Curse of the Gold Cross Terry Chandler,2012-05 My name is Terry Chandler I am a disabled American that retired from the federal government after twenty six years of service I have been so blessed to have traveled the world Every moment was like a story from the people I met Now I would like to share with you a moment in time that still lives in my personal journey My inspiration for writing this story was based on an employee that I met while I was working in South Korea My work leader recommend that the employee be fired In the days to come I watched the employee closely and from what I could see he was my best worker I needed to find out what the real problem was so I decided to have a meeting with him to hear his side of the story He started to tell me about his life He said his mother gave birth to him after being raped in a camp where she was keep to satisfy Japanese soldiers He said the Koreans hated him because they know who he is and how he came into this world His face was a reminder of what once was This grown man just cried like a child that was still in prison but this time it was a prison of hate and his crime was living Subtlety Paul Linke,2021-07-06 Subtlety is about a universal force that is present in all things at every scale from atoms to the stars and this book makes an attempt to explain this subtle force which resides in all things International Exposition St. Louis 1904 Germany.
