Matthew Ingalls

The Upside Down Church:

The Upside Down Church Greg Laurie, 2000-01-24 2000 Gold Medallion Award winner The Upside Down Church is a must read for pastors and church lay leaders to help them grasp the principles of biblical church growth Any church can revolutionize its community for Christ by following a biblical model for local church ministry Readers will rediscover the first century church priorities of fellowship evangelism worship and discipleship The UpSideDown Life Nathan Weselake, 2021-07-14 A newly Christian friend of mine asked me to recommend a book to help her and her husband get off to a strong start in their new faith I set out to find the perfect book To hold their attention it had to be the literary equivalent of a successful date night movie It needed romance humor suspense and possibly lucrative product placements It needed something for him and something for her But it couldn't be fluff it needed to be genuinely helpful I set out to find such a book I left no stone unturned I left no turn stoned In fact at no point was I stoned Rather my glassy eyes were due to disappointment as book after book failed to meet my stringent criteria But I didn't give up instead I started writing the book I was looking for and now you have it in your hot little hands unless you have cold hands The temperature of your hands is beside the point The point is new Christians have long needed a wise and fun mentor to guide their formative first steps as Jesus followers The three core beliefs and six core practices of the UPSIDEDOWN Life provide the wisdom I solemnly pledge to bring the fun The Upside Down Church Fred Childs, 2000 **The Church that Turned the World Upside Down** Roy Clements, 1992 **The Point of Church** Steven Weems, 2021-07-02 What's the point of going to church Why get up so early in the morning put on a bunch of uncomfortable clothes sing the same songs give away your hard earned money shake hands with people you don't really even know and sometimes don't even like and end up wasting your entire Sunday morning Why do people put themselves through this on a weekly basis This book is meant to help people understand that there is a point to church a perfectly logical reason millions of people attend worship services around the world every week and a reason men and women have dedicated their lives to serve in their local churches There's a reason people sell everything they own and fly halfway around the world to start churches in cultures they know nothing about Read this book with an open mind and an open heart and you will discover that there is a point to church **The Upside Down Way** Matthew Ingalls, 2017-02-14 Jesus' life should turn our world upside down His first observers according to Luke were routinely seized with amazement both at the bending of physics making the blind see and lame walk and at the ridiculous things he did and taught A careful look at the Jesus of the Gospels sketches a man completely out of touch with conventional thinking a man radically devoted to living a shocking life for the sake of the broken and forgotten In popular depictions of Jesus today he seems to be more concerned with upholding a conventional way of life than with overturning our understanding of ourselves Jesus' life story should lead more to humble servanthood than to syncopated light shows in church or the triumph of a political candidate or a well ordered and respectable lifestyle The Upside Down Way is a series of devotionals drawn from the text of

Luke Each devotional is an invitation to a fresh look at the outrageous words and actions of Jesus Author and pastor Matthew Ingalls combines rigorous historical study with a voice that is unflinchingly bold reflective honest and challenging in order to elevate Luke s ridiculous Jesus to his rightful position as the fountain of Christian faith *The Power of the Original Church* Joseph L. Green,2011-06-21 For too long God s enemy has effectively separated the Church from the true Word of God and God s appointed times This has caused the Church to lack power and influence Modern day churches are shells of the original Church that turned the world upside down The Power of the Original Church practically and biblically deals with the tragedy of how today s churches are not as effective as they could be You may ask Why should I care Until believers care about how powerful the Church is in their community and nation the enemy will continue to take more and more souls from Heaven s gates You may not recognize your surroundings in the future if Christians don t take a stand now God s way is about relationship and not religion Through the Word of God you will be empowered and truly the original Church can be restored in these days What's Good about this News? David Lyon Bartlett,2003-01-01 In this study of the Gospels and the book of Galatians David Bartlett explores how to reconcile the biblical text s message to our contemporary context and a particular congregation s character and need While as he shows important continuities exist in the way the good news is understood throughout the New Testament precisely what it looks like and how Christians respond to it differs between Mark Paul John and the rest of the writers Consequently he demonstrates preachers have options as they try to discern what news a congregation needs to hear on a particular Sunday Including sample sermons What s Good about This News shows how each of these biblical texts remains a redemptive word for today s people *Solving the Mystery of Babylon the Great* Edward Hendrie,2011-03-11 Attorney and Christian researcher Edward Hendrie investigates and reveals one of the greatest exposes of all time a book you don t want to miss Solving the Mystery of Babylon the Great is packed with documentation Never before have the crypto Jews who seized the reins of power in Rome been put under such intense scrutiny Texe Marrs Power of Prophecy People have wondered and debated for centuries about the identity of the mysterious Babylon the Great in the book of Revelation Solving the Mystery of BABYLON THE GREAT examines the historical evidence in light of the scriptures and solves the mystery The evidence leads to the ineluctable conclusion is that the Roman Catholic Church was established by crypto Jews as a false Christian front for a Judaic Babylonian religion That religion is the nucleus of a world conspiracy against man and God That is not a soft conspiracy theory based upon speculation but rather the hard truth based upon authoritative evidence which is documented in this book Texe Marrs explains in his foreword to the book Who is Mystery Babylon What is the meaning of the sinister symbols found in these passages Which city is being described as the great city so full of sin and decadence and who are its citizens Why do the woman and beast of Revelation seek the destruction of the holy people the saints and martyrs of Jesus What does it all mean for you and me today Solving the Mystery of Babylon the Great answers these questions and more Edward Hendrie s discoveries are not based on prejudice but on

solid evidence aligned forthrightly with the whole counsel of God He does not condone nor will he be a part of any project in which Bible verses are taken out of context or in which scriptures are twisted to mean what they do not say Again and again you will find that Mr Hendrie documents his assertions backing up what he says with historical facts and proofs Most important is that he buttresses his findings with scriptural understanding The foundation for his research is sturdy because it is based on the bedrock of God s unshakeable Word
