The Wombles Go Round The World:

The Wombles Go Round the World Elisabeth Beresford, 2011-03-07 Great Uncle Bulgaria loves telling the ancient and revered history of the Womble clans to the younger Wombles But to his great sadness he notices that the young Wombles are not nearly as interested in the history as he is So Great Uncle Bulgaria decides to take action and show these young Wombles how wonderful and international the history of the Wombles is Tobermory invents some very eco friendly clockwork air balloons to travel in and Orinoco Bungo Tomsk and Wellington are sent variously to America Tibet and Australia In these interesting and far flung places the young Wombles get quite as much excitement as they could wish for *The Wombles at Work* Elisabeth Beresford, 2011-01-03 There has been a huge festival and no end of rubbish has been left behind everything from umbrellas to shoes drinks cans and bottles Who would have thought humans could leave so much behind not bothering to recycle The Wombles have their work cut out for them *The Wombles to the Rescue* Elisabeth Beresford, 2011-03-07

The Wombles have just gratefully returned to their burrow on Wimbledon Common They had had to leave because heavy lorries thundering up and down the nearby road threatened to make the roof of the burrow cave in However now that the Wombles are safely back there is another problem they have to contend with It seems that the humans have realised they have an energy crisis and are throwing much less away The Wombles supplies begin to run low What can the Wombles do It is time for EMERGENCY SPECIAL PROJECTS with DIY king Tobermory in charge **The Wombles Go Round The World**

, 1996 *The Creator of the Wombles* Kate Robertson, 2023-04-06 This is the extraordinary story of Elisabeth Beresford creator of The Wombles the furry fun loving recyclers of rubbish which became a children s publishing and television sensation in the 1970s What drove this imaginative and prolific writer of children s books to invent The Wombles From her birth in Paris in 1926 to her death in the Channel Islands in 2010 Beresford s working life was led to the full driven by the fear of debt Married to the TV and radio sports commentator Max Robertson and with two children Elisabeth s life was never dull but always uncertain In addition to writing over 140 children s books she wrote romantic fiction for women s magazines became a regular contributor to the Today program Woman s Hour BBC and Woman s World Central Office of Information As a journalist she interviewed a fascinating range of people from politicians and film stars to children in the remote Australian Outback With the publication of The Wombles and subsequently the enchanting BBC films Elisabeth found fame and for a very brief moment fortune This is the first biography of Mrs Womble as Elisabeth was known by millions of fans Written by her daughter with insider knowledge and access to private family archives diaries letters photographs and family memories this book relates the remarkable and often hilarious life of one of the 20th century s most successful children s authors

The Wombles Elisabeth Beresford, 2010-11-01 The Wombles is the first ever Wombles book and introduces the stern but kindly Great Uncle Bulgaria Orinoco who is particularly fond of his food and a subsequent forty winks general handyman extraordinaire Tobermory who can turn almost anything that the Wombles retrieve from Wimbledon Common into something

useful Madame Cholet who cooks the most delicious and natural foods to keep the Wombles happy and contented and last but not least Bungo one of the youngest and cheekiest Wombles of all who has much to learn and is due to venture out on to the Common on his own for the very first time **The Wombles Collection** Elisabeth Beresford,2021-06-24 Meet the original recyclers the Wombles of Wimbledon Common as they make good use of the rubbish humans throw away For the first time read all the Wombles stories in one Follow the young Wombles as they take their first steps outside the Womble burrow to collect rubbish in the big wide world Marvel at Tobermory's incredible inventions from what humans would consider trash And discover a whole Womble community as they head off around the world for even more adventures This collection contains all six of the Wombles books beautifully illustrated by Nick Price The Wombles The Wandering Wombles The Wombles at Work The Invisible Womble and Other Stories The Wombles to the Rescue The Wombles Go Round the World

The Encyclopedia of Fantasy John Clute,John Grant,1999-03-15 Like its companion volume The Encyclopedia of Science Fiction this massive reference of 4 000 entries covers all aspects of fantasy from literature to art *The Invisible Womble* Elisabeth Beresford,2012-04-10 Classic and much loved characters brought back into print with a fresh new cover look and inside illustrations to celebrate over 40 years of the Wombles Orinoco is perhaps the Womble who needs the most encouragement to go out on the daily sortie to clear up and recycle all the rubbish that humans leave behind Meanwhile Tobermory DIY er extraordinaire is getting to grips with the one of the humans more ingenious inventions the vacuum cleaner **Writers Directory** NA NA,2016-03-05
