The Tozer Cd Rom Library Version:

The Tozer CD-ROM Library A. W. Tozer, The Tozer CD ROM Library is a searchable database containing the vast majority of Tozer's written works This invaluable resource is a user friendly devotional and ministry tool that will become a vital part of your library *The Worship Answer Book* Rick Muchow, 2006 Connect more fully with Christ and with Christians We need to learn to worship God in every area of our lives at home at work in our cars everywhere Worship doesn't happen automatically we must make some choices that will bring a real difference to our focus on God during worship Most of us spend more time training on how to work at our computer than how to worship our Creator For worship to stay both restful and revitalizing we must Get the BIG picture right Do the LITTLE things well Let worship leader Rick Muchow guide you into a deeper worship experience with spiritual insight and practical advice so you can share more fully in praise of the Father

A Passion for God Lyle Dorsett, 2008-09-01 I fear we shall never see another Tozer Men like him are not college bred but Spirit taught Leonard Ravenhill, 20th century British evangelist Pastor A W Tozer author of the Christian classics *The Pursuit of God* and *The Knowledge of the Holy* was a complex intensely private deeply spiritual man and a gifted preacher whose impact for the kingdom of God is immeasurable In this thoughtful biography bestselling author Lyle Dorsett traces Tozer's life from his humble beginnings as a Pennsylvania farm boy to his heyday as a Chicago pastor when hundreds of college students would travel to his South Side church to hear him preach and thousands more heard his Sunday broadcasts on WMBI to his final pastorate in Toronto From his conversion as a teen to his death in 1963 Tozer remained true to one passion to know the Father and make Him known no matter what the cost The price he paid was loneliness censure from other more secular minded ministers of the times and even a degree of estrangement from his family Read the life story of a flawed but gifted saint whose works are still impacting the world today **Tozer on Worship and Entertainment** A W Tozer, 2006-06-01 We are saved to worship God All that Christ has done for us in the past and all that He is doing now leads to this one end A W Tozer Tozer had strong convictions about the subject of worship as well as its corruption by what he called the great god Entertainment The excerpts in this book were carefully selected to give you a clear picture of his thoughts on both topics Also included are Tozer's sermon *The Act and Object of Worship* in its entirety and his controversial essay *The Menace of the Religious Movie* written in the mid 1950s You might not agree with all that Tozer says but as always he draws a line in the sand and causes us to think critically about what is and isn't worship and if what we are doing is truly worship **Of God and Men** A. W. Tozer, 2015-09-22 Is our Christianity that of the New Testament God and men and their relation to each other this I believe to be all that really matters in the world and that is what I have written about here A W Tozer Like a physician running a biopsy on lifeless faith here A W Tozer offers one of the most compelling critiques of feigned spirituality you may ever read In *Of God and Men* Tozer exposes false religious notions and lifts up true New Testament Christianity A loving and gentle critique of culture and even the church it reveals lies we unknowingly believe godless

practices we unknowingly do and treasures of Christ we unknowingly ignore A manifesto of true religion Of God and Men will set your foot on the narrow path and lift your heart in soaring worship **The Radical Cross** A. W. Tozer,2015-05-21 The way of the cross is still the pain wracked path to spiritual power and fruitfulness So do not seek to hide from it Do not accept an easy way Do not allow yourself to be patted to sleep in a comfortable church void of power and barren of fruit Do not paint the cross nor deck it with flowers Take it for what it is as it is and you will find the rugged way to death and life Let it slay you utterly A W Tozer from *Coddled or Crucified in The Radical Cross* In this collection of short essays Tozer considers with piercing conviction the offense and power of the cross May you venture unguarded into this book that you might be utterly changed *Tozer Speaks to Students* A. W. Tozer,2010-01-01 Except for C S Lewis and Oswald Chambers it is difficult to find a 20th century Protestant author who has a wider audience than Tozer With more than 3 million books in print the works of Tozer find their place on library shelves literally around the world However it is less well known that Tozer had a particularly profound impact on college students This volume consists of never before published chapel messages and sermons preached during 1952 and 1954 at Wheaton College In many ways Tozer's messages are just as timely today as they were a generation ago notes compiler and editor Dr Lyle Dorsett The truths are timeless It is my prayer that he will speak to you with the same life changing power that he spoke to his generation **The Counselor** A. W. Tozer,2015-05-21 Straight talk about the Holy Spirit When the Holy Spirit is confined to creeds the church becomes like a land with no water or a kite with no wind In his life and writings A W Tozer was insistent that the church reclaim a practical theology of the Holy Spirit that it actually know Him The Counselor will help you cultivate sweet communion with God Gifted at bringing lofty thoughts down low Tozer explains clearly who the Spirit is and what it means to know Him His words will leave you with a deep longing to be filled with the blessed Spirit to have joy peace life and power in Him The Holy Spirit wants to be Lord of your life to possess you so that you are no longer in command of the little vessel in which you sail **Whatever Happened to Worship?** A. W. Tozer,2012-04-10 A W Tozer calls God the Composer of the Cosmos the Chief Musician of the Universe God signals the birds to chirp their beautiful tune in the coolness and tranquility of a spring morning simply because that is what He designed them to do Each note is wonderfully constructed by God uniquely bringing praise to His name With this inspiring perspective on worship Tozer invites readers to take a deep look at the ways in which we worship and why He reminds us that we were created solely for this purpose and that worshipping the Father and seeking His fellowship is our primary task It is also His delight The newest revised edition now includes *Worship The Missing Jewel of the Evangelical Church* first published in the *Alliance Life* magazine in 1965 and still so profound today **Divine Healing: The Formative Years: 1830-1890** James Robinson,2011-04-13 Divine healing is commonly practiced today throughout Christendom and plays a significant part in the advance of Christianity in Latin America Africa and Asia Such wide acceptance of the doctrine within Protestantism did not come without hesitation or controversy The prevailing view saw suffering as a divine chastening

designed for growth in personal holiness and something to be faced with submission and endurance It was not until the nineteenth century that this understanding began to be seriously questioned This book details those individuals and movements that proved radical enough in their theology and practice to play a part in overturning mainstream opinion on suffering James Robinson opens up a treasury of largely unknown or forgotten material that extends our understanding of Victorian Christianity and the precursors to the Pentecostal revival that helped shape Christianity in the twentieth century
