianity and secular society Examining issues from race to domestic violence with compassion as well as critical rigour Mark J Cartledge one of the UK's leading authorities on the Pentecostal Charismatic Movement skilfully anchors his argument in both the biblical text and insight and empirical data from the contemporary world His deep appreciation of the many ways in which the Christian faith inspires and empowers transformative social engagement will motivate and mould the rising commitment among Pentecostals and Charismatics to live the gospel in the public square in the power of the Spirit Finally Cartledge proposes that the church engage with society by being truthful with love This posture provides the integrating center for the life of the church and its mission in the world

Restoring All Things John Stonestreet, Warren Cole Smith, 2015-04-28 It's easy to get discouraged by the headlines It can often feel as if God has left the building like we are on our own We want to believe God's promises to us and we search for signs of his continuing restoration of the world in which we live Now with passion and heart two leading experts on Christianity and culture cut through the chaos and uncertainty to show readers how God is powerfully active and intensely engaged in fulfilling his promise to restore all things unto himself Through inspiring real life stories of justice mercy love and forgiveness in our midst Smith and Stonestreet present a God who is intimately involved in his creation and using his church to work out the redemption of this world

Why Not Today Matthew Cork, Kenneth Kemp, 2013-06-24 In a hotel room in Bangalore a California pastor wrestles with God and himself I draw in a long slow breath of Indian air The room is dark and still I have only one thing more to say Lord I'm in I am so in When Matthew Cork lead pastor of a church in a comfortable corner of Orange County first encountered the Dalit untouchable people of India on a visit to Hyderabad he was shaken to his core Children begging at the airport Elderly women sweeping gutters Families living in discarded concrete pipes He learned of the systemic bondage they had been in for thousands of years As Matthew came face to face with this suffering he knew

God was summoning him to help He knew that the greatest hope for the Dalits lay in educating their children something long closed to them So God gave Matthew a vision that would transform him and his church taking them on a journey from the suburban comfort of the US to the slums and villages of India Today a new movement is sweeping over the world a movement to set oppressed people free free from slavery sex trafficking poverty and political and social injustice Why Not Today is an invitation and a challenge to join in the efforts to bring freedom and hope to people suffering all over world Perhaps God has stirred a passion in you to help the poor and overcome injustice This story shows what God can do when we are willing to respond to that stirring Why not start today

Civilization at Risk Ron D. Pettite, 2021-03-09 A devastating human rights war has unfolded with precious few warriors to combat it let alone stem the brutal injustice that is of Holocaust dimensions If there is any scourge that puts Civilization at Risk it is the malignant disregard for the human rights of millions of people who suffer slavery and inhumane treatment at the hands of fellow human beings With 30 million people in slavery today 30 million Seeds of Strife have been sown as the souls of these victims are seared beyond human recognition Human Trafficking cannot be combated by indifference or ignorance but by the education of people worldwide to awaken them to this 21st Century scourge as well as by instilling in people across the globe the courage and determination to stand and fight this evil Civilization at Risk Seeds of Strife Second Edition offers an immediate call to arms to fight the evil that the human slaver wages against any attempt to create a just and benevolent civilization As the pen is mightier than the sword so too this book cuts to the quick to confront and dispel any efforts to mitigate the horrors of the 21st Century Holocaust that is Human Trafficking

The Church's Response to Domestic Violence Dr. Char M. Newbold, 2024-06-13 Abuse is hiding in our churches Our women and children are being wounded and even dying in their homes by those who have committed to love and protect them Domestic violence is present in families you would never suspect from the most respected to the least noticed even the family sitting near you in church Women are told God hates divorce learn to submit pray more turn the other cheek look at the plank in their own eye first forgive 70 times 7 By giving such advice to women living in abusive relationships well intentioned church leaders are sending women and children back into dangerous possibly deadly situations In The Church's Response to Domestic Violence a guide based on scriptural truth church leaders will learn the complexities of the dynamics of domestic violence who abuses and who is abused the effects of violence in the home the dangers of couples counseling how to respond to disclosures of abuse why she keeps going back why she doesn't just leave We need our clergy and church leaders to reject the false ideologies that put God's children at risk and equip the Church to be the clear voice of hope and healing for families
