The Red Badge of Courage and Other Stories Stephen Crane,2008-08-14 This edition explores Crane s work from a fresh critical perspective and introduces new research on the imaginative relationship between Crane s novel and the Civil War Quelle Buchdeckel verso

Against Nature Joris-Karl Huysmans,1998 Against Nature was fated to be a novel like no other Resisting the models of classic nineteenth century fiction it focuses on the attempts of its anti hero the hypersensitive neurotic and aesthete Des Esseintes to escape Paris and the vulgarity of modern life *The Sign of the Four* Arthur. Conan Doyle,Darryl Jones,2023 As a dense yellow fog swirls through London Sherlock Holmes sits in a cocaine induced haze at 221B Baker Street His mood is only lifted by a visit from a beautiful but distressed young woman whose father vanished ten years before The ensuing investigation involves a wronged woman stolen Indian treasure a helpful dog and a love affair

First Love and Other Stories Ivan Sergeevich Turgenev,1999 Bringing together six of Turgenev s best known stories in one volume this collection includes First Love Asya Mumu The Diary of a Superfluous Man Song of Triumphant Love and King Lear of the Steppes *Belinda* Maria Edgeworth,2020 Braving the perils of the marriage market Belinda learns to think for herself as the examples of her friends prove singularly unreliable Tackles issues of gender and race in a manner at once comic and thought provoking

The Duke's Children Complete Anthony Trollope,2020-10-22 He was alone in the world and there was no one of whom he could ask a question After the sudden death of his wife two years after he has left office as Prime Minister the Duke of Omnium must become deeply involved with his children for the first time They vex him enormously with school expulsions vast gambling debts and what he considers to be calamitous romantic attachments He tries to compel them to do what he wants but they are not so easy to manage Even when his eldest child and heir Lord Silverbridge makes him proud by embarking upon a political career the Duke grapples with heartache For Silverbridge becomes a Conservative rather than a Liberal flouting the family tradition The relationship between father and son is drawn with remarkable subtlety and the book as a whole becomes a piercing yet often humorous exploration of change how both the young and the old resist tolerate or embrace it Trollope cut roughly 65 000 words at a vulnerable moment in his career to get

the novel published but concluded rapidly that he had made a grievous error After a painstaking reconstruction by a team of researchers *The Duke's Children* the final book in Trollope's famed Palliser series can now be read the way he first intended It is a masterpiece of Victorian fiction

The Moonstone Wilkie Collins, 2019-08-08 Who in the name of wonder had taken the Moonstone out of Miss Rachel's drawer A celebrated Indian yellow diamond is first stolen from India then vanishes from a Yorkshire country house Who took it And where is it now A dramatist as well as a novelist Wilkie Collins gives to each of his narrators a household servant a detective a lawyer a cloth-eared Evangelical a dying medical man vibrant identities as they separately tell the part of the story that concerns themselves One of the great triumphs of nineteenth-century sensation fiction *The Moonstone* tells of a mystery that for page after page becomes more not less inexplicable Collins's novel of addictions is itself addictive moving through a sequence of startling revelations towards the final disclosure of the truth Entranced with double lives with men and women who only know part of the story Collins weaves their narratives into a web of suspense *The Moonstone* is a text that grows imaginatively out of the secrets that the unconventional Collins was obliged to keep as he wrote the novel

A Study in Scarlet Arthur Conan Doyle, 2023-02-07 There's the scarlet thread of murder running through the colourless skein of life In Arthur Conan Doyle's *A Study in Scarlet* a popular cultural phenomenon is born We meet two of the most famous characters in modern literary history the consulting detective Sherlock Holmes and John Watson an army doctor home on sick leave for the first time Through Watson we learn a little about the eccentric figure who is his new room-mate at 221B Baker Street before they encounter their first case an American visitor to the city has been killed in an empty house off the Brixton Road and the only clue the police have is the mysterious word *Rache* scrawled in blood-red letters on the wall As Holmes sets to work with his unique forensic methods behind the murder a tangled skein of love religion and revenge gradually unwinds taking us from the streets of London to the Utah Territory and back again As Nicholas Daly's Introduction describes out of this gripping tale grew the Holmes and Watson stories that would make Conan Doyle the best-paid author of his time His creations have become household words inspiring not only countless adaptations and imitations but a Sherlock Holmes museum Sherlock Holmes-themed pubs and a whole array of Holmesian merchandise from cushions to jigsaw puzzles Here though we meet Holmes and Watson before they became famous and we can see how their extraordinary impact on our popular culture derives from the late Victorian world from which they emerge

The Golden Pot and Other Tales E. T. A. Hoffmann, 2008-09-11 Hoffmann is among the greatest and most popular of the German Romantics This selection while stressing the variety of his work puts in the foreground those tales in which the real and the supernatural are brought into contact and conflict The humour of these tales is a result of the incongruity of supernatural beings at large in an ostentatiously everyday world They include *The Golden Pot* recognized as Hoffmann's masterpiece by himself and posterity its spine-chilling companion tale *The Sandman* which Offenbach drew on for his opera *Tales of Hoffmann* and which Freud examines in his essay *The Uncanny* two longer and more elaborate fantasies set respectively in

Germany and Italy and the late story *My Cousin's Corner Window* which shows the powers of the imagination being applied to everyday urban life and marks a transition in European literature generally from Romanticism to Realism Ritchie Robertson's detailed introduction places the stories in their intellectual and historical context and explores their compelling narrative complexities
