Trinidad And Tobago Macmillan Caribbean Dive Guides:

Trinidad and Tobago Solomon Baksh, 2006-01-09 Trinidad and Tobago is the most southern of the Caribbean chain and offers some of the worlds best diving Over recent years dive holidays have greatly increased in popularity in the twin island state and they boast a large number of exciting dive locations with ideal conditions and clear waters Tobago is particularly blessed in this regard This comprehensive Macmillan Caribbean Dive Guide contains a wealth of information both practical and technical for the experienced and beginner alike Each of the dive descriptions has a depth range an indication as to grade beginner intermediate and advanced as well as an invaluable GPS location The names and addresses of the dive centers are listed for each dive along with tips on what to look out for including a detailed marine life identification guide

Sport Diver ,2005-07 *Sport Diver* ,2005 *Caribbean Islands Handbook* ,2005 Footprint Caribbean Islands Handbook 2003 Sarah Cameron, 2002 Footprint Caribbean Islands Handbook is fully updated with the best information on almost every island in the Caribbean The individual flavors of each island are captured along with practical advice and accessible recommendations and this edition contains a double page full color front map illustrating the highlights of the countries Over 120 island and town maps **Trinidad & Tobago (Adventure Guide)**. , Although definitely a part of the Caribbean these two islands are unique refusing to conform with the stock Caribbean image created by glossy brochures and travel agencies They are both generous and Caribbean spirited but quite capable of going their own way This Adventure Guide takes you across the nation from mountains and hills to grasslands savannahs and palm lined beaches offering the intrepid traveler a ticket to explore Birdwatchers are drawn by the chance to see the beautiful scarlet ibis Night time excursions allow visitors to watch the miraculous egg laying practices of the leatherback turtle And caiman smaller versions of the South s alligators are a common sight And then there s Carnival which offers wild dances fantastical costumes and frenzied revellers Whatever your reason to visit T T you have the right guide in hand Accommodations restaurants travel tips sights museums excursions it s all here A special section is dedicated to the nation s booming yachting industry with details on marinas facilities and services *Caribbean* Caroline Radila Scott, 2005 One of over 400 titles in the Insight series Insight Guide Caribbean This 406 page book includes a section detailing the Caribbean s history 5 features covering the islands life and culture ranging from its creole cuisine to its mobile chattel houses an island by island visitor s guide to the sights and a comprehensive Travel Tips section packed with essential contact addresses and numbers Plus 331 exciting photographs and 19 maps **Adventure Guide to Trinidad and Tobago** Kathleen O'Donnell, 2001-03 Although definitely a part of the Caribbean these two islands are unique refusing to conform with the stock Caribbean image created by glossy brochures and travel agencies They are both generous and Caribbean spirited but quite capable of going their own way This Adventure Guide takes you across the nation from mountains and hills to grasslands savannahs and palm lined beaches offering the intrepid traveler a ticket to explore Birdwatchers are drawn by the chance to see the beautiful scarlet ibis Night time

excursions allow visitors to watch the miraculous egg laying practices of the leatherback turtle And caiman smaller versions of the South s alligators are a common sight And then there s Carnival which offers wild dances fantastical costumes and frenzied revellers Whatever your reason to visit T T you have the right guide in hand Accommodations restaurants travel tips sights museums excursions it s all here A special section is dedicated to the nation s booming yachting industry with details on marinas facilities and services I wish I d had this book the first time I visited Trinidad and Tobago The book fully describes the culture of these island people and this knowledge would make a trip to these wonderful islands even more enjoyable I also believe it s a good choice for readers who can t make the trip but still want to taste the culture Amazon customerI ve been to TNT once for two weeks and am returning again in a few months I bought the book to refresh my memory and more importantly get me excited about my return trip It s a great read and as the back cover suggests it really is written for the traveler who wants to experience more than just sunbathing However once you ve been to Trindad and Tobago you discover that they are not your generic Caribbean islands Visiting Trindad and Tobago is more of a cultural vacation than an island getaway Once you step foot off the plane at Piarco airport you ll never want to leave or you ll want to go back once every year The two islands are full of charisma and O Donnell and Pefkaros do a good job of capturing this spirit in the book You really cannot be intimidated by the cultures of TNT From the street vendor corn soup to crab and dumplings down de islands Maracas Pigeon Point Speyside fried flying fish Caribs lorries maxis wining Trinidad s great bar club scene the Northern Range etc this book virtually covers all Trinidad and Tobago vacation opportunities and experiences Amazon customerAn excellent take long tote as is the more adventurous Trinidad Tobago 2nd Edition by Kathleen O Donnell and Stassi Pefkaros which updates information on adventure travel with special focus on the wildlife and culture of the islands Midwest Book Review **Caribbean** Brian Bell,2007 **Tobago Adventure Guide** Kathleen O'Donnell,2013-09-04 Tobago offers an exquisite environment but it has other major advantages Until recently Tobago s tourism industry was undeveloped There were only a few resort style hotels on the island and none were more than three stories high Numerous small hotels and guest houses dotted the towns and there was a very low key feel to the island Tobago has now found itself on the tourist map and hotels and holiday villa construction projects are in the works around the island Tobago is still a very friendly and safe island There are beautiful beaches of course but Tobago offers much more It is a bird watcher s paradise It also has the oldest national park in this hemisphere and some of the best scuba diving in the Caribbean for experienced divers Tobago offers visitors a true Caribbean getaway It is very relaxed with sunning and swimming its major attractions Golf tennis and numerous water sports are available including snorkeling windsurfing diving sailing and deep sea fishing The natural environment is perfect for hiking along nature trails in the rain forest and people in Tobago are open and friendly Like us and so many others you ll find yourself wishing a part of Tobago could be yours forever There is an unwritten law in Tobago that buildings may not be taller than a palm tree That unofficial rule is now becoming a part of development policy and hotels may

not be more than three stories high anywhere on the island Attention is also being given to the delicate ecosystem and fragile nature of the land While the number of hotel rooms will soon more than double sites are being carefully selected to avoid damaging the very thing that makes the island special its beautiful environment and clean waters When visiting Trinidad and Tobago remember that Tobago especially is still an island of villages and small town friendliness We got a lift from a farmer one day and as we rode along he talked about the strong village ties in Tobago Village elders still try to keep everyone on the straight and narrow so there are fewer social problems in Tobago than in nearby more urban Trinidad Tobagoins are accepting of visitors and seem to have unending patience with the interruptions in their daily lives caused by tourists While open minded the islanders are not sophisticated Trinidad and Tobago both provide extraordinary opportunities to explore nature in all its forms There are over 400 species of birds over 600 varieties of butterflies monkeys armadillos caiman lizards over a hundred species of snakes and a huge variety of fish and other marine life All of these find homes in an astonishing variety of natural environments saltwater and freshwater mangrove swamps mountain and coastal rain forests savannahs coral reefs deepwater caves freshwater rivers and city parks There are over 2 300 varieties of flowering plants and it seems there are almost as many micro climates to support them Tobago is a bird watcher s heaven You will hear bird songs all over the island and will see a variety of birds large and small On any window ledge you can create a bird feeder with a little sugar or a banana We made a birdbath for the tinier birds with a bowl of water and it was endless joy to see hummingbirds canaries and parakeets dine and bathe This is the most in depth guide to the island with extensive information about what to see and do where to stay and eat the history and culture And with color photos throughout
