The Works Of Samuel Johnson Vol 18 Johnson On The English Language:

Samuel Johnson's Pragmatism and Imagination Stefka Ritchie, 2018-11-07 The central theme of this book is an under studied link between the canon of Francis Bacon's and Isaac Newton's scientific and philosophical thought and Samuel Johnson's critical approach that can be traced in a textual study of his literary works The interpretive framework adopted here encourages familiarity with the history and philosophy of science confirming that the history of ideas is an entirely human construct that constitutes an integral part of intellectual history This further endorses the argument that intermediality can only be of benefit to future research into the richness of Johnson's literary style As perceived boundaries are crossed between conventionally distinct communication media the profile of Johnson that emerges is of a writer of passionate intelligence who was able to combine a pragmatic approach to knowledge with flights of imagination as a true artist

Samuel Johnson Freya Johnston, Lynda Mugglestone, 2012-11-15 Samuel Johnson The Arc of the Pendulum offers unique insight into the works of Samuel Johnson by re considering William Hazlitt's oft cited comparison between Johnson's prose and a pendulum In 1819 William Hazlitt condemned Samuel Johnson's prose style as a species of rhyming in which the close of the period follows as mechanically as the oscillation of a pendulum the sense is balanced with the sound Predictable formulaic and unresponsive Hazlitt's Johnson was incapable of latitude and compromise a mere automaton who rebounded from one position to its opposite extreme This collection of essays focuses on Johnson's works rather than perceptions of his personality and argues that Johnson's perceived erratic opinions reflect an understanding of the complexity instability and contradictions of the world in which he lived The volume challenges Hazlitt's influential reading of the Johnsonian pendulum focusing on the uses and enjoyments of inconsistency and the varieties of instability irresolution and active change which are revealed by and within Johnson Chapters from a strong team of contributors present new perspectives on Johnson's work life and reception The chapters address questions of style authority language lexicography and biography across a range of Johnson's writings from the early poetry to the late prose Johnson emerges from these chapters not as a writer trapped within a set of oppositions but as one who engages imaginatively and vigorously with flux dynamism and inconclusiveness From the late eighteenth century onwards to be Johnsonian has typically been made synonymous with firm resolution and trenchant opinion with polysyllabic excess and a style removed from the exigencies and accidents of ordinary existence And yet as this volume suggests Johnson's life and writings embody the critical and creative play of ideas a form of interaction with the world which is shaped by instability contradiction and combat

The Technology of the Novel Tony E. Jackson,2009-05-13 The connection between speech and writing in human language has been a matter of philosophical debate since antiquity By plumbing the depths of this complex relationship Tony E Jackson explains how the technology of alphabetic writing has determined the nature of the modern novel Jackson's analysis begins with the universal human act of oral storytelling While telling stories is fundamental to human experience writing is not Yet the novel perhaps more than any other literary form depends on writing In fact as Jackson shows quite clearly it is writing rather than print that most shapes the forms and contents of the genre Through striking new readings of works by Austen Mary Shelley Dickens Forster Woolf Lessing and McEwan Jackson reveals how the phenomena of speech and storytelling interact with the technological characteristics of writing He also explains how those interactions induced the generic changes in the novel from its eighteenth century beginnings to postmodernism and beyond
