The Voice Is Just The Vehicle For The Vibe:

Just Between Us Rebecca Drake, 2025-09-23 Twisty and compelling a terrific read Associated Press Compulsively readable Just Between Us winds its roller coaster plot around our tendency to see exactly what we are looking for while our little lies take on dangerous lives of their own O The Oprah Magazine A twisty domestic thriller tense bombshell laden and action packed Publishers Weekly Female friendships flourish then falter under the weight of chance events underlaid by secrecy and deceit Drake shows a sure hand in spinning suburban thrillers Booklist Four suburban mothers conspire to cover up a deadly crime in Just Between Us a heart stopping novel of suspense by Rebecca Drake Alison Julie Sarah Heather Four friends living the suburban ideal Their jobs are steady their kids are healthy They re as beautiful as their houses But each of them has a dirty little secret and hidden behind the veneer of their perfect lives is a crime and a mystery that will consume them all Everything starts to unravel when Alison spots a nasty bruise on Heather s wrist She shares her suspicions with Julie and Sarah compelling all three to investigate what looks like an increasingly violent marriage As mysterious injuries and erratic behavior mount Heather can no longer deny the abuse but she refuses to leave her husband Desperate to save her Alison and the others dread the phone call telling them that she s been killed But when that call finally comes it s not Heather who s dead In a moment they ll come to regret the women must decide what lengths they ll go to in order to help a friend Just Between Us is a thrilling glimpse into the underbelly of suburbia where not all neighbors can be trusted and even the closest friends keep dangerous secrets You never really know what goes on in another person s mind or in their marriage
