Angel City Jon Steele, 2016-08-02 It s been almost three years since we left Detective Jay Harper and high priced escort Katherine Taylor on the esplanade of Lausanne Cathedral bruised and battered from a biblical showdown with the Nephilim Katherine has retreated to small town life in the woods of Washington State with her son Max and a close protection detail of heavily armed elite members of the Swiss Guard Harper is living in Paris haunted by voices in his head and bone tired after what turns out to be two and a half million years on Earth Though Katherine and Harper have been prevented from remembering each other baby Max has unwittingly stirred the interest of vengeful spirits and only a worldwide and cosmic effort to save his life will bring Harper and Katherine together again Meanwhile from the shadows steps a defrocked priest named Astruc whose face looks as if it has been clawed by some terrible beast and who hides his eyes behind blue lenses He and his brilliant young ward Goose have discovered something unfathomable in the Catacombs under Paris something that will confirm that the time of the prophecy is at hand Electrifying from its explosive first scene to its unexpected and shocking conclusion Angel City reunites the unforgettable characters from The Watchers to reveal more of the earthly and otherworldly mysteries of the Angelus trilogy
