The Wonder Of Worship:

The Wonder of Worship Darril Deaton, 2005-11 The Wonder of Worship: Exploring the Power of Praise and Worship Nicole R. Bowen Th.D., 2021-11-04 Worship is an integral element of the typical church worship service Yet no church formulates worship quite the same way It seems that each church has its own style culture and worship personality With all the differences in worship today what makes up a true worship service How do we know that worship is being done in a Biblical way Worship leaders come in all shapes and sizes What are the true functions of a worship leader What does the Bible say about leading worship How does worship leadership look that is pleasing to God Worship is the place where the tangible presence of God comes down and reaches human beings When true worship comes down to earth it brings the presence of God It is Jehovah God coming to earth to meet with His creation Humans reaching up and into the presence of God can bring down whatever it is that is needed for life health goodness healing and wholeness Whatever we need is in the presence and the glory of God The Wonder of Worship is designed to teach tools to develop the talent and the gifting that comes with a worship leader However just because you are not called to be a worship leader doesn't mean you cannot learn how to be a better worshipper within these pages This book will take you into the presence of God It is a must read for anyone who desires to glean learn grow and become the best worshipper you can be on this earth in preparation for the eternal worship service that we someday will be joining
