The War Of Our Childhood The War Of Our Childhood:

The War of Our Childhood Wolfgang W. E. Samuel, 2009-09-18 One survivor tells of the fire bombing of Dresden Another survivor recounts the pervasive fear of marauding Russian and Czech bandits raping and killing Children recall fathers who were only photographs and mothers who were saviors and heroes These are typical in the stories collected in The War of Our Childhood Memories of World War II For this book Wolfgang W E Samuel a childhood refugee himself after the fall of Nazi Germany interviewed twenty seven men and women who as children by chance and sheer resilience survived Allied bombs invading armies hunger and chaos Our eyes carried no hate only recognition of what was Samuel writes of his childhood Peace was an abstraction The world we Kinder knew nearly always had the word war appended to it Samuel s heartfelt narratives from these innocent survivors are invariably riveting and often terrifying Each engrossing story has perilous and tragic moments school children in Leuna who are sent home during an air raid but are strafed as moving targets fathers who exist only as distant figures returning to their families long after the war or not at all mothers who are raped and tortured families who are forced into a seemingly endless relocation that replicates the terrors of war itself In capturing such experiences from nearly every region of Germany and involving people of every socio economic class this is a collection of unique memories but each account contributes to a cumulative understanding of the war that is more personal than strategic surveys and histories For Samuel and the survivors he interviewed agony and fright were part of everyday life just as were play wondrous experience and above all perseverance My focus Samuel writes is on the astounding ability of a generation of German children to emerge from debilitating circumstances as sane and productive human beings **The Children's War**

R. Kennedy, 2014-02-13 British children were mobilised for total war in 1914 18 It dominated their school experience and they enjoyed it as a source of entertainment Their support was believed to be vital for Britain s present and future but their participation was motivated by a desire to remain connected to their absent fathers and brothers Educational and Loan Benefits for Widows and Children of World War II Veterans United States. Congress. House. Committee on Veterans' Affairs. Subcommittee on Education, Training, and Rehabilitation, 1947 *The Child* , 1937 Newer Roosevelt messages: speeches, letters and magazine articles dealing with the war, before and after, and other vital topics Theodore

Roosevelt, 1919 **War Poems, 1861-1865** Mrs. Helen Pleasants McDaniel, 1901 *Good Housekeeping ...* , 1919 *Our War Too* Margaret Paton-Walsh, 2002 In the late 1930s a number of American women especially those allied with various peace and isolationist groups protested against the nation s entry into World War II While their story is fairly well known Margaret Paton Walsh reveals a far less familiar story of women who fervently felt that American intervention was absolutely necessary Paton Walsh recounts how the United States became involved in the war but does so through the eyes of American women who faced it as a necessary evil Covering the period between 1935 and 1941 she examines how these women functioned as political actors even though they were excluded from positions of power through activism in women s

organizations informal women s networks and even male dominated lobbying groups In the Great Debate over whether America should enter the war some women favored aid to the Allies not because they hoped for war but because they hoped aid would forestall more direct U S involvement but also because they believed war was preferable to a Nazi victory Paton Walsh shows that this activism involved some of the most prominent women of their day Elizabeth Cutter Morrow whose son in law Charles Lindbergh was an isolationist spokesman supported the revision of the Neutrality Acts to allow the sale of arms to the Allies and expressed her support in a national radio broadcast Soon other women joined this debate Esther Brunauer of the AAUW journalist Dorothy Thompson and organizations like the League of Women Voters and National Women s Trade Union League broke from the pacifist tradition to advocate American aid for the Allied cause Focusing on the conflict in Europe Paton Walsh shows how these women grasped the implications of the Lend Lease program for America s entry into the war but supported it nevertheless By late 1941 the Women s Division of the Fight for Freedom Committee had been established no longer merely advocating aid to Britain to keep American boys out of battle this organization supported direct American involvement in the war as a means of stopping Nazi oppression While most historians have focused on women s pacifism Paton Walsh connects women more directly to world events and shows how those interventionists reformulated maternalist ideas to justify and explain their beliefs Our War Too is a story of American women trying to reconcile the irreconcilable to preserve both their principles and their peace It expands our understanding of women as political actors and thinkers about foreign policy as it sheds new light on American public opinion over the build up to the war
