Montague Summers

The Vampires Penance:

A Vampire's Penance Jennifer Armintrout, 2011 He s the good kind of vampire Sort of Buried in the Heartland is a town that no one enters or leaves Graf McDonald was the first visitor in more than five years and he was only looking for a party Unfortunately Penance Ohio is not that place After having been isolated for so long its inhabitants don t take kindly to strangers Jessa is the only one who trusts Graf and she s desperate for the kind of protection that only a vampire like him can provide Supplies are low the locals are stirring for a sacrifice and there s a monster lurking in the woods New men are hard to come by in the lonesome town and this handsome stranger might be Jessa s only help for salvation Even if she has to die first [The Vampire](#) Montague Summers, 1928 [The Vampire as Numinous Experience](#) Beth E. McDonald, 2015-01-24 The critical work examines the vampire as a spiritual figure whether literal or metaphorical analyzing how the use of the vampire in literature has served to convey both a human sense of alienation from the divine and a desire to overcome that alienation While expressing isolation the vampire also represents the transcendent agent through which individuals and societies must confront questions about innate good or evil and belief in the divine and the afterlife Textual experiences of the numinous in the form of the vampire propel the subject on a spiritual journey involving both psychological and religious qualities Through this journey the reader and the main character may begin to understand the value of their existence and the divine A variety of works poetry and fiction by British and American authors is discussed with particular concentration on Coleridge s *The Rime of the Ancient Mariner* Bram Stoker s *Dracula* and Anne Rice s *Vampire Chronicles* as representative of the Romantic Victorian and late twentieth century periods of literature A conclusion looks at the future of the literary vampire [Blood Bounty](#) Liza Street, 2020-08-24 Gracie Boswell s got a charmed bullet a brand new posse and a pack of outlaw vampires to kill The tiny town of Penance has a big vampire problem and charmslinger Gracie Boswell aims to be the solution A whole nest of vampires makes for a mighty fine bounty though and Gracie is far from the only charmslinger angling for the job When a charming local layabout and an old competitor elbow their way into Gracie s posse she s forced to at least pretend to play nice but trust is scarce in the west and smart bounty hunters always sleep with one eye open But Gracie doesn t have much time to watch her fellow bounty hunters Penance s vampire nest is bigger and more organized than anyone suspected and there s at least one traitor in the town s midst Soon Gracie finds herself in the unenviable position of leaning on her posse and at least one of them isn t what he claims to be USA Today best selling author Liza Street continues to thrill with a brand new alternate history western gothic series of outlaw vampires sinister fae magic and good old fashioned treachery Lovers of fantasy and supernatural horror will fall in love with this world Pick up *Blood Bounty* for a wild ride through the dark and dangerous west [Blood Beast](#) Liza Street, 2021-02-16 With hexes in their holsters and spells in their saddlebags Gracie Boswell s posse is on the hunt for supernatural outlaws Orner as a rattler and just as dangerous with her charmed pistol Gracie is settling into a cautiously friendly routine with her new partners Sam Carson and Levi Boone When Carson s

hometown sends out word begging for bounty hunters to handle a calamitous shapeshifter Gracie knows they're doomed to accept the job The bounty is everything they usually handle it's personal it's dangerous and no one else in their right mind would ever go after it Gracie's posse soon ends up in the business of sorting truth from lies however as the local shapeshifters and fae fling accusations at one another A supernatural gang war is brewing and they've accidentally inserted themselves right in the middle of it USA Today best selling author Liza Street adds a thrilling new installment to her western gothic series Pick up your copy of Blood Beast and join the posse for another wild ride through the dark and dangerous west

Charmslinger: Books One, Two, and Three Liza Street, Gracie Boswell's got a charmed bullet a brand new posse and a pack of outlaw vampires to kill The Rift Territory has a big vampire problem and charmslinger Gracie Boswell aims to be the solution When a charming local layabout and an old competitor elbow their way into Gracie's posse she's forced to at least pretend to play nice but trust is scarce in the west and smart bounty hunters always sleep with one eye open This collection includes Blood Bounty Blood Beast and Blood Ballad the first three novels in USA Today best selling author Liza Street's gothic western series It's packed full of outlaw vampires sinister fae and good old fashioned treachery Get ready for a wild ride through the dark and dangerous west
