Borg, John Dominic Crossan, 2009-03-17 Top Jesus scholars Marcus J Borg and John Dominic Crossan join together to reveal a radical and little known Jesus As both authors reacted to and responded to questions about Mel Gibson s blockbuster The Passion of the Christ they discovered that many Christians are unclear on the details of events during the week leading up to Jesus s crucifixion Using the gospel of Mark as their guide Borg and Crossan present a day by day account of Jesus s final week of life They begin their story on Palm Sunday with two triumphal entries into Jerusalem The first entry that of Roman governor Pontius Pilate leading Roman soldiers into the city symbolized military strength The second heralded a new kind of moral hero who was praised by the people as he rode in on a humble donkey The Jesus introduced by Borg and Crossan is this new moral hero a more dangerous Jesus than the one enshrined in the church s traditional teachings The Last Week depicts Jesus giving up his life to protest power without justice and to condemn the rich who lack concern for the poor In this vein at the end of the week Jesus marches up Calvary offering himself as a model for others to do the same when they are confronted by similar issues Informed challenged and inspired we not only meet the historical Jesus but meet a new Jesus who engages us and invites us

McGlasson,2017-05-25 The present volume is the fourth in a five volume study of church doctrine The multivolume set covers the major parts of church doctrine Canon God Creation Reconciliation and Redemption The first volume begins with an introduction to the entire project on why doctrine matters which stresses the ecumenical global and above all biblical horizons of church doctrine as a primary expression of Christian witness The purpose of this fourth volume is to celebrate the gospel of Jesus Christ as the treasure of the church and the power of God for the reconciliation of the world The gospel bears witness to the life death and resurrection of Jesus Christ and calls for faith in him as the free gift of forgiveness and new life The gospel is constantly in motion tearing down every barrier of human bigotry and prejudice not only forming a new society but reforming the church itself Church doctrine is not a luxury but a necessity for the living community of faith by which its witness in word and deed is tested against the one true measure of Christ the risen Lord *Walking the Labyrinth* Travis Scholl,2014-09-05 Providing a historical and modern context for the unique spiritual discipline of walking a labyrinth Travis Scholl weaves his own journey with a prayerful study of the Gospel of Mark guiding readers to powerful encounters with God even in the midst of quiet solitude repetition and stillness These 40 reflections are ideal for daily reading during Lent or any time of the year

Seeking the Beloved Wayne Simsic,2012-04-01 Prayer is not just time set aside for God or the use of certain techniques it is primarily an intimate relationship with God the Beloved If we hunger for a prayer that is deeper than words and that we can bring to every part of our lives no matter what we are doing then we can turn to St John of the Cross as our guide Retreat master and author Wayne Simsic insists that while it s easy to write off this saint as an otherworldly ascetic and mystic he was actually a down to earth and wise administrator poet and artist whose writings have great relevance for us today In this book Simsic helps readers discover the gift of contemplative prayer as unfolded by this Carmelite saint whose longing for a deep intimacy and union with God can become our longing as well The Cross Douglas Vickers,2010-04-02 A question has challenged the human conscience for two thousand years How are we to explain the presence of Jesus Christ in this world Or who indeed was Jesus Christ A man like the rest of men Or was he a divine Person Why was it that well practiced soldiers who failed to fulfill their commission to arrest him said Never man spoke like this man The early church confirmed the apostles declaration that Jesus Christ was the eternal Son of God and that he came into the world to fulfill a messianic redemptive assignment Christ Jesus the apostle to the Gentiles explained came into the world to save sinners In The Cross Its Meaning and Message in a Postmodern World Douglas Vickers sees the cross as the watershed of history The divine objectives that the cross addressed bear vitally on the human condition vitiated as that is by the entailment of sin In an

age in which postmodernist claims have rejected absolute criteria of truth and validity the Christ of the cross provides the only refuge for those burdened by the search for meaning The Cross explores the way of reconciliation between God and man It affirms the apostolic claim that In Christ are hid all the treasures of wisdom and knowledge
