Cécile Leconte

Understanding Euroscepticism The European Union Series

Kenneth Keulman, Agnes Katalin Koós

Understanding Euroscepticism The European Union Series:

Understanding Euroscepticism Cécile Leconte, 2010-08-31 This timely text provides a concise and readable assessment of the dynamics character and consequences of opposition to European integration at all levels from elites and governments through parties and the media to voters and grass roots organizations

Citizens' Support for the European Union

Simon Bauer, 2019-07-02 This book offers a comprehensive analysis of the determinants of EU support between 2006 and 2015 and of electoral behavior during the European Parliament elections In light of the Eurozone financial and debt crisis it also examines how political and economic turbulences have affected EU citizens stance on democracy and their support for EU institutions It explores measures taken in the context of the Euro crisis management and the reactions of EU citizens in order to shed new light on the determinants and developments of EU support The author highlights the heterogeneity of the developments between the member states and identifies social political and economic facets of the crisis that have changed the ways citizens form their political attitudes towards the EU The book delivers a profound account of the Euro crisis integrating approaches from political economy psychology sociology and public opinion research It will appeal to scholars and anyone interested in learning more about the declining citizen support in the EU and the heterogeneous developments in the member states which may significantly endanger the long term existence of the European Union

Understanding the European Union John McCormick, 2020-11-13 This is the must have leading introduction to the European Union Offering an ideal primer on the EU s history institutions and politics this concise textbook also covers the various challenges and opportunities faced by the EU from the democratic deficit and the potential of future enlargement to the spread of nationalism and crises such as Brexit and the impact of the global pandemic Understanding the European Union is now more crucial than ever and this text provides a succinct but nuanced account of its development and how it works This book will be the ideal guide for all undergraduate and postgraduate courses in political science global affairs and European Studies It is also a suitable starting point for anyone seeking to learn more about the EU New to this Edition A number of key themes and issues run throughout the book including past and ongoing crises facing the EU the EU s place within the broader international system a focus on the EU s comparative political social and economic context the confederal qualities of the EU and Brexit Addresses the early impact of the global pandemic on the EU Greater use of maps figures tables and boxes where useful to inform the analysis accompanied by up to date further reading Informed throughout by sophisticated yet accessible treatment of theory including post functionalism and critical perspectives Cutting edge coverage of Brexit and negotiations around withdrawal

What is Europe? Anna Triandafyllidou, Ruby Gropas, 2022-10-07 This authoritative yet accessible introduction to understanding Europe today moves beyond accounts of European integration to provide a wide ranging and nuanced study of contemporary Europe and its historical development This fully updated edition adds material on recent developments such as Brexit and the migrant and Eurozone crises The concept of Europe is instilled with a plethora of social

cultural economic and political meanings Throughout history and still today scholars writing on Europe and politicians involved in national or European politics often disagree on the geographic limits of this space and the defining elements of Europe Europe is therefore first and foremost a concept that takes different shapes and meanings depending on the realm of life on which it is applied and on the historical period under investigation At a given point in time depending on the perspective we adopt and the situation in which we find ourselves Europe may represent very different things Thus we should better talk about Europes in plural What is Europe explores these evolving conceptions of Europe from antiquity to the present This book is all the more timely as Europe responds to the Russian invasion of Ukraine and Britain's departure from the European Union financial slump refugee emergencies and the COVID 19 pandemic This book offers a fully updated introduction to European studies from an interdisciplinary perspective It is a crucial companion to any undergraduate or graduate course on Europe and the European Union The Open Access version of this book available at www.taylorfrancis.com has been made available under a Creative Commons Attribution Non Commercial No Derivatives 4.0 license

Pentecostal Public Theology Simo Frestadius, Mark J. Cartledge, 2024-07-11 This is the first academic work to focus explicitly on Pentecostal public theology in Europe Following a growing interest in understanding Pentecostal beliefs and practices with respect to the public sphere this book shifts the focus of Pentecostal engagement with politics society and culture from the Global South and North America to Europe This work also discusses themes such as Pentecostal public values identity nationalism poverty democracy education race and political engagement in the context of European Pentecostalism The book provides an historical overview by bringing together various European voices to discuss the current challenges and possible trajectories for Pentecostal public theology in a constructive fashion With contributions from leading and emerging European Pentecostal and Charismatic scholars this book is a must for scholars interested in understanding Pentecostal beliefs and practices in the public sphere in a European context

European Identity Kenneth Keulman, Agnes Katalin Koós, 2014-08-20 The further evolution of the European Union is mainly dependent on how its citizens relate to their fellow Europeans speaking a score of languages and belonging to a variety of cultures This book addresses the question of whether a new sense of collective self identification labeled European identity a special form of socio territorial identities is emerging Collective identities are works in progress they entail a salient strategic activist and future oriented dimension Divergent strategic goals of the constituent groups induce a perpetual contestation and negotiation of the group identity a process that in the case of the EU is intensified by the continuously changing boundaries and institutional structure of the super polity To confront these challenges this book has a double focus The first part weighs in on the feasibility of a European identity in light of what the two main paradigms in the field primordialism and constructivism can predict The second part maps the social forces that are either favorable or inimical to the creation of a common social identity on the continent Both parts develop hypotheses about the processes we witness and test them with the available empirical data Part

It distinguishes between passive and active supporters of the integration project besides the Euroskeptic segment of the public. Provision of public goods by regional integration is believed to explain passive permissiveness while the main impetus for integration comes from those who may reap above average benefits from it. This book contends that the groups of active supporters have historically been changing within the Union namely the political Left and Right are changing their roles in negotiating future developments. Yet the evolution of the EU is also shaped by the solutions adopted to accommodate ethnic and cultural diversity. The empirical tests involve opinion survey data taken from the Eurobarometer series, World Value and European Social Surveys and the International Social Survey Programme expert ratings as well as party elite documents from the Manifesto Project Database.

Exploring British Politics Mark Garnett, Peter Dorey, 2016-04-14 Exploring British Politics is a concise comprehensive and accessible guide to the subject. Fully updated and revised the new edition covers the 2015 general election and recent developments in the role of political parties, changes in party ideology, the UK's relationship with the European Union and the future of the UK itself. Designed to stimulate critical analysis and provoke lively debate it provides new perspectives on two key themes: the health of British democracy and the transition from traditional models of government to more flexible forms of governance. The special features of the new edition include Comprehensive analysis of the 2015 general election and the 2014 referendum on Scottish independence. A focus on topical controversies such as the relationship between politicians and the media and the arguments for and against Human Rights legislation. Explanation of the ways in which British governments have responded to dramatic social change and to serious economic challenges in an era of globalisation. Extensive guides to further reading at the end of each chapter. Whilst it provides the essential historical background for a full understanding of British politics contemporary issues are to the fore throughout and readers are encouraged to scrutinise what is often taken for granted and to develop their own thoughts and ideas. Whether studying the subject for the first time or revisiting it Exploring British Politics is the ideal undergraduate text.

Policies and Policy Processes of the European Union Laurie Buonanno, Neill Nugent, 2020-11-28 The dynamic and complex system of European Union policymaking is analysed in this new edition of a much praised textbook. It offers the most integrated understanding of EU policy available. Major approaches to policymaking including intergovernmentalism, neofunctionalism, supranationalism and critical theory are presented and supplemented with the authors' own theoretical model: federal integration to create a comprehensive evaluation of the EU's interests and actors in key policy domains. The text covers the EU's main policy areas including those on the single market, Economic and Monetary Union, foreign policy, migration and border control, social and regional policies and the budget, locating them in this wider theoretical framework. As such it is the key introduction to the subject for students of European Politics at undergraduate and postgraduate levels. New to this Edition: Each chapter rewritten many extensively throughout. New chapters on migration and border control, competition policy and social and cohesion policies. New illustrative material and many new examples. Each chapter now includes a Guide to Further Reading.

Accompanying online resources for this title can be found at bloomsburyonlineresources.com policies and policy processes of the european union These resources are designed to support teaching and learning when using this textbook and are available at no extra cost

The European Union in Crisis Desmond Dinan,Neill Nugent,William E. Paterson,2017-09-09

The European Union EU is in crisis The crisis extends beyond Brexit the fluctuating fortunes of the eurozone and the challenge of mass migration It cuts to the core of the EU itself Trust is eroding power is shifting politics are toxic disillusionment is widespread and solidarity has frayed In this major new text leading academics come together to unpack all dimensions of the EU in crisis and to analyse its implications for the EU its member states and the ongoing study of European integration

Central and Eastern European Attitudes in the Face of Union S. Guerra,2013-11-13 Through the analysis of data on support for and opposition to European integration in Central and Eastern Europe this book explores how and why support for the EU has changed in this region and the factors that have led to the fall in popularity of the EU as an institution

Unveiling the Energy of Verbal Artistry: An Emotional Sojourn through **Understanding Euroscepticism The European Union Series**

In some sort of inundated with displays and the cacophony of instant conversation, the profound power and emotional resonance of verbal artistry often diminish in to obscurity, eclipsed by the regular onslaught of noise and distractions. However, situated within the musical pages of **Understanding Euroscepticism The European Union Series**, a charming work of fictional brilliance that pulses with natural feelings, lies an memorable journey waiting to be embarked upon. Penned by way of a virtuoso wordsmith, that exciting opus courses visitors on a mental odyssey, softly revealing the latent possible and profound impact stuck within the complicated web of language. Within the heart-wrenching expanse of the evocative evaluation, we will embark upon an introspective exploration of the book is main subjects, dissect their captivating publishing model, and immerse ourselves in the indelible effect it leaves upon the depths of readers souls.

Understanding Euroscepticism The European Union Series Introduction

In the digital age, access to information has become easier than ever before. The ability to download Understanding Euroscepticism The European Union Series has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Understanding Euroscepticism The European Union Series has opened up a world of possibilities. Downloading Understanding Euroscepticism The European Union Series provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Understanding Euroscepticism The European Union Series has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Understanding Euroscepticism The European Union Series. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Understanding Euroscepticism The European Union Series. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the

efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Understanding Euroscepticism The European Union Series, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Understanding Euroscepticism The European Union Series has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Understanding Euroscepticism The European Union Series Books

1. Where can I buy Understanding Euroscepticism The European Union Series books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores.
