The Way Of Tenderness Awakening Through Race Sexuality And Gender:

The Way of Tenderness Zenju Earthlyn Manuel, 2015-02-17 What does liberation mean when I have incarnated in a particular body with a particular shape color and sex In *The Way of Tenderness* Zen priest Zenju Earthlyn Manuel brings Buddhist philosophies of emptiness and appearance to bear on race sexuality and gender using wisdom forged through personal experience and practice to rethink problems of identity and privilege Manuel brings her own experiences as a lesbian black woman into conversation with Buddhism to square our ultimately empty nature with superficial perspectives of everyday life Her hard won insights reveal that dry wisdom alone is not sufficient to heal the wounds of the marginalized an effective practice must embrace the tenderness found where conventional reality and emptiness intersect Only warmth and compassion can cure hatred and heal the damage it wreaks within us This is a book that will teach us all **The Way of**

Tenderness Zenju Earthlyn Manuel, 2015-02-17 What does liberation mean when I have incarnated in a particular body with a particular shape color and sex In *The Way of Tenderness* Zen priest Zenju Earthlyn Manuel brings Buddhist philosophies of emptiness and appearance to bear on race sexuality and gender using wisdom forged through personal experience and practice to rethink problems of identity and privilege Manuel brings her own experiences as a bisexual black woman into conversation with Buddhism to square our ultimately empty nature with superficial perspectives of everyday life Her hard won insights reveal that dry wisdom alone is not sufficient to heal the wounds of the marginalized an effective practice must embrace the tenderness found where conventional reality and emptiness intersect Only warmth and compassion can cure hatred and heal the damage it wreaks within us This is a book that will teach us all Sanctuary Zenju Earthlyn

Manuel, 2018-04-03 A singular work of poetic prose exploring otherness and belonging and what it means to be truly at home *Sanctuary* A Meditation on Home Homelessness and Belonging examines the interface between inner and outer sanctuary and the ways they affect one another Sanctuary is the home we can return to when our lives are under threat where we can face what is difficult to love and have a place where we can truly say I am home and spiritual teachers often emphasize sanctuary's inner dimensions that our true home is within Homelessness in turn can be viewed as a forced experience or one in which there is a spiritual void in being or feeling home Drawing from her life as a Zen Buddhist priest whose ancestors labored as slaves in Louisiana Zenju Earthlyn Manuel explores the tension between oppression based on race religion ability class orientation gender and other ghosts of slavery and finding home within our own hearts Through intimate personal stories and deep reflection Manuel helps us see the moment when the unacknowledged surfaces as the time we have been practicing for the epiphany when we can investigate the true source what has been troubling us This insightful book about home and homelessness sanctuary and refuge offers inspiration encouragement and a clear eyed view of cultivating a spiritual path in challenging times **Awake Where You Are** Martin Aylward, 2021-11-02 The body is of course integral to

meditation but there are only a few books that focus this specifically on the body and the meditative experience *Awake*

Where You Are addresses that need and additionally integrates psychological concepts which provides a more familiar entry point for people less familiar with Buddhism Embodied awareness is the way back home intimacy with where and how we are right now with what is happening and how we are meeting it My intention is to lead you into the heart of your life Inside your body where everything happens within a quality of listening rather than knowledge of feeling rather than reaction This meditative practice is radically transformative Martin Aylward Pulled around by desires and distractions we re so easily disconnected from ourselves Life is happening right in front of us and within us but still we manage to miss so much of it Awake Where You Are provides the antidote inviting us to go deep into our own bodies to inhabit our sensory experience carefully to learn the art of living from the inside out and in the process to find ease clarity and an authentic unshakeable freedom The practices in the book literally bring us back into our skin where we can reconnect with a more rich meaningful and peaceful life Aylward writes with sophisticated subtlety as well as the heart opening simplicity and clarity born of deep experience And this book is more than a meditation guide it s a guide to living an embodied life You ll learn about the following areas and practices Understanding and liberating our primal human drives Aylward explains how the three primary drives survival sexual and social function within us and how we can engage their energy to explore understand and liberate them Integrating psychological understanding with meditative practice Awake Where You Are goes beyond the broad brushstrokes of Buddhist psychology inviting the reader into an exploration of their own particular psychological history and conditioning Investigating the nuances of love Readers will learn to see the classical Buddhist heart qualities or brahmaviharas loving kindness compassion appreciative joy and equanimity as distinct flavors of love and as the natural resting places of a free heart Martin is a marvelous teacher and offers us the refreshing wisdom of an embodied life Jack Kornfield author of No Time Like the Present

[Tilling Sacred Grounds](#) Phillis Isabella Sheppard,2022-03-21 Tilling Sacred Grounds examines Black women s interiority and negotiation of race gender and sexuality in religious spaces and religious practices Phillis Isabella Sheppard argues for the importance of the exchange between interiority and public spaces and examines religion in cyberspace art ritual and street ministry She refigures the location of religious experience by retrieving Black women s interiority as religious space Often excluded from Black religious studies interiority is necessary for understanding Black women s complex and even unconscious relationship with religion The book weaves a thread by stressing that interiority has subjective intersubjective conscious unconscious and relational dimensions formed in historical and social contexts
