The Veritas Conflict:

The Veritas Conflict Shaunti Feldhahn, 2009-01-21 Claire Rivers races to the mailbox to receive a letter of acceptance to Harvard University while a heavenly battle rages In this fast paced suspenseful novel the ageless war for the hearts and minds of students on our college campuses is revealed Conflict between unseen evil and angelic forces reflects their battle for victorious living amidst confused messages When Claire and her roommate encounter attacks on their faith a deeper mystery involving Harvard's Christian heritage the pull of money and a dark plan for societal corruption unfolds around them Will they succumb to temptation and destruction What has become of Harvard's founding motto Veritas Christo et Ecclesiae Truth for Christ and the Church Can Claire with other praying students and their parents counteract the forces of humanism and relativism and what will it cost them to do so

The Lights of Tenth Street Shaunti Feldhahn, 2011-08-17 They have the house the two kids and the minivan They have a well meaning but shallow church What Sherry doesn't know is that Doug has a shameful struggle with his thought life When an exotic dancer's life intersects theirs this suburban couple has to make a hard choice do they risk their convenience and security for her sake or do they cross to the other side of the road The dark forces will not easily give up their most important pawn But Ronnie must come out of the darkness for only she can unravel a plot of devastating destruction Who knew Christian fiction could be so exciting and so relevant to the times A fascinating tale of people caught up in temptation spiritual mediocrity and high tech terrorism *The Lights of Tenth Street* is an edge of your seat spiritual thriller Bill McCartney Founder and President Promise Keepers *The Light Shines in Darkness* At either end of Tenth Street in Atlanta the welcome lights of two separate establishments beckon passersby the staid and proper Trinity Chapel and The Challenger a popular gentlemen's club Within them dwell conflicting sets of values and people who have radically divergent stories and very different lives or do they Ronnie Hanover leaves an abusive home situation for her dream of going to college in the city When she takes a lucrative job waitressing at a strip club on Tenth Street she finds herself trapped in the life of an exotic dancer and tangled up in an espionage scheme drawn straight from today's headlines At the other end of Tenth Street Doug and Sherry Turner have the house the two kids the minivan and a respectable church attendance But Doug also has a serious battle with his thought life that his wife does not begin to comprehend When Ronnie's life intersects theirs Doug and Sherry must decide if they're willing to risk their convenience and security to respond to her cry for help As angelic forces do battle behind the veil it's clear that the choice Doug and Sherry make and how they confront painful issues in their marriage has the terrifying power to deepen or illuminate the spiritual darkness

For Women Only Shaunti Feldhahn, 2004 What's going on in a man's mind Feldhahn's research reveals the inner lives of men and will open women's eyes to what the men in their life are really thinking and feeling To Know You Shannon Ethridge, Kathryn Mackel, 2013-10-22 Julia Whittaker's rocky past yielded two daughters both given up for adoption as infants Now she must find them to try to save her son Julia and Matt Whittaker's son has beaten the odds for thirteen years only to have the odds

and his liver crash precipitously The only hope for his survival is a living liver transplant but the transplant list is long and Dillon's time is short His two older half sisters born eighteen months apart to two different fathers offer his only hope for survival But can Julia ask a young woman someone she surrendered to strangers long ago and has never spoken with to make such a sacrifice to save a brother she's never known Can she muster the courage to journey back into a shame filled season of her life face her choices and their consequences and find any hope of healing And what if she discovers in her own daughters lives that a history of foolish choices threatens to repeat itself Julia knows she's probably embarking on a fool's errand searching for the daughters she abandoned only now that she needs something from them But love compels Julia to take this journey Can grace and forgiveness compel her daughters to join her

Freefall of the American University Jim Nelson Black, 2012-12-03 It's happening in colleges all across the country Instead of being educational institutions designed to encourage the free discussion of ideas universities have become prisons of propaganda indoctrinating students with politically correct and often morally repugnant ideas about American life and culture This book exposes the liberal bias in today's universities providing hard evidence in clear and unimpeachable terms that shows how today's colleges are covertly and overtly proselytizing with leftist slants on sexuality politics and lifestyles By naming names and providing specific and credible insights from faculty members administrators professional observers and analysts who have witnessed and chronicled the intellectual and ethical collapse taking place within the academy this book offers a broad overview of the issues the history of the problems analysis from a broad range of academics and professionals and also observations of the university students themselves in their own words from schools all across the nation
