The Three Skills of Top Trading Hank Pruden, 2007-04-06 Praise for The Three Skills of Top Trading Professor Pruden's new book The Three Skills of Top Trading is unquestionably the best book on a specific trading method and the necessary attributes for trading that I have read His logic understanding of human foibles and use of the Wyckoff method of trading are broadly referenced readable understandable and entertaining

Charles D Kirkpatrick II CMT coauthor of Technical Analysis The Complete Resource for Financial Market Technicians Editor of the Journal of Technical Analysis and board member of the Market Technicians Association At long last someone has taken the time and effort to bring the work and insight of Wyckoff to wider public attention and Hank Pruden has done so masterfully with great clarity and eloquence Hank has taken the best of Wyckoff's work combining it with the essential aspects of trader discipline and psychology to provide a highly readable and particularly useful guide to trading

MUST READING Jacob Bernstein www.trade-futures.com Hank Pruden puts all of the elements needed for successful trading into one volume This book not only belongs on every trader's shelf but should be close enough for continuous reference

Martin J Pring President www.Pring.com Dr Pruden has brought together his lifetime of work in developing a modern approach to analyzing and trading the markets built upon classic market analysis from the early part of the twentieth century and topped off with modern day tenets of behavioral finance and mental state management

Thom Hartle Director of Marketing for CQG Inc www.cqq.com I usually consider a book to be well worth reading if it gives me one paradigm shift I believe that this book will give the average investor a lot more than just one
