The Time Is At Hand An Introduction To The Of Revelation:

The Time Is at Hand! Desmond Ford, 2010-01-12 For nearly 2 000 years the book of Revelation has been viewed as the most difficult book in the Bible The hundreds of commentaries in the Library of Congress testify that there is no unanimity about the meaning of the symbols of Revelation And yet this is the only book in the Bible where a special blessing is pronounced on its readers Its a book from Jesus Christ about himself his gospel the future and what will happen to the saints at the end of time Desmond Fords Introduction to the Book of Revelation is the fruit of decades of study plus research at the University of Manchester under Professor F F Bruce Ford off ers a much neglected key this sacred book can only be unlocked by understanding the preceding 65 books of the Bible and in particular the life teachings and death of Jesus The main message of Revelation is that the church is to repeat the experience of its Lord After its final proclamation of the gospel it will be condemned to martyrdom And this climactic sin of the world will precipitate the return of Christ in glory **The book of Revelations ... explained and corroborated by history** Veritas, 1891 *The Substance of the Holy Scriptures Methodized, and Divided Into Lessons for the Use of Families ... To Every Lesson is Subjoined an Appropriate Hymn, Together with Brief Notes, and Various Useful Tables. By the Rev. Edmund Butcher*, 1801 [The Antichrist and the Second Coming](#) Duncan W. McKenzie, 2012-04 What if the commonly held beliefs concerning the Antichrist are mistaken The Antichrist and the Second Coming looks at the Antichrist and the Second Advent of Christ from a preterist i e past fulfillment perspective and provides a unified interpretation of the little horn the prince to come the king of the North the man of lawlessness and the beast This is the second in a two volume set on the Antichrist it focuses on the book of Revelation This edition stands on its own and is recommended reading even if you have not read the first volume which focuses on Daniel and 2 Thessalonians McKenzie shows how the Antichrist was ultimately a spiritual ruler from the abyss Rev 11 7 that worked through Titus in his three and a half year destruction of the Jewish nation AD 67 70 cf Dan 9 26 This spirit of Antichrist was about to come out of the abyss in the first century Rev 17 8 NASB and was destroyed by the Second Advent of Jesus in AD 70 a spiritual event Continue reading to see how McKenzie convincingly makes the biblical case for this fascinating and controversial position and what it means for us today Dr Duncan McKenzie is a licensed psychologist Ph D in psychology who lives in Los Angeles California He has been studying Bible prophecy for the past twenty five years and has been researching and writing this two volume set for the last twelve years **Revelations from Revelation** Patrick M. Jones, 2008-03 Like a jewel box filled with bright jewels and rare coins this book is a collection of the clearest views and brightest nuggets of light from many Second Advent writers concerning the precious prophecies of the Revelation of Jesus Christ Inside you will find the most amazing thought revelations the most beautiful jewels of truth you would never have thought of before Listen as the harmonious voices of many Second Advent authors make clear Revelation s fascinating lines of prophecies Follow the footsteps of God s leading in the past present and future If there was ever a book that should be and is studied today it is the

book of Revelation In fact God has pronounced a blessing on those who hear read and keep the words of Revelation May this book be a springboard to still greater light for you **Blessed Is He That Watches** Robert Wittenberg,2022-03-15 Behold I come as a thief Blessed is he that Watches and keepeth his garments lest he walk naked and they see his shame Revelation 16 15 Jesus Christ warns us to watch to be in readiness for his coming whenever it occurs it would be at a time when people were not expecting Him Only God knows the time not even the saints or angels in heaven know the time we must always be prepared Christ used nakedness as a symbol of unrighteousness and not being prepared He counseled the Church of Laodicea to buy from Him white garments that you may be clothed that the shame of your nakedness unrighteous acts may not be revealed Revelation 3 18 Jesus encourages us to watch world events and ourselves to make sure we are always ready

All Power to the Lamb James R. Johnson,2010-12 Book Summary If you were God writing a book you wanted men to understand would you write it in such a way that men would have to make up meaning in order to understand it or would you write it in such a way that those that seek to understand could actually come to a knowledge of its truth Mt 7 7 The present commentary takes the position that God wrote Revelation in such a way that with sufficient effort and intellectual honesty readers can understand it Certainly there are symbols in Revelation but when God does use symbols He provides inspired interpretations of the symbols This commentary seeks to avoid the mistakes of the views that use the symbolical approach to Revelation preterist continuous historical spiritualist and idealist These approaches suffer from two basic flaws assuming the text is symbolical when it is not and making up meaning regarding the text based on stream of consciousness word association much as one would do looking at Rorschach inkblots This commentary seeks to avoid telling God what He should have said and strives to understand what God actually meant Of all the approaches to understanding Revelation this commentary is most closely aligned with the dispensationalist premillennialist view in that it views Revelation from a literalist futurist perspective It is different from the typical dispensationalist schema in that it views the seven seals as the powers of the Lamb understands the exercise of the powers of the seven seals to be simultaneous processes and casts chapters 8 22 as three parallel prophecies of the Lamb s power over the course of the histories of Israel the nations and the saints This commentary also makes use of many of the non canonical works that provide insight into the spirit world and detail regarding the end of the present age *The Character Map* H. E. Eickleberry, Jr.,2005-04 The Character Map An Introduction to the Introductions in Revelation is an examination of the opening statements that begin the final book of the Bible In it we will meet the hierarchy of persons that Revelation went through to get from God to us which is the first character map in Revelation We will also meet the players within the book of Revelation Who are the children of the earth and sea What does Revelation tell us about the people who started the world What does it tell us about the people who will end it More important what does it tell us about ourselves right here and now This is the second character map in Revelation Most important this book defines the very nature of God Himself which is the ultimate character map in Revelation It dictates

the very form of Revelation Moreover it is the yardstick by which God measures us As such The Character Map An Introduction to the Introductions in Revelation is an invaluable tool for understanding our times our world and even ourselves which was God s original purpose for giving us the book of Revelation *The End Times Controversy* Tim F. LaHaye,Thomas Ice,2003 The author of the Left Behind series teams up with a noted prophecy expert to provide guidelines for interpreting Bible prophecy in a consistently accurate manner equipping readers with a concise understanding of what the Bible says about the future *Revelation's Call* Shirley Dudley,2024-04-17 Embark on a Journey Through Time The Essential Guide to Understanding the Last Days Within the pages of Revelation s Call The Urgency of the Second Coming readers are invited into a journey that intertwines the past present and future beckoning to unlock the mysteries of the book of Revelation This comprehensive guide serves not only as an exploration but as a clarion call to awareness and action in the face of the approaching end times Embark on this exceptional odyssey beginning with the Journey Begins Understanding Revelation setting the stage for the profound depth of prophecy that lies within the scriptures The early chapters delve into the prophetic landscape offering clarity and insight into the roles of prophecy laying foundational knowledge from both the Old and New Testaments and painting a vivid picture of the historical and spiritual context that frames this last book of the Bible Engage with the intriguing narrative of The Author and the Isle of Patmos where the life of John and the peculiar isolated locale of Revelation s birth are brought to life offering readers a tangible connection to the divine visions received on that remote island Discover the significance of the Letters to the Seven Churches incorporating warnings encouragements and the varied characteristics of these early Christian communities This exploration extends into the celestial and the apocalyptic through detailed examinations of the Throne Room of Heaven the Seven Seals and beyond each chapter immersing the reader further into the cosmic drama and divine sovereignty displayed in Revelation But Revelation s Call goes beyond mere exploration it challenges its readers to reflect on the relevance of Revelation today Through the final chapters the book presents a compelling case for spiritual vigilance the importance of eschatology and the personal and communal imperative to live in hope and prepare for the Second Coming Concluding with a powerful appeal to repentance faith and empowerment for mission Revelation s Call is not just a guide to understanding future events but a transformational book that inspires readiness perseverance and an unwavering trust in the victory of Jesus This book is an indispensable resource for anyone seeking to comprehend the complexities of Revelation to find hope in its promises and to respond earnestly to its urgent message As history unfolds and the future approaches let Revelation s Call equip and guide you through understanding one of the most fascinating and significant books of the Bible **Then Shall That Wicked Be Revealed** Henry Gagne,2014-01-31 The book of Revelation is unlike any other book in scripture filled with symbols and apocalyptic language It has become a magnet for some and confusion for others while still others ignore it altogether There are many today who believe and hold that the book of Revelation is not about the future but rather the past fulfilled with the

destruction of the Jewish Temple and city of Jerusalem in 70 A D by the Roman armies While many others hold that the book of Revelation is prophetic and was written for a future time beyond the judgment that fell on the Jewish nation in 70 A D and continues to be debated today between these two Christian camps the Preterists and Futurists It is vital that the people of God are given the truth about prophetic scripture Today it is a fact that false teachers are everywhere in the body of Christ and have all but snuffed out the light of Christ s prophetic truth We of the body of Christ cannot continue to sit on the sidelines and remain silent We must as good soldiers in Christ arise and go forth in battle to defeat our Lord s enemies wherever they may be found As soldiers of Christ we do this with the weapons at our disposal that God gave us the Sword of Christ the Sword of Truth the Holy Scriptures Many times the question has arisen What difference does it make Our response is a proper view of eschatology a study of end of the age times is important because God has revealed his truth to us and it is our responsibility to be diligent students in understanding that truth Disregarding or minimizing any part of it is poor stewardship It is never acceptable to say I could be wrong but I remain comfortable on my views and don t want to bother with other views It is a fact today that someone has to be wrong and is teaching error And it certainly is not the Holy Spirit teaching those errors of scripture in the body of Christ Therefore if one view is correct the others are wrong The failure to study this issue and others forces us to hold one position or another that is one s doctrines as a matter of tradition rather than the Inspired Doctrine of Scripture While a lot of people go to church very few actually know the Bible and take Jesus Christ our Lord seriously Secular Christianity has been watered down especially in the area of God s Word and its meaning resulting in great division and confusion concerning many passages seen throughout scripture The New Testament authors did write about prophecy but a good percentage of their prophetic messages dealt with the immediate fate and future of national Israel Thus when they wrote prophetically they wrote primarily about Israel s last days i e end of OC age while writing prophecy about the early Church s end of the age to come for them as we read in Hebrews So Christ was once offered to bear the sins of many and unto them that look for him shall he appear a second time without sin unto salvation Heb 9 28 The last days are different from the end times The last days refer to the last days age of Old Covenant Israel as the body of Christ was being brought in during that 40 year transition period It was to be the last days for national Israel but not for the New Covenant Church its age had just begun because of God s Grace and the Blood of Jesus Christ our Lord brought about for the salvation of mankind In our day there have come many scoffers both inside and outside of the church saying that the return of Christ is many many years away and others doubt or even deny his coming at all At present to most in the world they do not appear to be threatened by the return of Christ despite the world s present condition in its moral standing with God Despite the war in Afghanistan and Iraq as well as the Israeli Palestinian conflict despite North Korea and Iran s nuclear stance a world economy in a near total collapse many in the secular media procla Handbuch der Bibelerklärung.
