The Whole Language Kindergarten Shirley C. Raines, Robert J. Canady, 1990 Teachers interested in transforming their traditional kindergartens into child centred Whole Language classrooms now have a model for change Resources in Education ,2001-04 Widening the Circle Samuel L. Odom, 2002 In this book a distinguished group of early childhood special educators and researchers explores the barriers to and influences on inclusive education settings for young children Chapters cover such timely topics as individualized instruction social relationships of children with disabilities collaborative relationships among adults family perceptions of inclusion classroom ecology and child participation community participation social policy and cultural and linguistic diversity Expert contributors addressing each of these topics draw useful implications for practitioners providing helpful suggestions for modifying activities materials environmental supports and teaching strategies Based on a groundbreaking 5 year research study conducted by the Early Childhood Research Institute on Inclusion Widening the Circle is a must read for all professionals working in inclusive settings **Multicultural Teaching in the Early Childhood Classroom** Mariana Souto-Manning, 2015-04-24 This unique book features an array of approaches strategies and tools for teaching multiculturally in the early years The teachers and classrooms portrayed here provide young children with rich educational experiences that empower them to understand themselves in relation to others You will see how amazing teachers engage in culturally responsive teaching that fosters educational equity while also meeting state and national standards such as the Common Core State Standards This engaging book is sprinkled with questions for reflection and implementation that encourage educators to start planning ways of enhancing their own teaching making their early childhood setting a more equitable learning space Book Features Multicultural education in action including the everyday issues and tensions experienced by children and their families Powerful vignettes from diverse Head Start preschool kindergarten 1st and 2nd grade classrooms throughout the United States Sections on Getting Started and Considering Obstacles and Exploring Possibilities in each chapter A list of multicultural children s books and resources for further reading Chapters Multicultural Tools and Strategies for Teaching Young Children Multicultural Education as Transformative Education Interviews Encouraging Children to Ask Questions Critical Inquiry Supporting Children s Investigations Culture Circles with Multicultural Literature Addressing Issues of Fairness Community Resources and Home Literacies Developing Funds of Knowledge Technology Media ting Multicultural Teaching Storytelling and Story Acting Creating Spaces for Children to Negotiate Change Reflecting on the Possibilities of Teaching Multiculturally What Next What If Mariana Souto Manning is Associate Professor of Education in the Department of Curriculum and Teaching at Teachers College Columbia University A profound rich and rewarding meditation and deep conversation with teachers fully engaging young children with culture social history and learning for the future This wide ranging book escapes temporal spatial and disciplinary boundaries Read it and reflect on how you can take it into your own life of learning Shirley Brice Heath Professor Emerita

Stanford University Early childhood educators will experience this unique book as a warm and detailed invitation to engage in multicultural education The emphasis throughout is on multi multiple pedagogical approaches from culture circles to podcasts to story acting and multiple cultural heritages embodied by active children and teachers From a critical perspective and alongside creative teachers who aspire to be transformative Souto Manning links accessible theory with rich and thoughtful practices Celia Genishi Professor of Education Teachers College Columbia University Mariana Souto Manning s Multicultural Teaching in the Early Childhood Classroom rightly places the use of deficit thinking and ineffective teaching strategies in the wasteland of classroom instruction The author superbly documents and explains ways of teaching multiculturally that will richly benefit the learning of all students and make teaching become the fun that teachers dreamed it would be when they first said I want to teach because I love kids Carl A Grant Hoefs Bascom Professor University of Wisconsin Madison Multicultural Teaching in the Early Childhood Classroom encourages teachers to honor affirm and challenge even our very youngest children to think inclusively critically and democratically a necessity if we are to help develop knowledgeable caring and empowered learners Sonia Nieto Professor Emerita University of Massachusetts Amherst

A Matter of Trust Carollee Howes, Sharon Ritchie, 2002-09-19 The authors draw on their experiences as a developmental psychologist and as a teacher educator to provide ways for teachers to create positive child teacher relationships and classroom climates This forward looking volume applies attachment theory to child teacher relationships explores strategies that teachers can use to foster positive student behavior provides narrative examples from early childhood classrooms serving primarily low income children of color and uses stories from exemplary classrooms as well as those in which teachers are struggling with relationships

Inclusion in the Early Childhood Classroom Susan L. Recchia, Yoon-Joo Lee, 2015-04-18 In this engaging book the authors share stories from their practice and research about several young children with a variety of developmental delays and disabilities and their teachers They explore the ways that teachers and children respond in real classrooms to real challenges examining both those opportunities that are capitalized on as well as those that are missed The book addresses a wide array of issues that contribute to our understanding of what makes a difference in the inclusive early childhood classroom including the role of development ways of honoring different learning styles building a sense of classroom community addressing power dynamics and responding to conflict with both teachers and peers This practical resource introduces a framework that will inspire early childhood teachers to reflect on their own practices and take action to develop new strategies for teaching in inclusive classrooms
